WINDOW DELIVERIES.

Deliveries from the windows are made from 9 a.m. to 5 p.m. on week days, but, at certain Post Offices specially authorized by the Postmaster-General, the windows will be closed during the periods of sorting and despatching mails. When English mails arrive on a Public Holiday, the windows will be open for delivery for two hours.

SEABORNE MAILS.

Seaborne mails, as a general rule, are closed one hour previous to the despatch of the mails from the Post Offices.

PRIVATE BOXES AND BAGS.

Private letter-boxes are provided for merchants and others upon payment, in advance, of the following fees:—

For a term exceeding six calendar months and not exceeding one year, two pounds (£2).

For a term exceeding three calendar months and not exceeding six calendar months, one pound (£1).

For a term not exceeding three calendar months, ten shillings (10s.).

For a term exceeding six calendar months and not exceeding one year, when the box has been already let to the same person for a term or successive terms exceeding in all six calendar months, expiring within a week of the beginning of the new term, one pound (£1).

For a term not exceeding six calendar months, when the box has been already let to the same person for a term or successive terms exceeding in all six calendar months, ten shillings (10s.).

All such fees to be paid in advance: Provided that no private box shall be let save for a term ending on the 31st day of March, the 30th day of June, the 30th day of September, or the 31st day of December next after the day on which the same shall be let; and that, where there are two or more applicants for the same box at the same time, the preference shall be given to the person desiring to have the same for the longest term.

Persons residing upon mail routes requiring the accommodation of private bags can obtain the same upon payment, in advance, of two pounds per annum to the Chief or Head Postmaster, subject to the following regulations, viz.:—

1. The bag must be of leather, with a lock and two keys, and provided and kept in repair at the cost of the person requiring it.
2. The Postmaster must securely lock the bag before despatching it, and it must be returned to the Postmaster in the same manner.
3. The bag must only contain correspondence for persons connected with the establishment of the owner of the bag, or who may be in his employment; and it must be distinctly understood that such owner is responsible for the postage of all unpaid letters, and for returning receipts for all those which may be registered.

A mail contractor is bound to convey and deliver, free of charge, all private bags given to him by Postmasters, but is not required to deviate from the prescribed mail route, and is on no account to be delayed. Should the return bag not be ready at the appointed time and place, the Contractor is not required to wait for it.

UNCLAIMED LETTERS.

On the first day of each month a list is exhibited at each Post Office in the Colony of the addresses of all letters that have remained unclaimed for three months at such Post Office; and such of these letters as remain unclaimed at the end of a further period of two months are then forwarded to the Dead Letter Office, to be returned to the writers.

Rates of Postage, and Conditions of Transmission.

All letters, newspapers, book and pattern parcels, and prices current, posted in New Zealand must be prepaid by postage stamps. Letters, &c., posted unstamped will be detained.

INLAND LETTERS.

Letters posted in New Zealand for places within the Colony, although insufficiently prepaid, if bearing postage stamps of the value of one penny, will be forwarded charged with double the amount of deficiency; letters posted wholly unpaid, or with postage stamps of less value than one penny, will be detained. For rates of postage on town letters, country letters, and interprovincial letters, see page 32.

Late letters for despatch by steamers will be received until within twenty minutes of the despatch from the Post Office, provided such letters bear, in addition to the full postage, a further single rate of postage as a late fee.

Late letters placed on board mail steamers must also bear, in addition to the full postage, a further single rate of postage as a late fee. When such letters are posted unpaid, or insufficiently paid, they will be charged, on delivery, with double the deficiency in postage and late fee.

Letters redirected from one part of the Colony to another are chargeable with fresh rates of postage, as if they were then posted for the first time, the only difference being that prepayment is optional.

LETTERS FOR PLACES BEYOND THE COLONY.

The rates of postage on letters to the United Kingdom, the Australian and other British Colonies, and Foreign Countries, are enumerated in the Table of Rates of Postage, at page 32.

Letters posted in the Colony for the United Kingdom, India, the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, and Western Australia, although insufficiently prepaid, if bearing postage stamps of the value of at least one single

rate, will be forwarded charged with the deficient postage, together with an additional single rate as a fine; and in the case of a letter for the United Kingdom, marked *via* Brindisi, but not bearing a single rate for such route (*i.e.*, ninepence), it will be forwarded *via* Southampton, if bearing stamps of the value of sixpence. When less than one single rate has been prepaid on letters for either the above-mentioned places, and less than the full rates on letters for all other places, such letters will be detained.

Late letters for places beyond the Colony will be received until twenty minutes before the hour of despatch from the Post Office, provided such letters bear, in addition to the full postage, a further single rate of postage as a late fee.

Late letters placed on board mail steamers must also bear, in addition to the full postage, a further single rate of postage as a late fee.

Letters originating in and re-directed to the United Kingdom, India, the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, and Western Australia respectively, are charged with a new and distinct rate of postage—prepayment optional; the postage on re-directed letters for all other places beyond the Colony must be prepaid.

Re-directed letters received from places beyond the Colony, on which the re-direction postage has not been prepaid, will be charged full postage rates on delivery.

Letters, &c., received at any Post Office in the Colony from places beyond the Colony, which have not been regularly posted at the place of despatch, will be charged with full postage, according to the rates fixed in the Table of Postage Rates, unless they are letters which it is not compulsory by law to send by post, in which case they are chargeable with the inland letter rate of postage only.

NEWSPAPERS AND TRADE CIRCULARS.

Newspapers published in the Colony, and registered at the General Post Office for transmission by post, may either be forwarded like other printed matter under the regulations of the book post, or may be transmitted within the Colony on prepayment of a postage rate of one halfpenny each in postage stamps, and to places beyond the Colony at the rates set forth in the Table of Postage Rates, page 32, and under the following regulations:—

The title and date of the newspaper must be printed at the top of every page. It must have either no cover, or a cover open at the ends, and must not contain any enclosures nor any writing or other mark thereon beyond the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the newspaper, and the printed name and address of the publisher or vendor who sends it.

Newspapers re-directed from one Post Office to another within the Colony may be transmitted accordingly, but are chargeable with a fresh newspaper rate of postage, which may be paid either on re-direction or on delivery.

BOOK POST.

The following are the regulations of the Inland Book Post:—

- (1.) The postage is one penny not exceeding one ounce; twopence not exceeding two ounces; fourpence not exceeding four ounces; eightpence not exceeding half a pound; and fourpence for every additional four ounces or fraction of four ounces. Book packets which may be insufficiently prepaid will be treated as described in section 8.
- (2.) Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being examined. For the greater security of its contents, the packet may be tied at the ends with string, but in such case the Postmaster is authorized to cut the string, although if he do so he must again tie up the packet.
- (3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass or in cases containing glass or such like substance), drawings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, &c., must not be sent as a separate packet.

(4.) No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is even recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.

(5.) No book packet must exceed two feet in length, or one foot in width or depth,—nor must it exceed three pounds in weight; and if any such packet be presented at a Post Office, it will not be received.

(6.) Any packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written in it, or upon its cover, will be charged letter postage, with an additional rate.

(7.) If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be charged with the full letter postage, together with an additional rate, and forwarded to its address.

(8.) If a packet be not sufficiently prepaid with stamps, but nevertheless bear stamps of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate.

It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.

The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.

BOOK POST TO PLACES BEYOND THE COLONY.

Books can be sent to the United Kingdom, British Colonies, and certain Foreign Countries, on the same conditions as those of the Inland Book Post, and at the rates enumerated in the Table of Postage Rates, at page 32.

PATTERN AND SAMPLE POST.

The following are the rules of the Inland Pattern and Sample Post:—

- (1.) The postage is one penny not exceeding one ounce; twopence not exceeding two ounces; fourpence not exceeding four ounces; eightpence not exceeding half a pound; and fourpence for every additional four ounces or fraction of four ounces.
- (2.) No packet of patterns or samples must exceed twenty-four ounces in weight; any packet exceeding that weight will be sent to the Dead Letter Office.
- (3.) There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles, otherwise the packet will be treated as a letter.
- (4.) There must be no enclosure other than the samples themselves. The particulars, which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them.
- (5.) The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, &c., may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of samples of seeds in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.
- (6.) Insufficiently paid packets of patterns or samples will be treated as described in section 8 of the Inland Book Post Regulations.
- (7.) In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any Postmaster until the following despatch.

- (8.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet will be charged with a fine equal in amount to the postage to which the packet was liable as a packet of patterns.

PATTERN AND SAMPLE POST TO PLACES BEYOND THE COLONY.

Patterns and samples may be sent at the rates enumerated in the Table of Postage Rates at page 32 to such countries as are marked in that table with the letter *p*. The conditions in these cases are for the most part the same as in the case of the Inland Pattern, and Sample Post, the following being the only important exceptions:—

- (1.) A packet of patterns or samples sent *via* the United Kingdom to Portugal, Madeira, the Azores, Cape de Verdes, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed eighteen inches in length, width, or depth; a packet to any other place abroad must not exceed twenty-four inches in length or twelve inches in breadth or depth.
- (2.) A packet of patterns or samples sent to Germany, Russia, Belgium, Turkey, Moldavia, Wallachia, &c., *via* the United Kingdom and Belgium, or to any place *via* Austria, must not exceed eight ounces in weight, and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verdes is limited to one pound.
- (3.) None of the articles named in rule 8 above may be sent as patterns or samples to any place abroad except the United States of America, Germany, Belgium, Holland, Denmark, Sweden, Norway, Turkey, Moldavia, Wallachia, Portugal, Madeira, the Azores, Cape de Verdes, and the British Colonies.
- (4.) Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland; and samples of intrinsic value must not be sent to foreign countries, except the United States, and to France and Germany.

Postage Stamps.

A new issue of postage stamps (with the exception of the halfpenny denomination) was made on the 1st January.

Every Postmaster is required to keep for sale to the public a sufficient stock of the various postage labels in use in the Colony, and to sell them at the following prices:—

	s.	d.
Halfpenny labels (for newspapers only) ...	0	$\frac{1}{2}$ each.
Penny labels ...	0	1 "
Twopenny labels ...	0	2 "
Threepenny labels ...	0	3 "
Fourpenny labels ...	0	4 "
Sixpenny labels ...	0	6 "
One shilling labels ...	1	0 "

Labels should be placed on the front of the letter, and upon the right-hand corner of the upper side. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which have been previously used.

Receipt or duty stamps cannot be used in place of postage stamps, nor can postage stamps which have been torn, cut, or otherwise rendered imperfect, be used.

The halfpenny postage stamp must not be affixed to letters, otherwise the letters will be detained.

Registration.

By the prepayment of a fee of sixpence in addition to the full postage, any letter, newspaper, book, or other packet, may be registered to any place in the Colony. For registration to the United Kingdom, British Colonies, and certain Foreign Countries, see Table of Postage Rates, page 32.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Valuable articles sent in *unregistered* letters are exposed to risk; and the Department cannot in any way undertake the safe conveyance of such packets. All Inland, British, or Colonial letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of one shilling, in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, if directed to any place in the Colony, the United Kingdom, or the British Colonies, be liable to a double registration fee.

Letters may be registered during the ordinary office hours, and for despatch by any mail, two hours before the closing of such mail. No letter-carrier, messenger, or other servant of the Post Office is allowed to carry a letter for any person to be registered.

A registered letter, which has not been delivered, when re-directed to any place within the Colony, is not liable to any further charge than an ordinary re-directed letter. If, however, a registered letter be re-directed to any place without the Colony, the second postage and registration fee must be prepaid.

No letter or other postal packet addressed to initials, or to a fictitious name, can be registered.

Delivery.

Letter-carriers and messengers are prohibited from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except such as have passed through a Post Office. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, nor to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities.

No person living within the town free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by letter-carrier is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by letter-carrier, may be obtained by any person on application at the office window, so long as the office is open for delivery.

Letters addressed to the Post Office, or to be kept till called for, may be obtained at the office window, except where it is ascertained that it is the practice of persons living within the town delivery to have their letters so addressed, in which cases they will be sent out by letter-carrier. Letters for persons residing beyond any official delivery, will be delivered on application at the window. It is not permitted to return any letter to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon, as every letter must be delivered to the person to whom it is originally directed, and to him alone. No information must be given by a postal officer respecting letters, &c., which pass through a Post Office, except to the persons to whom they are addressed.

- (1.) Each letter must not exceed half an ounce in weight.
- (2.) If sent by any such privileged person, it must be superscribed with the name of the writer, his description or class in the regiment or vessel, and signed by the officer at the time in command.
- (3.) If addressed to any such privileged person, his description or class in the regiment or vessel must be specified thereon.
- (4.) If posted within the Colony, the postage must be prepaid.

Articles not allowed to be sent by Post.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or to do bodily harm to any officer of the Post Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion; razors, scissors, needles, forks, or other sharp instruments are also forbidden.

Miscellaneous Regulations and Suggestions.

The Post Office is not, by law, responsible for any loss or inconvenience which may arise from the non-delivery, mis-sending, or mis-delivery of any letter, book, or other postal packet (even if the packet be registered); nor is the Post Office responsible for any injury which a packet may sustain during its transmission.

To guard against such injury, all postal packets which are likely to suffer from stamping or from great pressure should be placed in strong covers; and even with this precaution no fragile article should be sent through the Post.

No information can be given respecting letters which pass through a Post Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Postmasters are not bound to weigh any letters or other packets for the public, but they may do so if their duty be not thereby impeded.

Every letter should contain the full address of the writer, in order to insure its return if the person to whom it is directed cannot be found. A much larger portion of the undelivered letters could be returned if the names and addresses of the senders were always either fully and plainly written inside or embossed on the envelopes.

The practice of sealing letters passing to and from countries with hot climates with wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended, in all such cases, to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

Neither money nor any other article of considerable value ought ever to be sent through the post, except by means of a money order or in a registered letter. Any person who sends money or jewellery in an unregistered letter, not only runs a risk of losing his property, but exposes to temptation every one through whose hands his letter passes, and may be the means of ultimately bringing some clerk or letter-carrier to moral ruin.

Whenever bank notes are sent by post, even in registered letters, they should be cut in halves, and the second halves should not be posted till it has been ascertained that the first halves have been received; and further, in order to afford the means of identification, a memorandum should always be made of the number of each bank note.

Any person conveying (otherwise than by the Post) a letter not exempted from the exclusive privilege of the Postmaster-General, incurs, by law, a penalty of £20 for every letter so conveyed.

REGULATIONS AND CONDITIONS UNDER WHICH TELEGRAMS ARE AUTHORIZED TO BE TRANSMITTED BY THE TELEGRAPH BELONGING TO THE GENERAL GOVERNMENT OF NEW ZEALAND.

1. The Government is not responsible for errors, omissions, or delays in the transmission of telegrams, nor for the non-transmission of any telegram.

2. Printed forms, upon which telegrams should be written, may be obtained at all Stations on application; but all telegrams, whether written upon the prescribed form, upon any other printed form, or upon plain paper, will be considered as presented for transmission under the several conditions contained in these regulations.

3. All telegrams presented for transmission must be written in ink, in a clear and legible manner; they shall contain a proper address, and bear a genuine signature in the usual handwriting of the sender.

4. In order to prevent errors in the transmission of telegrams, all words must be written in full, and no abbreviation will be allowed. It is advisable to write all numbers in words in full, and not in figures.

5. Telegrams will be transmitted in the following order of priority:—

(1.) Telegrams of the General or Provincial Government marked *urgent*—General Government telegrams having precedence.

(2.) Telegrams relative to the arrest of criminals or persons accused, or the discovery or prevention of crime.

(3.) Telegrams relating to cases of pressing emergency, such as accident, sickness, or death, may be transmitted in priority to any others.

Subject to the above exceptions, all telegrams will be transmitted in the order in which they may be received by the Officers of the Department.

6. In order to prevent a monopoly of the line by any one company or individual, when several telegrams are presented for transmission about the same time, and any one of these telegrams is of considerable length, then no officer shall transmit more than two hundred words of any such telegram at one time.

7. Telegrams may be written in cypher, which will be counted according to the following scale, whether for figures or letters:—Separate cyphers count as one word; groups of five cyphers, or fractional part of five cyphers, count as one word; groups exceeding five cyphers are counted at the rate of five cyphers to the word, and any fractional portion remaining is to be counted as one word.

8. Where cyphers are used, the sender is recommended to pay for the repetition of such telegram, in order to insure accuracy.

9. In the event of serious delays occurring through accident to the lines which may prevent the transmission of a telegram within a reasonable time, or may destroy the value of any telegram, notice thereof will be sent to the sender of such telegram, should his address be known. The sender may, on a written application to the Officer in Charge of the Station at which such telegram was presented and paid for, receive back the amount paid thereon, and the telegram will be cancelled.

10. Telegrams will be delivered free of charge within one mile of the Station to which they may be transmitted by wire; but if required to be delivered beyond that distance, cab or omnibus fares, or horse hire, will be charged, as may be found necessary. All telegrams requiring to be delivered on shipboard, or on the water, or across the water, will bear an extra charge to defray any boat expenses incurred.

11. When the sender of a telegram desires it, the reply to such telegram may be prepaid, and the messenger will be instructed to wait for such prepaid reply for the space of ten minutes; after which time the reply must be forwarded to the Station by the receiver of the original telegram. Persons presenting for transmission a "Reply-paid" message which has already been paid for, must distinctly state this at the time of its presentation.

12. Should the sender of a telegram desire to have the telegram repeated, to insure accuracy, such repetition will be made at a charge of half the rate of the original telegram.

13. On special occasions, when Telegraph Stations are kept open beyond the usual hours of business, a double charge will be made on all telegrams presented for transmission.

14. Telegrams may be taken from the sender with the word "Collect" written thereon, and in such case the payment for the telegram will be collected from the receiver of the telegram; but in the event of the receiver refusing to pay, the sender of the telegram shall be held responsible for the due payment thereof.

15. Telegrams may be taken from the sender of a telegram with the words "Reply-paid" written thereon, and in such case the payment for the telegram in reply will be collected from the sender of the first telegram.

GOVERNMENT LIFE INSURANCE.

1. THE GOVERNMENT LIFE INSURANCE DEPARTMENT issues all desirable forms of policies.
2. THE PAYMENT OF EVERY POLICY IS GUARANTEED BY THE COLONY.
3. PREMIUM RATES ARE LOWER than those of Private Companies, to an extent which is equivalent to a bonus in advance of from 15 to 20 per cent.
4. THESE RATES ARE UNDER THE NON-PARTICIPATING scale, and have been adjusted and indorsed by M. A. Black, Esq., Actuary, as being upon a safe and equitable basis. No disappointments or misrepresentations as to dividends or bonuses, under this system, is possible.
5. PAYMENT OF PREMIUMS.—The payments may be made during whole term of life, or during a limited period only; at an invariable annual, half-yearly, or quarterly premium, or by a single premium.
6. LIBERAL CONDITIONS as to travelling, residence, &c. :—
 - a. Policy-holders may travel or reside in any part of the world, except within 25 degrees of the equator, without license or payment of extra premium.
 - b. Policy-holders may change their occupation without license or payment of extra premium.
 - c. Death by suicide (except within twelve months of the date of the policy), by duelling, or by the hands of Justice, does not void any policy.
 - d. No policy becomes void by any act of the deceased, so far as regards the interest of any third persons, provided such act is done without their knowledge, and that they pay the additional premium required, if any, as soon as such act comes to their knowledge.
7. ALL POLICIES, after five years' duration, ARE INDISPUTABLE and UN-CHALLENGABLE on any grounds whatever connected with the statements on which the assurance was based, provided the age of the insured has been admitted.
8. ALL POLICIES, after five years' duration, ARE FREED FROM ALL CONDITIONS, except the payment of premium, provided the age of the insured has been admitted, and he has attained thirty years of age. Holders of such policies can voyage or reside in any part of the world, without license or payment of extra premium.
9. ALL POLICIES ARE NON-FORFEITABLE after one full annual payment to the full extent of their value, under a special regulation providing for the continuance in force of every policy for the original amount, until the surrender value of the policy, as defined by the regulation, is exhausted, thus giving to every policy-holder a full equivalent for every premium paid. The following Table illustrates the practical working of this just and wise provision :—

Age of Insured.	NUMBER OF PREMIUMS PAID,									
	1 Prem.		2 Prem.		3 Prem.		4 Prem.		5 Prem.	
	yrs.	days.	yrs.	days.	yrs.	days.	yrs.	days.	yrs.	days.
35	1	3	2	12	3	27	4	46	5	56
40	1	49	2	96	3	125	4	123	5	86

The columns headed "yrs." "days," show the term for which a policy will be continued in force after non-payment of premium, according to age and premiums paid.

10. ABSOLUTE SECURITY FROM LOSS.—Insurers, after having paid three full annual premiums, are guaranteed a cash surrender value of not less than 40 per cent. of the paid-up premiums; and if for any reason the premiums are not paid when due, a *paid-up* policy will be issued, generally equal in amount to the premiums paid, and often much in excess.

11. THIRTY DAYS OF GRACE are allowed on all Renewal Premiums, and no policy is absolutely forfeited for non-payment of premium unless the premium remains unpaid for 12 months. Such policies may be renewed, provided the premiums in arrear and a fine are paid, and the insured is in good health.

12. A POLICY-HOLDER may at any time direct that, instead of the sum insured being paid at his death, it shall be converted into an annuity payable to a nominee.

13. POLICIES PROTECTED FROM BANKRUPTCY.—An insurance policy effected by the insured, *bonâ fide* on his own life, is protected from bankruptcy or insolvency laws to a certain amount, which increases with its duration. Thus, after it has endured for two years, it is protected to the extent of £200.

After five years	...	...	...	...	to £500
After seven years	...	...	...	...	to £1,000
After ten years	...	...	...	...	to £2,000

This protection applies only in favour of the personal representative of the insured.

14. MARRIED WOMEN MAY EFFECT POLICIES: dispose of the money by will, as if single, and their policies are protected from the debts of their husbands, according to duration, to amounts similar to those stated above.

15. SETTLEMENT POLICIES.—Policies effected for the benefit of the wife and children of the insured are from the date of issue absolutely protected from the claims of creditors to the extent of £2,000, provided that the premiums are payable during life, or any period not less than seven years.

16. PROBATE &c. DISPENSED WITH.—When a claim under a policy does not exceed £200, the Commissioner may dispense with the production of probate or letters of administration, thus saving great expense to the representatives of the insured.

17. EXEMPTION FROM TAXATION.—Annuities, policies, powers of attorney authorizing the receipt of moneys, and receipts for moneys payable under the Acts, are exempted from all taxation, and from stamp duty.

18. NO POLICY or Medical Fees charged.

19. PROMPT PAYMENT OF CLAIMS, and no discount charged.

NOTE.—Forms of application and full particulars may be obtained at any Money Order Post Office in the Colony.
