The name of the Post Office at Coldstream (Christchurch) has been changed to Ealing.

The Post Offices at Ohiwa (Auckland) and Paroa (Greymouth) have been re-opened.

The following Post Offices have been closed:—Adelaide Road (Wellington); Mahakipawa (Blenheim); Rochfort and Zala Town (Westport); Addington, Bingsland, Caledonian Road, Cashel Street East, Knightstown, Phillipstown, and St. Albans (Christchurch); Anderson's Bay, Big Bay, Forbury, Kaikorai, Kensington, Kew, Mornington, Murrayville, North-East Valley, The Glen, Upper Waikana, Waikari (Dunedin); and Lowther (Invercargill). Many of the above offices have been closed consequent on the establishment of Suburban Letter-carriers' Deliveries. In most cases the offices so closed have been made Receiving Offices.

Money Order and Savings Bank Offices have been opened at Takapau (Napier), Halcombe (Wellington), Wakefield (Nelson), and Caversham (Dunedin).

Receiving Offices have been established at the following places:—

Riddiford Street, Wellington (M. O'Grady).
Adelaide Road, Wellington (J. A. Sorwell).
Taranaki Street, Wellington (— McDonough).
Addington, Christchurch (W. Wells).
Bingsland, Christchurch (Jas. Brockett).
Caledonian Road, Christchurch (G. Hawkes).
Cashel Street East, Christchurch (J. Otley).
Knightstown, Christchurch (W. Crabbtree).
Phillipstown, Christchurch (Jas. Williams).
St. Albans, Christchurch (D. Pine).
Thames Street, Oamaru (Aitken's).
Ure Street, Oamaru (Bunting's).
The Glen, Dunedin (Jas. Thomas).
Caversham, Dunedin (R. Wilson).
Kew, Dunedin (A. J. Larking).
Forbury, Dunedin (P. Scanlan).
North-East Valley, Dunedin (H. McCutcheon).
North-East Valley, Dunedin (W. J. Prictor).
Murrayville, Dunedin (T. W. Bunting).
Opoho, Dunedin (J. Tearon).
Waikari, Dunedin (W. T. Bunting).
Kaikorai Hill, Dunedin (Angus Ross).
Kaikorai Valley, Dunedin (C. Taylor).
Mornington, Dunedin (W. McNee).
Mornington, Dunedin (W. Moyle).
Anderson's Bay, Dunedin (James Walker).
Kensington, Dunedin (Chas. Crapp).

Suburban Letter-carriers' deliveries have been arranged to be made at Wellington, Christchurch, Dunedin, and Auckland. At the three first-named places the new deliveries will come into operation on the 2nd instant. The Auckland suburban deliveries will commence about the 14th instant.

The deliveries at Napier will shortly be extended to the Suburban Hills.

A delivery by Letter-carrier has also been established at Lawrence (Dunedin), 1.30 p.m.

A Branch Post Office will be opened at the Constabulary Barracks, Taranaki Street, Te Aro, Wellington, on the 13th instant. This office will also be a Money Order and Savings Bank Office. It will also be a receiving and distributing office for telegrams.

Telegraph Stations have been opened at Driving Creek (Coromandel) and Halcombe (Wellington). The Telegraph Station at Tokatea (Coromandel) has been closed.

The new Inland Mail Contracts throughout both Islands commence from the 1st instant. Increased frequency of communication has been established along several of the more important mail routes, notably Hawera and New Plymouth, thrice weekly instead of twice weekly as formerly. This service is now performed *via* the Mountain Road connecting with the railway at Inglewood. Palmerston North, and Kopua, thrice weekly instead of twice weekly. There is now therefore thrice weekly communication overland between Wellington and New Plymouth and Wellington and Napier.

A weekly service by coach has been established between Auckland and Waiwera (the Hot Springs).

In connection with the Sheffield and Hokitika Service a branch service has been arranged between Goodfellows and Kumara, which will considerably accelerate the arrival of the Christchurch mails at Greymouth.

A daily 18-knot mail service has been established on Lake Wakatipu, between Kingston and Queenstown, to connect with the trains between Invercargill and Kingston.

In many cases small offices on the main lines of road will, owing to diversions of the mail routes, be less frequently served than formerly. This, however, is unavoidable.

The English Mail Time Tables for the San Francisco, Suez, and Torres Straits routes for the present year will be found on pages 2, 3, and 4 of the Guide respectively. With regard to the first-named, it may be remarked that arrangements have been made whereby the coastal mail steamer will await at Lyttelton the arrival of the Friday express train from Dunedin. This will give the Dunedin and Invercargill offices the advantage of nearly another day in the time of closing their outward mails.

The time occupied on the homeward voyage *via* Suez has, under the new time table, been reduced by two days.

From the 1st January, the Post Offices at Wanganni, Timaru, and Oamaru have been constituted Chief Offices. The offices which have been made subordinate to the respective Chief Offices above mentioned will be found duly noted in the Guide under their new Head Offices. In this connection it is considered desirable to state, for the information of Savings Bank depositors, that accounts now open at any office which has been made subordinate to one or other of the newly-constituted Chief Offices cannot be operated on until they have been transferred to such new district offices. Depositors should, therefore, forward their pass-books, so that the accounts may be promptly transferred.

The Railway Time Table for the Invercargill and Dunedin Section could not be made available for this issue of the Guide, but the through running of the Invercargill and Dunedin mail-train is, however, shown.

Travelling Post Offices have been established, for the convenience of the public, on the Dunedin and Christchurch line of railway. An officer of the department accompanies each through mail train, and correspondence posted in the van is disposed of in transit. A travelling Post Office will also be established on the Dunedin and Invercargill Section when the line is opened for traffic.

Attention is directed to the Regulations under "The Public Trust Office Act, 1872," on pages 98 and 99.

The Contract for the carriage of the Suez English Mails between New Zealand and Melbourne provides for the receipt and despatch of Mails within given dates at and from the Ports of the Bluff, Port Chalmers, Lyttelton, and Wellington only. The closing of the Suez mails at Auckland, Thames, New Plymouth, Westport, Nelson, Blenheim, Picton, and Napier should be regulated by the date of the departure of the mail steamer from Wellington; and at Greytown and Kaitika by the date of the departure of the steamer from Lyttelton.

WINDOW DELIVERIES.

Deliveries from the windows are made from 9 a.m. to 5 p.m. on week days, but at certain Post Offices specially authorized by the Postmaster-General, the windows may be closed during the periods of sorting and despatching mails. When English mails arrive on a Public Holiday, the windows will be open for delivery for two hours.

SEABORNE MAILS.

Seaborne mails, as a general rule, are closed one hour previous to the despatch of the mails from the Post Offices; and at Christchurch and Dunedin late letters may be posted in the Guard's Van at the respective Railway Stations until the hour of departure of the trains for Lyttelton and Port Chalmers, provided such letters bear, in addition to the ordinary postage, a further single rate of postage as a late fee. Late letters should not be posted at the Iron Pillar Receiver, Christchurch Railway Station.

PRIVATE BOXES AND BAGS.

Private letter-boxes are provided for merchants and others upon payment, in advance, of the following fees:—

For a term exceeding six calendar months and not exceeding one year, one pound (£1).
 For a term not exceeding six calendar months, ten shillings (10s.).

All such fees to be paid in advance: Provided that no private box shall be let save for a term ending on the 30th day of June or the 31st day of December next after the day on which the same shall be let; and that, where there are two or more applicants for the same box at the same time, the preference shall be given to the person desiring to have the same for the longest term.

Persons residing upon mail routes requiring the accommodation of private bags can obtain the same upon payment, in advance, of the under-mentioned fees to the Chief or Head Postmaster of the district, and subject to the following regulations:—

1. The fees payable for private mail bags shall be—For a term exceeding six calendar months and not exceeding one year, two pounds (£2); for a term not exceeding six calendar months, one pound (£1). Provided that no private mail bag shall be let save for a term ending on the 30th day of June or the 31st day of December next after the day on which the same shall be let.

2. The bag must be of leather, with a lock and two keys, and provided and kept in repair at the cost of the person requiring it.

3. The Postmaster must securely lock the bag before despatching it, and it must be returned to the Postmaster in the same manner.

4. The bag must only contain correspondence for persons connected with the establishment of the owner of the bag, or who may be in his employment; and it must be distinctly understood that such owner is responsible for the postage of all unpaid letters, and for returning receipts for all those which may be registered.

A mail contractor is bound to convey and deliver, free of charge, all private bags given to him by Postmasters, but is not required to deviate from the prescribed mail route, and is on no account to be delayed. Should the return bag not be ready at the appointed time and place, the Contractor is not required to wait for it.

UNCLAIMED LETTERS.

On the first day of each month a list is exhibited at each Post Office in the Colony of the addresses of all letters received from places beyond the Colony that have remained unclaimed for one month at such Post Office; and such of these letters as remain unclaimed at the end of a further period of two months are then forwarded to the Dead Letter Office, to be returned unopened to the countries where they originated. Unclaimed letters originating in the Colony are not advertised, but at the end of two months are forwarded to the Dead Letter Office, Wellington, there to be opened and returned to the writers.

Rates of Postage, and Conditions of Transmission.

All letters, newspapers, book and pattern parcels, and prices current, posted in New Zealand, must be prepaid by postage stamps.

INLAND LETTERS.

Letters posted in New Zealand for places within the Colony, not properly prepaid will be forwarded charged with double the amount of deficiency. For rates of postage on town and inland letters, see page 44.

Late letters for despatch by steamers will be received until within twenty minutes of the despatch from the Post Office, provided such letters bear, in addition to the full postage, a further single rate of postage as a late fee.

Late letters placed on board mail steamers must also bear, in addition to the full postage, a further single rate of postage as a late fee. When such letters are posted unpaid, or insufficiently paid, they will be charged, on delivery, with double the deficient postage and the late fee.

Letters redirected from one part of the Colony to another are chargeable with fresh rates of postage, as if they were then posted for the first time, prepayment being optional.

CONSIGNEES' LETTERS.

Consignees' letters, when received loose from vessels for delivery through the Post Office, are not treated as ordinary loose letters, but allowed to pass at the single rate of postage (twopence per half-ounce), whether for town or country delivery.

Letters posted altogether unpaid will be taxed the above rate, and letters partly prepaid simply the deficiency.

The words "Consignees' Letters," or "Consignee," should always appear on the face of letters to be granted the privilege.

LETTERS FOR PLACES BEYOND THE COLONY.

The rates of postage on letters to the United Kingdom, the Australian and other British Colonies, and Foreign Countries, are enumerated in the Table of Rates of Postage, at page 46.

Letters posted in the Colony for the United Kingdom, the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, Western Australia, and United States of America, although insufficiently prepaid, if bearing postage stamps of the value of at least one single rate, will be forwarded charged with the deficient postage, together with an additional single rate as a fine; and in the case of a letter for the United Kingdom, marked *via* Brindisi, but not bearing a single rate for such route (*i.e.*, eightpence), it will be forwarded *via* Southampton, if bearing stamps of the value of sixpence. When less than one single rate has been prepaid on letters for either the above-mentioned places, and less than the full rates on letters for all other places, such letters will be detained.

Late letters for places beyond the Colony will be received until twenty minutes before the hour of despatch from the Post Office, provided such letters bear, in addition to the full postage, a further single rate of postage as a late fee.

Late letters placed on board steamers must also bear, in addition to the full postage, a further single rate of postage as a late fee.

Letters re-directed to the United Kingdom, the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, and Western Australia, respectively, are charged with a new and distinct rate of postage—prepayment optional; the postage on re-directed letters for all other places beyond the Colony must be prepaid.

Re-directed letters received from places beyond the Colony, on which the re-direction postage has not been prepaid, will be charged full postage rates on delivery.

Letters, &c., received at any Post Office in the Colony from places beyond the Colony, which have not been regularly posted at the place of despatch, will be charged with full postage, according to the rates fixed in the Table of Postage Rates, unless they are letters which it is not compulsory by law to send by post, in which case they are chargeable with the inland letter rate of postage only.

POST CARDS.

Penny Post Cards for transmission between places in New Zealand, and also to certain other places, hereafter mentioned, at letter rates, may be purchased at any Post Office or from any licensed stamp vendor.

The front or stamped side of the card is for the address only, and, beyond the written or printed address, nothing whatever must be printed or written upon that side of the card. On the reverse side, any communication, whether of the nature of a letter or otherwise, may be printed or written. Nothing whatever may be attached to the card, nor may it be folded, cut, or otherwise altered. If any of the above conditions be infringed, the card shall be charged one penny on delivery.

An exception, however, has been made in the case of post cards used for receipt purposes, to the back of which a duty stamp may be affixed.

No cards other than those issued by the Government, or private cards stamped by the Government with a penny stamp, under the special authority of the Postmaster-General, can be used for the purpose of making a written communication through the Post Office, unless such cards be prepaid the ordinary full letter postage.

Any post card observed to bear upon it anything of an obscene, libellous, or obviously objectionable nature, will be detained and sent to the Dead Letter Office for disposal.

When, owing to a great and unusual influx of letters, books, &c., the transmission of letters would be delayed if the whole mail were dealt with without distinction, post cards (unless paid for and posted as letters) may be kept back until the next despatch or delivery.

Post cards may be transmitted to the Colonies of Victoria and South Australia under the same conditions as they are transmitted within New Zealand, except that in addition to the impressed stamp they must have an extra penny stamp affixed to them.

All post cards addressed to other places out of New Zealand will be detained, and sent to the Dead Letter Office for disposal.

Private cards will be received from the public, and impressed with the penny postage stamp, under the following conditions:—A week's notice must be given by the applicant, and a sample of the card to be used should be forwarded for the Postmaster-General's inspection. None but card of approved quality and colour will be accepted. Each sheet must be of the size of 22 inches by 15 inches, and must not exceed two ounces in weight. Not fewer than fifty sheets of card can be received at one time. On each sheet presented for impression, the applicant's name or monogram must be embossed or printed, and any printing must be thoroughly dry. Cards when impressed will be returned to the applicant in sheets of twenty-one impressions. No fee will be charged for stamping. Cash must accompany all cards to be impressed. No commission will be allowed upon private cards impressed for licensed vendors.

NEWSPAPER WRAPPERS.

Newspaper wrappers are issued by the Department.

The wrappers are intended for the transmission through the post of newspapers within New Zealand; but they may also be used for forwarding newspapers to places beyond the colony, on prepayment of the additional postage.

An extra charge of one penny per eighteen wrappers is made, to cover the cost of paper, &c.

The wrappers are made up and sold in the following parcels:—18 wrappers for 10d.; 270 wrappers for 12s. 6d.; 540 wrappers for 25s.; 1,080 wrappers for 50s.

INLAND PATTERN AND SAMPLE AND PARCEL POST.

The regulations prohibiting any complete article having a value of its own, parcels of goods sent for sale, or in execution of an order (however small the quantity), and also articles sent by one private individual to another, which were not actually patterns or samples, being sent by pattern and sample post, are hereby repealed.

Every article of merchandise, whether raw or manufactured, and of a character not likely to injure the contents of the mail bags, or to do bodily harm to any officer of the Post Office, is now accepted, under the regulations of the inland pattern and sample and parcel post.

The following are the rules of the inland pattern and sample and parcel post:—

- (1.) A pattern sample or parcel packet may contain patterns, samples, or articles of merchandise, goods sent for sale or in execution of an order, or any articles sent by one private individual to another; seeds, cuttings, bulbs, roots, and scions may also be forwarded.
- (2.) The postage is one penny not exceeding two ounces; twopence not exceeding four ounces; and one penny for every additional two ounces or fraction of two ounces.
- (3.) No packet must exceed two feet in length or one foot in width or depth, nor must it exceed five pounds in weight; any packet exceeding that weight will be sent to the Dead Letter Office.
- (4.) There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender and the nature of the contents, a trade mark and numbers, and the prices of the articles, otherwise the packet will be charged double letter postage. The name and address of the sender of any parcel should invariably be given, so that, if for any reason the packet cannot be forwarded or delivered, it may be returned to the sender.
- (5.) There must be no enclosure other than the articles themselves. The particulars which are allowed to be furnished under the preceding rule, as to the trade marks and numbers, and the prices of the articles, must in all cases be given, not on loose

pieces of paper, but on small labels attached to the articles or the bags containing them. Should this rule be infringed, the packet will be charged double letter postage.

- (6.) A pattern, sample, or parcel packet must be sent in stout and durable covers, open at the ends, so as to be easy of examination. Seeds, drugs, &c., may be enclosed in tin boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of seeds in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be charged double letter postage.
- (7.) Insufficiently paid packets will be treated as described in section 10 of the Inland Book Post Regulations.
- (8.) In order to prevent any interruption to the regular transmission of letters, any packet may, when it is necessary, be kept back by any Postmaster until the following despatch.
- (9.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded, it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet will be charged with a fine equal in amount to the postage to which the packet was liable as a packet of patterns.

Packets or parcels containing gold, silver, jewellery, &c., cannot be forwarded under the inland pattern and sample and parcel post regulations, but they may be sent as letters.

Parcels containing gunpowder, glass, any perishable substance such as leeches, game, fish, flesh, fruit, vegetables, &c., any liquid (except liquid medicine), matches, or other inflammable or explosive substance, or compound poison, or whatever is dangerous to the mails, or offensive or injurious to the persons dealing with the mails, shall not be transmitted by the post whether as a parcel or otherwise. Postmasters must refuse to transmit by post any parcel which shall contain, or be reasonably suspected to contain, any such articles. Liquid medicines strongly packed in tin cases, and marked "Liquid Medicine," may, however, be posted.

INLAND BOOK POST.

The following are the regulations of the inland book post:—

- (1.) The postage is one penny not exceeding two ounces; twopence not exceeding four ounces; and one penny for every additional two ounces or fraction of two ounces. Book packets which may be insufficiently prepaid will be charged with double the deficiency.
- (2.) An inland book packet must be sent either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing-wax, postage stamp, or otherwise), or in a cover entirely open at both ends or sides, so as to admit of the contents being easily withdrawn for examination. For the greater security of the contents, the packet may be tied at the ends with string, but in such case Postmasters are authorized to cut the string, although if they do so they must again tie up the packet.
- (3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters intended for transmission in identical terms to several persons), photographs (when not on glass or in cases containing glass or such like substance), drawings, engravings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, is allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps; markers (whether of paper or otherwise) in the case of books; pens or pencils in the case of pocket-books, &c.; and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto.
- (4.) A book packet may also comprise bills of lading, printed catalogues, manuscript of books or pamphlets (if plainly superscribed as such, together with the name of the sender), music (written or printed, and, in the case of proof sheets, manuscript corrections), paintings, pass-books, printed placards, printers' proofs (indorsed as such on the covers), scrip, deeds, policies of assurance, insurance policies, filled-in

forms of insurance and assurance proposals (and other printed documents connected therewith), plans, powers of attorney, specifications, prospectuses, returns (if filled in in accordance with the printed headings, and without note or any comment whatever), invoices, legal documents, recognizances, drafts, and, in fact, any written or printed communication not of the character of an actual and personal correspondence, may pass as articles within the meaning of the Inland Book Post Regulations.

- (5.) Press manuscript intended for publication is not regarded as actual and personal correspondence, provided the packet bears the words "Press Manuscript," and is addressed to the office of any newspaper published within the colony. If posted in accordance with the foregoing directions, press manuscript will be permitted to pass at book-packet rates of postage.
- (6.) No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is even recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned. A book may also contain a manuscript dedication, or a complimentary inscription from the author. Passages in the text to which it is desired to call attention may be marked with a simple stroke.
- (7.) No book packet must exceed two feet in length, or one foot in width or depth,—nor must it exceed five pounds in weight; and if any such packet be presented at a Post Office it will not be received.
- (8.) Any packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written in it, or upon its cover, will be charged double letter postage.
- (9.) If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be charged double letter postage, and forwarded to its address.
- (10.) If a book packet be not sufficiently prepaid with stamps, but nevertheless bear stamps of the value of one rate, it will be forwarded charged with double the deficiency. Book packets posted wholly unpaid will not be forwarded.
- (11.) All *bond fide* printed or lithographed matter enclosed in envelopes slit or partially open at the ends, and *having the fly turned inside*, instead of being gummed over in the usual manner, is permitted to pass through the post at book-post rates.

Legal documents include acts or deeds of all kinds drawn up by public functionaries, copies or extracts of deeds under private seal, and in general all manuscript papers and documents which have not the character of an actual and personal correspondence.

It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.

The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.

NEWSPAPERS.

1. All newspapers published in the colony, and registered at the General Post Office for transmission by post, may either be forwarded like other printed matter under the regulations of the book post, or may be transmitted within the colony on payment of a postage rate of one halfpenny each in postage stamps, and to places beyond the colony at the rates set forth in the Postal Guide.

The conditions of registration are as follows, viz. :—

- (1.) The publication must consist wholly or in great part of political or other news, or of articles relating thereto or to other current topics, with or without advertisements.
- (2.) It must be printed and published in the Colony of New Zealand, and must be published in numbers at intervals of not more than one month.
- (3.) The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation extends to "Tables of Contents" and "Indices."

- (4.) A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. The supplement must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page, or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side. The added matter must be a genuine supplement, that is, matter supplied in order to complete that to which it is added or supplemented, but left out of the regular issue for want of space, time, or greater convenience. As used in relation to newspapers, a supplement is held to be matter proper to be inserted in the newspaper to which it is supplied, but has not been for want of space, or want of time, or because it is more convenient regarding space or time, or either, that it should be printed on a separate sheet.
2. A newspaper must not contain any enclosures other than the supplement or supplements proper to the newspaper, nor any writing or other mark thereon, beyond the name and address of the person to whom it is sent, nor anything on the cover but the name and address, the printed title of the newspaper, and the printed name and address of the publisher or vendor who sends it. *Insets, advertising sheets, or handbills* placed between the pages of newspapers, but having no connection with such publications as properly parts thereof, will subject the entire packages to letter rates of postage.
3. If a newspaper addressed to any place within the colony be found to contain writing or any enclosure, it must be forwarded to its destination charged according to its weight, with the full rate of letter postage from the country where it originated; but if such newspaper be addressed to any place beyond the colony, it must be detained, and in due course sent to the Dead Letter Office.
4. If more than one newspaper be enclosed in a packet addressed to any place within the colony, and for which the full amount of postage has not been paid, a charge of one penny must be made for each extra newspaper enclosed. Packets of newspapers posted for places beyond the colony not fully prepaid must be detained.
5. Newspapers posted in pillar-boxes, which are intended for the receipt of letters only, must, if addressed to places within the colony, be sent on charged a single rate of one half-penny; but if for places beyond the colony, they must be detained for one month in case of inquiry, and then destroyed.
6. Newspapers, if posted in single numbers, addressed to the Manager, Keeper, Clerk, Secretary, Librarian, or other person having the charge of any Athenæum, Mechanics' Institute, Hospital, Public Library, or Lunatic Asylum in the colony, are permitted to pass through the post, and to be delivered free of postage.
7. Newspapers, whether originating in the colony or beyond the colony, re-directed from one Post Office to another within the colony may be transmitted accordingly, but are chargeable with a fresh newspaper rate of one halfpenny each, which may be paid either on re-direction or delivery.
8. "Newspaper exchanges" (*i.e.*, newspapers exchanged between newspaper offices) are permitted to pass through the post free of postage, if posted in single numbers, from any newspaper office within the colony and addressed to the Editor, Proprietor, Publisher, or Manager of any newspaper published in the colony, and properly franked. The title of the newspaper, and the words "Newspaper Exchange only," must be written or printed on each cover above the address; and the frank or certificate of exchange must be signed by the authorized person, either by affixing his signature, or a *fac-simile* thereof by means of an autograph stamp. Newspaper exchanges not posted in accordance with the foregoing rules will be charged full letter rates.
9. In order to facilitate inquiry into complaints of alleged delay in transmission of newspapers through the post, the postage stamps or wrappers, as the case may be, are cancelled with the date stamp of the despatching office.
- TRADE CIRCULARS AND PRICES CURRENT.**
- Trade Circulars and Prices Current, published in the colony and registered for transmission by post, may be forwarded to any place within the colony, to Australia, Tasmania, India, the United Kingdom (unless sent *via* Brindisi), for one penny each.
- Trade circulars and prices current embrace printed or lithographed stock and share lists and market reports, and, if desired, the prices may be added in manuscript or otherwise.
- No trade circular or prices current must exceed one ounce in weight.
- FOREIGN BOOK POST.**
- The following are the regulations of the foreign book post:—
- (1.) The postage to the United Kingdom, Australian Colonies, the Dominion of Canada, and the United States of America is one penny not exceeding one ounce; twopence not exceeding two ounces; and twopence for every additional two ounces or fraction of two ounces. The postage to all other foreign places may be ascertained on reference to the table of rates of postage published from time

- to time in the New Zealand Postal Guide. Book packets which may be insufficiently prepaid will be treated as described in section 8.
- (2.) Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being examined. For the greater security of its contents, the packet may be tied at the ends with string, but in such case the Postmaster is authorized to cut the string, although if he do so he must again tie up the packet.
- (3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass or in cases containing glass or such like substance), drawings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, &c., must not be sent as a separate packet.
- (4.) No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is even recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.
- (5.) No book packet must exceed two feet in length, or one foot in width or depth, nor must it exceed five pounds in weight. The limit of weight on a book packet addressed to any of the countries comprised within the General Postal Union, a list of which appears at the end of the table of rates of postage published from time to time in the New Zealand Postal Guide, is two pounds. Packets exceeding the foregoing weights and dimensions will not be received at any Post Office.
- (6.) Any packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written in it, or upon its cover, will be charged with double letter postage, less the value of postage stamps affixed, and forwarded to its address.
- (7.) If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be charged with double letter postage, less the value of postage stamps affixed, and forwarded to its address.
- (8.) If a book packet or pattern parcel be not sufficiently prepaid with stamps, but nevertheless bear stamps of the value of one rate, it is forwarded charged with the deficient postage, together with an additional rate of fourpence in all cases, except for parcels marked for transmission *via* Brindisi, and when marked *via* Brindisi, sixpence.
- (9.) All *bond fide* printed matter enclosed in envelopes slit or partially open at the ends, and having the fly turned inside, so that the contents may be examined without cutting or tearing the envelope, instead of being gummed over in the usual manner, is permitted to pass through the post at book-post rates.
- It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.
- To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.
- The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.
- FOREIGN PATTERN AND SAMPLE POST.**
- The following are the rules of the foreign pattern and sample post:—
- (1.) A pattern parcel is a *bond fide* pattern or sample of merchandise. Goods sent for sale or in execution of an order (however small the quantity may be), or any

articles sent by one private individual to another, which are not actually patterns or samples, are not admissible.

- (2.) The rates of postage are the same as for book packets. (See clause 1 of the Foreign Book Post Regulations.)
- (3.) No packet of patterns or samples must exceed twenty-four ounces in weight; and to countries comprised within the General Postal Union the limit of weight for patterns and samples is eight ounces. Packets exceeding these weights will be sent to the Dead Letter Office.
- (4.) There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles, otherwise the packet will be treated as a letter.
- (5.) There must be no enclosure other than the samples themselves. The particulars, which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them.
- (6.) The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, &c., may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of samples of seeds in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.
- (7.) Insufficiently paid packets of patterns or samples will be treated as described in section 10 of the Inland Book Post Regulations.
- (8.) In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any Postmaster until the following despatch.
- (9.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet will be charged with a fine equal in amount to the postage to which the packet was liable as a packet of patterns.
- (10.) A packet of patterns or samples sent *via* the United Kingdom to Portugal, Madeira, the Azores, Cape de Verdes, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed eighteen inches in length, width, or depth; a packet to any other place abroad must not exceed twenty-four inches in length or twelve inches in breadth or depth.
- (11.) Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland; and samples of intrinsic value must not be sent to foreign countries.
- (12.) No letter or other packet (whether registered or otherwise) containing either gold or silver money, jewels, or precious articles, or any other article whatever, liable to Customs duties, can pass through the post to any of the countries comprised within the General Postal Union—a list of which appears at the end of the table of rates of postage published from time to time in the New Zealand Postal Guide.

Postage Stamps, Post Cards, and Newspaper Wrappers.

Every Postmaster is required to keep for sale to the public a sufficient stock of the various postage labels and post cards in use in the Colony, and to sell them at the following prices:—

	s. d.		£ s. d.
Halfpenny labels (newspapers only)	0 ½ each	Five-shilling labels	... 0 5 0 each
Penny labels	... 0 1 "	Post Cards	... 0 0 1 "
Twopenny labels	... 0 2 "	Newspaper Wrappers—	
Threepenny labels	... 0 3 "	Parcels of 18	... 0 0 10

	s. d.		£ s. d.
Fourpenny labels	... 0 4 each	Parcels of 270	... 0 12 6
Sixpenny labels	... 0 6 "	Parcels of 540	... 1 5 0
One-shilling labels	... 1 0 "	Parcels of 1,080	... 2 10 0
Two-shilling labels	... 2 0 "		

The postage stamps should be placed on the front of the letter, and upon the right-hand corner of the upper side. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which have been previously used.

Receipt or duty stamps cannot be used in place of postage stamps, nor can postage stamps which have been torn, cut, or otherwise rendered imperfect, be used.

The halfpenny postage stamp must not be affixed to letters.

The regulations relating to post cards will be found on pages 36 and 37.

English postage stamps may be obtained by persons desirous of sending a stamp or stamped envelope to their relatives or friends in the United Kingdom, in order to relieve them of the cost of the postage when sending replies. *These stamps cannot be purchased in quantities, nor are they permitted to be used for the purpose of making remittances.*

Registration.

By the prepayment of a fee of sixpence in addition to the full postage, any letter, newspaper, book, or other packet, may be registered to any place in the Colony. For registration to the United Kingdom, British Colonies, and certain Foreign Countries, see Table of Postage Rates, page 46.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Valuable articles sent in *unregistered* letters are exposed to risk; and the Department cannot in any way undertake the safe conveyance of such packets. All Inland, British, or Colonial letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of one shilling, in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the Colony, the United Kingdom, or the British Colonies*, be liable to a double registration fee.

Letters may be registered during the ordinary office hours, and for despatch by any mail, one hour before the closing of such mail. No letter-carrier, messenger, or other servant of the Post Office is allowed to carry a letter for any person to be registered.

A registered letter, which has not been delivered, when re-directed to any place within the Colony, is not liable to any further charge than an ordinary re-directed letter. If, however, a registered letter be re-directed to any place without the Colony, the second postage and registration fee must be prepaid.

No letter or other postal packet addressed to initials, or to a fictitious name, can be registered.

Delivery.

Letter-carriers and messengers are prohibited from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except such as have passed through a Post Office. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, nor to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities.

No person living within the town free delivery, can claim to have his letters delivered at the office window if a delivery by letter-carrier is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by letter-carrier, may be obtained by any person on application at the office window, so long as the office is open for delivery.

Letters addressed to the Post Office, or to be kept till called for, may be obtained at the office window, except where it is ascertained that it is the practice of persons living within the town delivery to have their letters so addressed, in which cases they will be sent out by letter-carrier. Letters for persons residing beyond any official delivery, will be delivered on application at the window. It is not permitted to return any letter to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon, as every letter must be delivered to the person to whom it is originally directed, and to him alone. No information must be given by a postal officer respecting letters, &c., which pass through a Post Office, except to the persons to whom they are addressed.

For each newspaper posted in the Colony for delivery at any Post Office within the Colony	0	0½
For each newspaper posted in the Colony for delivery at places without the Colony, except to the Foreign countries mentioned in Table of Postage Rates	0	1

V.—Registration.

For every letter, book packet and pattern parcel, or newspaper registered at any Post Office within the Colony for delivery at or from any Post Office within the Colony, a fee of sixpence will be charged in addition to the postage.

VI.—Soldiers' and Sailors' Letters.

Letters addressed to or forwarded by any non-commissioned officer, army schoolmaster (not of the first class), army schoolmistress, soldier, or seaman, while actually employed in Her Majesty's service, may be transmitted within the Colony, and between the Colony and the Australian Colonies, India, British Ports in the Mediterranean, and the United Kingdom, at a charge of one penny each; and to any Post Office within the British Dominions, via the United Kingdom, by British Mail Packet, at twopence each, provided that the following regulations are observed:—

- (1.) Each letter must not exceed half an ounce in weight.
- (2.) If sent by any such privileged person, it must be superscribed with the name of the writer, his description or class in the regiment or vessel, and signed by the officer at the time in command.
- (3.) If addressed to any such privileged person, his description or class in the regiment or vessel must be specified thereon.
- (4.) If posted within the Colony, the postage must be prepaid.

Letters of this description posted or received in the Colony, not in accordance with the foregoing regulations, will be treated as ordinary letters. Soldiers' and sailors' letters addressed to foreign places, are chargeable with the foreign transit rates due to the countries through which such letters may pass.

VII.—Trade Circulars and Prices Current, registered at the General Post Office, Wellington, for transmission by Post.

	s.	d.
To places within the Colony, each	0	1
To Australia and India, each	0	1
To the United Kingdom via San Francisco, each	0	1
To the United Kingdom via Suez and Southampton, each	0	1

On trade circulars and prices current addressed to foreign countries, foreign book rates, as enumerated in the Table of Postage Rates, page 46, will be charged in addition to the Colonial rate of one penny each.

Articles not allowed to be sent by Post.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or to do bodily harm to any officer of the Post Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion; razors, scissors, needles, forks, or other sharp instruments are also forbidden.

Miscellaneous Regulations and Suggestions.

The Post Office is not, by law, responsible for any loss or inconvenience which may arise from the non-delivery, mis-sending, or mis-delivery of any letter, book, or other postal packet (even if the packet be registered); nor is the Post Office responsible for any injury which a packet may sustain during its transmission.

To guard against such injury, all postal packets which are likely to suffer from stamping or from great pressure should be placed in strong covers; and even with this precaution no fragile article should be sent through the Post.

No information can be given respecting letters which pass through a Post Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Postmasters are not bound to weigh any letters or other packets for the public, but they may do so if their duty be not thereby impeded.

Postmasters are not bound to give change, or authorized to demand change.

No postal officer is permitted to take money in prepayment of postage, or to affix postage stamps on letters, &c., posted at any Post Office. Postage stamps should in all cases be affixed by the sender or person posting the correspondence.

Every letter should contain the full address of the writer, in order to insure its return if the person to whom it is directed cannot be found. A much larger portion of the undelivered letters could be returned if the names and addresses of the senders were always either fully and plainly written inside or embossed on the envelopes.

The practice of sealing letters passing to and from countries with hot climates with wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended, in all such cases, to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

Neither money nor any other article of considerable value ought ever to be sent through the post, except by means of a money order or in a registered letter. Any person who sends money or jewellery in an unregistered letter, not only runs a risk of losing his property, but exposes to temptation every one through whose hands his letter passes, and may be the means of ultimately bringing some clerk or letter-carrier to moral ruin.

Whenever bank notes are sent by post, even in registered letters, they should be out in halves, and the second halves should not be posted till it has been ascertained that the first halves have been received; and further, in order to afford the means of identification, a memorandum should always be made of the number of each bank note.

Any person conveying (otherwise than by the Post) a letter not exempted from the exclusive privilege of the Postmaster-General, incurs, by law, a penalty of £20 for every letter so conveyed.

Much difficulty is experienced in the delivery to their right owners of letters imperfectly addressed; and the Post Office has frequently incurred unjust censure either for unintentionally delivering such letters to wrong persons, or for declining the responsibility of delivering them at all. The address of every letter ought to be full and distinct; but in the cases referred to it is obvious that the correct delivery cannot be secured unless the name of the street (and occupation when any) be added in the address of the letter to the name of the person for whom the letter is intended to be given. The practice of addressing letters to a town only, prevails to a large extent, and it has become necessary to call special attention to the matter, in order to prevent not only the delay which such letters are in all cases liable to suffer, but also the danger to which they are exposed of being delivered to wrong persons and lost altogether.

REGULATIONS AND CONDITIONS UNDER WHICH TELEGRAMS ARE AUTHORIZED TO BE TRANSMITTED BY THE TELEGRAPH BELONGING TO THE GENERAL GOVERNMENT OF NEW ZEALAND.

1. The Government is not responsible for errors, omissions, or delays in the transmission of telegrams, nor for the non-transmission of any telegram.

2. Printed forms, upon which telegrams should be written, may be obtained at all Stations on application; but all telegrams, whether written upon the prescribed form, upon any other printed form, or upon plain paper, will be considered as presented for transmission under the several conditions contained in these regulations.

3. All telegrams presented for transmission must be written in ink, in a clear and legible manner; they shall contain a proper address, and bear a genuine signature in the usual handwriting of the sender.

4. In order to prevent errors in the transmission of telegrams, all words must be written in full, and no abbreviation will be allowed. It is advisable to write all numbers in words in full, and not in figures.

5. Telegrams will be transmitted in the following order of priority :—

- (1.) Telegrams of the General or Provincial Government marked *urgent*—General Government telegrams having precedence.
- (2.) Telegrams relative to the arrest of criminals or persons accused, or the discovery or prevention of crime.
- (3.) Telegrams relating to cases of pressing emergency, such as accident, sickness, or death, may be transmitted in priority to any others.

Subject to the above exceptions, all telegrams will be transmitted in the order in which they may be received by the Officers of the Department.

6. In order to prevent a monopoly of the line by any one company or individual, when several telegrams are presented for transmission about the same time, and any one of these telegrams is of considerable length, then no officer shall transmit more than two hundred words of any such telegram at one time.

7. Telegrams may be written in cypher, which will be counted according to the following scale, whether for figures or letters :—Separate cyphers count as one word; groups of five cyphers, or fractional part of five cyphers, count as one word; groups exceeding five cyphers are counted at the rate of five cyphers to the word, and any fractional portion remaining is to be counted as one word.

8. Where cyphers are used, the sender is recommended to pay for the repetition of such telegram, in order to insure accuracy.

9. In the event of serious delays occurring through accident to the lines which may prevent the transmission of a telegram within a reasonable time, or may destroy the value of any telegram, notice thereof will be sent to the sender of such telegram, should his address be known. The sender may, on a written application to the Officer in Charge of the Station at which such telegram was presented and paid for, receive back the amount paid thereon, and the telegram will be cancelled.

10. Telegrams will be delivered free of charge within one mile of the Station to which they may be transmitted by wire; but if required to be delivered beyond that distance, cab

or omnibus fares, or horse hire, will be charged, as may be found necessary. All telegrams requiring to be delivered on shipboard, or on the water, or across the water, will bear an extra charge to defray any boat expenses incurred.

11. When the sender of a telegram desires it, the reply to such telegram may be prepaid, and the messenger will be instructed to wait for such prepaid reply for the space of ten minutes; after which time the reply must be forwarded to the Station by the receiver of the original telegram. Persons presenting for transmission a "Reply-paid" message which has already been paid for, must distinctly state this at the time of its presentation.

12. Should the sender of a telegram desire to have the telegram repeated, to insure accuracy, such repetition will be made at a charge of half the rate of the original telegram.

13. On special occasions, when Telegraph Stations are kept open beyond the usual hours of business, a double charge will be made on all telegrams presented for transmission.

14. Telegrams may be taken from the sender with the word "Collect" written thereon, and in such case the payment for the telegram will be collected from the receiver of the telegram; but in the event of the receiver refusing to pay, the sender of the telegram shall be held responsible for the due payment thereof.

15. Telegrams may be taken from the sender of a telegram with the words "Reply-paid" written thereon, and in such case the payment for the telegram in reply will be collected from the sender of the first telegram.

URGENT TELEGRAMS.

Telegrams marked *Urgent* will be received at any Telegraph Station and transmitted as *Urgent Messages* in the order of their priority with other messages of the like code.

Urgent telegrams will take precedence of all ordinary messages.

The fee for an urgent telegram is double that charged for an ordinary telegram.

DELAYED TELEGRAMS.

Delayed telegrams are now received at any Telegraph Station throughout the colony for transmission, final delivery to the address given being effected by post.

The rates chargeable on all such messages are as follows, viz.: Sixpence (6d.) for the first 10 words (exclusive of address and signature up to 10 words), and a half-penny (1d.) for every additional word. Fractions of a penny in computing charges are not allowed. Senders of delayed telegrams are requested to give as full address as possible, and are also requested to write, in "Instructions" on the message, the word "Delayed."

In addition to the rates above mentioned, postage is charged as follows: If the delivery is within the postal district of any town, one penny (1d.); outside the postal district, twopence (2d.). In dealing with these telegrams, the department undertakes to telegraph them to their destination on the day of their receipt, and to post them the same evening.

STAMPED TELEGRAMS.

In order to encourage the use of the Telegraph, and as a matter of convenience to the Public, telegrams will be received for transmission at any Telegraph Office throughout the Colony, if sufficiently stamped with the ordinary postage stamps in lieu of payment by coin.

The stamps are to be affixed on the top right-hand corner, immediately under the heading "Fees received."

Telegraph forms and envelopes, having the words (printed in red) "Telegram for transmission to the Officer in charge Telegraph Station," can be procured at all Post Offices throughout the Colony.

WEATHER TELEGRAMS FOR SHIPPING.

Masters of vessels are permitted to forward messages at an uniform rate of sixpence for each message (including reply) to the Harbour Masters of the various ports, seeking information as to the state of the weather, &c., at the port to which they are bound, or from any port which may lie in their route. These telegrams must be concise, and should be filled in in accordance with the directions to be seen at the various telegraph stations.

In no case will a larger number of words than ten in the body of the telegram be followed under these Rules.

5. In the provinces, and in Scotland and Ireland, the addressees of telegrams may have their addresses registered at the Chief Office of the Town in which they reside, upon payment at that office of the registration fee.

Persons in New Zealand desirous of availing themselves of the arrangement above notified should request their correspondents in the United Kingdom to register any abbreviated address that may be agreed upon, at the Chief Office of the Town in which they reside.

GOVERNMENT LIFE INSURANCE

ON THE PARTICIPATING PRINCIPLE.

ANNUAL INCOME EXCEEDS £100,000.
ASSURANCE IN FORCE EXCEEDS £3,000,000.

1. THE GOVERNMENT LIFE INSURANCE DEPARTMENT issues all desirable forms of policies.

2. THE PAYMENT OF EVERY POLICY IS GUARANTEED BY THE COLONY.

3. DIVISION OF PROFITS.—The surplus or profit is ordered by Law to be divided among Policy-holders *only*, and is to be ascertained every fifth year. The first investigation, with a view to division of profits, is to be made as at 30th June, 1880. The first quinquennial investigation, recently completed, shows a surplus of over £12,000.

4. THE PREMIUMS combine two benefits. They are as low as is consistent with the safety of the Office, and they entitle the Policy-holder to a full share in the profits, who thus secures *from the first* the advantage of a participating policy from 15 to 30 per cent. greater than those of the same kind granted by Private Companies for the same premium.

5. PAYMENT OF PREMIUMS.—The payments may be made during whole term of life, or during a limited period only; at an invariable annual, half-yearly or quarterly, or by a single premium. The rates for any description of Life Insurance not given in the published Tables may be obtained at the Head Office in Wellington.

6. LIBERAL CONDITIONS as to travelling, residence, &c.:—

- Policy-holders may travel without license or payment of extra premium, or reside in any part of the world, except within 25 degrees of the equator, without license or payment of extra premium.
- Policy-holders may change their occupation without license or payment of extra premium.
- Death by suicide (except within twelve months of the date of the policy), by duelling, or by the hands of Justice, does not void any policy.
- No policy becomes void by any act of the assured, so far as regards the interest of any third persons, provided such act is done without their knowledge, and that they pay the additional premium required, if any, as soon as such act comes to their knowledge.

7. ALL POLICIES, after five years' duration, ARE INDISPUTABLE and UNCHALLENGEABLE on any grounds whatever connected with the statements on which the assurance was based except fraud, provided the age of the insured has been admitted.

8. ALL POLICIES, after five years' duration, ARE FREED FROM ALL CONDITIONS, except the payment of premium, provided the age of the insured has been admitted, and he has attained thirty years of age, and he has resided continuously within the ordinary limits from the date of the policy. Holders of such policies can voyage or reside in any part of the world, without license or payment of extra premium.

9. PROOF OF AGE.—Age will be admitted at any time on a policy on production of either a certificate of birth or baptism; or, failing these, the best proof that can be procured, such as, for instance, an entry in a family Bible, or a statutory declaration from a relation or friend, stating belief as to age, and grounds of such belief.

10. ALL POLICIES ARE NON-FORFEITABLE after three years to the full extent of their value, under a special regulation providing for the continuance in force of every policy for the original amount, so long as the surrender value of the policy, as defined by the regulation, is not less than the premiums in arrear together with interest at six per cent. per annum, thus giving to every policy-holder a full equivalent for every premium paid. Such policies may be revived even within twelve months after exhaustion of surrender value on proof of unimpaired health, and payment of arrears and fine.

11. SURRENDERS.—Policy-holders, after having been insured for three years, are guaranteed a cash surrender value of about 40 per cent. of the paid-up premiums, provided that no premiums are in arrear, and that the surrender value is not less than £5; but if for any reason the premiums have not been paid when due, a policy free of future premiums will be granted, on application, for such an amount (generally greater than the paid-up premiums) as the surrender value at date of lapse will purchase, provided that such policy is not less than £50, and that application is made within three months.

The following Example, taken from the preceding Table, illustrates the practical working of clauses 10 and 11:—A person, aged 30 (col. 1), insured for £1,000, paying an annual premium of £20 8s. 4d. (col. 2), whose policy has been in force for three years, would be entitled to a surrender value, in cash, amounting to £23 0s. 10d. (col. 3); or if he failed to pay the next premium, the surrender value would be applied by the office to keep the policy in force for a period of twelve months, during which time the policy can be revived as stated in the preceding clause, No. 10; or, if death occurred, the sum assured would be paid, less arrears and interest; or, if notice is given within three months from date of lapse, he could receive a policy free of all future premiums of £66 8s. 4d., being an amount exceeding the premiums he has paid.

12. LOANS.—Policy-holders can borrow on the security of their policies to the extent of 90 per cent. of the cash surrender value, provided the loan exceeds £5. (For cash surrender value see columns 3, 6, and 9 of preceding Table.) The loan agreement between policy-holders and the Department is prepared free of cost, and interest is at present charged at the rate of £7 per cent. per annum, payable half-yearly. Loans can be repaid at any time without previous notice. No loans can be granted on settlement policies under section 16 of "The Government Insurance and Annuities Act, 1874."

13. REVIVAL OF LAPSED POLICIES.—Thirty days of grace are allowed on all Renewal Premiums, and no policy is absolutely forfeited for non-payment of premium unless the premium remains unpaid for twelve months, or the surrender value (if any) has been exhausted for a year. Such policies may be renewed, provided the premiums in arrear and a fine are paid, and the insured is in unimpaired health.

14. POLICIES PROTECTED FROM BANKRUPTCY.—An insurance policy effected by the insured, *bond fide* on his own life, is protected from bankruptcy or insolvency laws to a certain amount, which increases with its duration. Thus, after it has endured for two years, it is protected to the extent of £200;

After five years	...	...	...	...	to £500
After seven years	...	...	...	...	to £1,000
After ten years	...	...	...	...	to £2,000

This protection applies only in favour of the personal representatives of the insured.

15. **MARRIED WOMEN MAY EFFECT POLICIES**, dispose of the sum assured by will, as if single, and their policies are protected from the debts of their husbands, according to duration, to amounts similar to those stated in clause 14.

16. **SETTLEMENT POLICIES**.—Policies effected for the benefit of the wife and children of the insured, under section 16 of "The Government Insurance Act, 1874," are from the date of issue absolutely protected from the claims of creditors to the extent of £2,000, provided that the premiums are payable during life, or any period not less than seven years; but such policies cannot be surrendered for cash.

17. A **POLICY-HOLDER** may at any time nominate his wife, mother, child, brother, sister, or niece to receive the sum assured payable at his death, provided it does not exceed £200.

18. **PROBATE, &c., DISPENSED WITH**.—When a claim under a policy does not exceed £200, the Commissioner may dispense with the production of probate or letters of administration, thus saving great expense to the representatives of the insured.

19. A **POLICY-HOLDER** may at any time direct that, instead of the sum assured being paid at his death, it shall be converted into an annuity payable to a nominee.

20. **EXEMPTION FROM STAMP DUTY**.—Annuities, policies, powers of attorney authorizing the receipt of moneys, and receipts for moneys payable under the Act, are exempted from stamp duty.

21. **NO POLICY or Medical Fees charged**. Assurances are granted on a single life to the extent of £3,000.

22. **NOTICES OF ASSIGNMENT** are received and registered at the Head Office only. On this subject, attention is requested to the provisions of "The Government Insurance and Annuities Act, 1874."

23. **CLAIMS AT DEATH**.—Claims are payable by the Regulations one month after proof of death; but in practice they are paid in full as soon as death is proved and the representatives of the deceased are able to discharge the policy.

Forms of application and full particulars can be obtained from any of the above Agents, but premiums can only be received by the respective local Postmasters, distinguished by the letters P M before the name of the agency, or by the Chief Agents at Auckland, Wellington, Dunedin, and Christchurch. There are branches of the Bank of New Zealand at all agencies marked thus *. Policy-holders remitting overdue premiums to the Head Office at Wellington may do so at par at any of the above-named branches of the Bank, on obtaining the proper form of Bank receipt from the local Agent.

Local Agents will be appointed to manage the legal and other business connected with estates, the preference being given (subject to the approval of the Public Trustee) to Solicitors or Agents who have previously had the management of the property, or who are nominated by the person placing the property in the office, or the parties principally interested therein.
