Trade Circulars or prices current, published in the colony, and registered at the General Post Office for transmission by Post, may be forwarded at the rates enumerated in the rates of postage, page 33.

BOOK POST.

The following are the regulations of the Inland Book Post:—

- (1.) The postage is one penny not exceeding one ounce; twopence not exceeding two ounces; fourpence not exceeding four ounces; eightpence not exceeding half a pound; and fourpence for every additional four ounces or fraction of four ounces. Book packets which may be insufficiently prepaid will be treated as described in section 8.
- (2.) Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being examined. For the greater security of its contents, the packet may be tied at the ends with string, but in such case the Postmaster is authorized to cut the string, although if he do so he must again tie up the packet.
- (3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass or in cases containing glass or such like substance), drawings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or

(8.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet will be charged with a fine equal in amount to the postage to which the packet was liable as a packet of patterns.

PATTERN AND SAMPLE POST TO PLACES BEYOND THE COLONY.

Patterns and samples may be sent at the rates enumerated in the Table of Postage Rates at page 33 to such countries as are marked in that table with the letter *p*. The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

(1.) A packet of patterns or samples sent *via* the United Kingdom to Portugal, Madeira, the Azores, Cape de Verdes, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed eighteen inches in length, width, or depth; a packet to any other place abroad must not exceed twenty-four inches in length or twelve inches in breadth or depth.

(2.) A packet of patterns or samples sent to Germany, Russia, Belgium, Turkey, Moldavia, Wallachia, &c., *via* the United Kingdom and Belgium, or to any place *via* Austria, must not exceed eight ounces in weight, and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verdes is limited to one pound.

(3.) None of the articles named in rule 8 above may be sent as patterns or samples to any place abroad except the United States of America, Germany, Belgium, Holland, Denmark, Sweden, Norway, Turkey, Moldavia, Wallachia, Portugal, Madeira, the Azores, Cape de Verdes, and the British Colonies.

(4.) Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland; and samples of intrinsic value must not be sent to foreign countries, except the United States, and to France and Germany.

Labels should be placed on the front of the letter, and upon the right-hand corner of the upper side. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which have been previously used.

Receipt or duty stamps cannot be used in place of postage stamps, nor can postage stamps which have been torn, cut, or otherwise rendered imperfect, be used.

The halfpenny postage stamp must not be affixed to letters.

English postage stamps may be obtained by persons desirous of sending a stamp or stamped envelope to their relatives or friends in the United Kingdom, in order to relieve them of the cost of the postage when sending replies. *These stamps cannot be purchased in quantities, nor are they permitted to be used for the purpose of making remittances.*

REGULATIONS AND CONDITIONS UNDER WHICH TELEGRAMS ARE AUTHORIZED TO BE TRANSMITTED BY THE TELEGRAPH BELONGING TO THE GENERAL GOVERNMENT OF NEW ZEALAND.

1. The Government is not responsible for errors, omissions, or delays in the transmission of telegrams, nor for the non-transmission of any telegram.

2. Printed forms, upon which telegrams should be written, may be obtained at all Stations on application; but all telegrams, whether written upon the prescribed form, upon any other printed form, or upon plain paper, will be considered as presented for transmission under the several conditions contained in these regulations.

3. All telegrams presented for transmission must be written in ink, in a clear and legible manner; they shall contain a proper address, and bear a genuine signature in the usual handwriting of the sender.

4. In order to prevent errors in the transmission of telegrams, all words must be written in full, and no abbreviation will be allowed. It is advisable to write all numbers in words in full, and not in figures.

5. Telegrams will be transmitted in the following order of priority:—

(1.) Telegrams of the General or Provincial Government marked *urgent*—General Government telegrams having precedence.

(2.) Telegrams relative to the arrest of criminals or persons accused, or the discovery or prevention of crime.

(3.) Telegrams relating to cases of pressing emergency, such as accident, sickness, or death, may be transmitted in priority to any others.

Subject to the above exceptions, all telegrams will be transmitted in the order in which they may be received by the Officers of the Department.

6. In order to prevent a monopoly of the line by any one company or individual, when several telegrams are presented for transmission about the same time, and any one of these telegrams is of considerable length, then no officer shall transmit more than two hundred words of any such telegram at one time.

7. Telegrams may be written in cypher, which will be counted according to the following scale, whether for figures or letters:—Separate cyphers count as one word; groups of five cyphers, or fractional part of five cyphers, count as one word; groups exceeding five cyphers are counted at the rate of five cyphers to the word, and any fractional portion remaining is to be counted as one word.

8. Where cyphers are used, the sender is recommended to pay for the repetition of such telegram, in order to insure accuracy.

9. In the event of serious delays occurring through accident to the lines which may prevent the transmission of a telegram within a reasonable time, or may destroy the value of any telegram, notice thereof will be sent to the sender of such telegram, should his address be known. The sender may, on a written application to the Officer in Charge of the Station at which such telegram was presented and paid for, receive back the amount paid thereon, and the telegram will be cancelled.

10. Telegrams will be delivered free of charge within one mile of the Station to which they may be transmitted by wire; but if required to be delivered beyond that distance, cab or omnibus fares, or horse hire, will be charged, as may be found necessary. All telegrams requiring to be delivered on shipboard, or on the water, or across the water, will bear an extra charge to defray any boat expenses incurred.

11. When the sender of a telegram desires it, the reply to such telegram may be prepaid, and the messenger will be instructed to wait for such prepaid reply for the space of ten minutes; after which time the reply must be forwarded to the Station by the receiver of the original telegram. Persons presenting for transmission a "Reply-paid" message which has already been paid for, must distinctly state this at the time of its presentation.

12. Should the sender of a telegram desire to have the telegram repeated, to insure accuracy, such repetition will be made at a charge of half the rate of the original telegram.

13. On special occasions, when Telegraph Stations are kept open beyond the usual hours of business, a double charge will be made on all telegrams presented for transmission.

Telegrams are now received for transmission to any place in Victoria, South Australia, New South Wales, and Queensland. These telegrams will, at the option of the sender, either be despatched from this colony through the Post Office as ordinary free letters to the address given in the message, or they will be forwarded to be telegraphed to destination; the Australian rates being collected from the receiver. The sender will note in the instructions on the message how he wishes his message dealt with,—whether to be posted as a letter at the final port of departure in New Zealand, or to be forwarded from there to the telegraph station at the port where the steamer is bound to, and to be telegraphed from thence to its final destination.

In the first case, he will write in instructions, if to be treated as a letter, "To be posted;" in the latter, if to be telegraphed on arrival in Australia, he will state in instructions, "To be telegraphed."

TELEGRAMS FOR TASMANIA AND WESTERN AUSTRALIA.

In the case of telegrams for Tasmania and Western Australia, the same can only be treated as letters, and posted as such from the final port of departure in New Zealand.

GOVERNMENT LIFE INSURANCE.

1. THE GOVERNMENT LIFE INSURANCE DEPARTMENT issues all desirable forms of policies.

2. THE PAYMENT OF EVERY POLICY IS GUARANTEED BY THE COLONY.

3. PREMIUM RATES ARE LOWER than those of Private Companies, to an extent which is equivalent to a bonus in advance of from 15 to 20 per cent.

4. THESE RATES ARE UNDER THE NON-PARTICIPATING scale, and have been adjusted and indorsed by M. A. Black, Esq., Actuary, as being upon a safe and equitable basis. No disappointments or misrepresentations as to dividends or bonuses, under this system, is possible.

5. PAYMENT OF PREMIUMS.—The payments may be made during whole term of life, or during a limited period only; at an invariable annual, half-yearly, or quarterly premium, or by a single premium. The rates for any description of Life Insurance not given in the published Tables may be obtained at the Head Office in Wellington.

6. LIBERAL CONDITIONS as to travelling, residence, &c. :—

a. Policy-holders may travel or reside in any part of the world, except within 25 degrees of the equator, without license or payment of extra premium.

b. Policy-holders may change their occupation without license or payment of extra premium.

c. Death by suicide (except within twelve months of the date of the policy), by duelling, or by the hands of Justice, does not void any policy.

d. No policy becomes void by any act of the assured, so far as regards the interest of any third persons, provided such act is done without their knowledge, and that they pay the additional premium required, if any, as soon as such act comes to their knowledge.

7. ALL POLICIES, after five years' duration, ARE INDISPUTABLE and UNCHALLENGABLE on any grounds whatever connected with the statements on which the assurance was based, provided the age of the insured has been admitted.

8. ALL POLICIES, after five years' duration, ARE FREED FROM ALL CONDITIONS, except the payment of premium, provided the age of the insured has been admitted, and he has attained thirty years of age. Holders of such policies can voyage or reside in any part of the world, without license or payment of extra premium.

9. ALL POLICIES ARE NON-FORFEITABLE after one full annual payment to the full extent of their value, under a special regulation providing for the continuance in force of every policy for the original amount, until the surrender value of the policy, as defined by the regulation, is exhausted, thus giving to every policy-holder a full equivalent for every premium paid. The following Table illustrates the practical working of this just and wise provision :—

Age of Insured.	NUMBER OF PREMIUMS PAID,									
	1 Prem.		2 Prem.		3 Prem.		4 Prem.		5 Prem.
