OFFICE DELIVERIES.

Deliveries from office counters, &c., are made from 9 a.m. to 5 p.m. on week days, but certain Post Offices specially authorized by the Postmaster-General may be closed during the periods of sorting and despatching mails. When English mails arrive on a Public Holiday, the offices will be open for delivery for two hours.

PRIVATE BOXES AND BAGS.

Private letter-boxes are provided for merchants and others upon payment, in advance, of the following fees:—

For a term exceeding six calendar months and not exceeding one year, one pound (£1)

For a term not exceeding six calendar months, ten shillings (10s.).

All such fees to be paid in advance: Provided that no private box shall be let save for a term ending on the 30th day of June or the 31st day of December next after the day on which the same shall be let; and that, where there are two or more applicants for the same box at the same time, the preference shall be given to the person desiring to have the same for the longest term.

No one can engage a private box for specified days in the week alone.

Private box-lobbies are open on Sundays and public holidays from 10 a.m. to 5.30 p.m.

Persons residing upon mail routes requiring the accommodation of private bags can obtain the same upon payment, in advance, of the under-mentioned fees to the Chief or Head Postmaster of the district, and subject to the following regulations:—

1. The fees payable for private mail bags shall be—For a term exceeding six calendar months and not exceeding one year, two pounds (£2); for a term not exceeding six calendar months, one pound (£1). Provided that no private mail bag shall be let save for a term ending on the 30th day of June or the 31st day of December next after the day on which the same shall be let.
2. The bag must be of leather, with a lock and two keys, and provided and kept in repair at the cost of the person requiring it, and when empty must not exceed one pound and a half in weight.

3. The Postmaster must securely lock the bag before despatching it, and it must be returned to the Postmaster in the same manner.

4. The bag must only contain correspondence for persons connected with the establishment of the owner of the bag, or who may be in his employment; and it must be distinctly understood that such owner is responsible for the postage of all unpaid letters, and for returning receipts for all those which may be registered.

A mail contractor is bound to convey and deliver, free of charge, all private bags given to him by Postmasters, but is not required to deviate from the prescribed mail route, and is on no account to be delayed. Should the return bag not be ready at the appointed time and place, the Contractor is not required to wait for it.

SEABORNE MAILS.

Seaborne mails, as a general rule, are closed one hour previous to the despatch of the mails from the Post Offices; and at Christchurch, Oamaru, Timaru, Dunedin, and Invercargill late letters may be posted in the Guard's Van at the respective Railway Stations until the hour of departure of the trains for Lyttelton, Port Chalmers, and Bluff, provided such letters bear, in addition to the ordinary postage, a further single rate of postage as a late fee. Late letters should not be posted at the Iron Pillar Receiver, Christchurch Railway Station.

UNCLAIMED LETTERS.

On the first day of each month a list is exhibited at each Post Office in the Colony of the addresses of all letters received from places beyond the Colony that have remained unclaimed for two months at such Post Office, exclusive of that in which they were received; and such of these letters as remain unclaimed at the end of a further period of one month are then forwarded to the Dead Letter Office, to be returned unopened to the countries where they originated. Unclaimed letters originating in the Colony are not advertised, but at the end of one month are forwarded (excepting special-request letters) to the Dead Letter Office, Wellington, there to be opened and returned to the writers.

SPECIAL REQUEST LETTERS.

Letters posted within the colony, with the names and addresses of the senders written, printed, or embossed on the address side or on the fly of the envelopes, shall, if not claimed within one month, be returned unopened to the writers or senders by Chief Postmasters. Letters posted within the colony, having the names and addresses of the senders written, printed, or embossed on the address side or on the fly of the envelopes, together with a request on the address side of the cover that the letters be returned if not claimed within a stated period, shall also be returned as above described. No unclaimed letters shall, however, be returned unless they shall have remained in the Post Office to which they may be addressed at least ten days.

Letters of this class originating at hotels, clubs, or places of public resort shall not be returned unopened through Chief Postmasters unless, in addition to the printed or embossed address on the cover, the name of the actual sender shall also appear.

The above instructions do not apply to the following classes of letters, which will be sent to the Dead Letter Office as heretofore:—Registered letters, official letters (excepting those otherwise duly directed), surcharged letters, and letters containing coin.

Rates of Postage, and Conditions of Transmission.

All letters, newspapers, and book and pattern parcels, posted in New Zealand, must be prepaid by postage stamps.

INLAND LETTERS.

Letters posted in New Zealand for places within the Colony or for the Chatham Islands, not properly prepaid, will be forwarded charged with double the amount of deficiency. For rates of postage on town and inland letters, see page 49.

Late letters for despatch by steamers will be received until within twenty minutes of the despatch from the Post Office, provided such letters bear, in addition to the full postage, a further single rate of postage as a late fee.

Late letters placed on board mail steamers must also bear, in addition to the full postage, a further single rate of postage as a late fee. When such letters are posted unpaid, or insufficiently paid, they will be charged, on delivery, with double the deficient postage and the late fee.

Letters redirected from one part of the Colony to another are chargeable with fresh rates of postage, as if they were then posted for the first time, prepayment being optional.

CONSIGNEES' LETTERS.

Consignees' letters, when received loose from vessels for delivery through the Post Office, are not treated as ordinary loose letters, but allowed to pass at the single rate of postage (twopence per half-ounce), whether for town or country delivery.

Letters posted altogether unpaid will be taxed the above rate, and letters partly prepaid simply the deficiency.

The words "Consignees' Letters," or "Consignees" should always appear on the face of letters to be granted the privilege.

LETTERS FOR PLACES BEYOND THE COLONY.

The rates of postage on letters to the United Kingdom, the Australian and other British Colonies, and Foreign Countries, are enumerated in the Table of Rates of Postage, at pages 51 to 68.

Letters posted in the Colony for the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, Western Australia, India, the United Kingdom, and for the United States of America, although insufficiently prepaid, if bearing postage stamps of the value of at least one single rate, will be forwarded charged with the deficient postage, together with an additional single rate as a fine. Insufficiently prepaid letters for the United Kingdom marked "via Brindisi or Naples," will, unless bearing postage stamps of the value of one single rate for such route (*i.e.*, eightpence), be forwarded *via* San Francisco, charged with the deficiency and fine.

Late letters for places beyond the Colony will be received until twenty minutes before the hour of despatch from the Post Office, provided such letters bear, in addition to the full postage, a further single rate of postage as a late fee.

Late letters placed on board steamers must also bear, in addition to the full postage, a further single rate of postage as a late fee.

Letters re-directed to the United Kingdom, India, the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, and Western Australia, respectively, are charged with a new and distinct rate of postage—prepayment optional; the postage on re-directed letters for all other places beyond the Colony must be prepaid.

Re-directed letters received from places beyond the Colony, on which the re-direction postage has not been prepaid, will be charged full postage rates on delivery.

Letters, &c., received at any Post Office in the Colony from places beyond the Colony, which have not been regularly posted at the place of despatch, will be charged with full postage, according to the rates fixed in the Table of Postage Rates, unless they are letters which it is not compulsory by law to send by post, in which case they are chargeable with the inland letter rate of postage only.

No letter (whether registered or otherwise) containing either gold or silver money, jewels, or precious articles, or any other article whatever liable to Customs duties, can pass through the post to any of the countries comprised within the General Postal Union (the United Kingdom excepted)—a list of which appears at the end of the table of rates of postage published from time to time in this Guide. Letters for Italy or other countries received by the Italian Post Office, containing articles in contravention of this rule, are opened, and, the articles having been confiscated, are sent on alone to their destination.

POST CARDS.

Penny Post Cards for transmission between places in New Zealand, and also at letter rates to certain other places, hereafter mentioned, may be purchased at any Post Office or from any licensed stamp vendor.

The front or stamped side of the card is for the address only, and, beyond the written or printed address, nothing whatever must be printed or written upon that side of the card. On the reverse side, any communication, whether of the nature of a letter or otherwise, may be printed or written. Nothing whatever may be attached to the card, nor may it be folded, cut, or otherwise altered. If any of the above conditions be infringed, the card will be charged one penny on delivery.

An exception, however, has been made in the case of post cards used for receipt purposes, to the back of which a duty stamp may be affixed.

No cards other than those issued by the Government, or private cards stamped by the Government with a penny stamp, under the special authority of the Postmaster-General, can be used for the purpose of making a written communication through the Post Office, unless such cards be prepaid the ordinary full letter postage.

Any post card observed to bear upon it anything of an obscene, libellous, or obviously objectionable nature, will be detained and sent to the Dead Letter Office for disposal.

When, owing to a great and unusual influx of letters, books, &c., the transmission of letters would be delayed if the whole mail were dealt with without distinction, post cards (unless paid for and posted as letters) may be kept back until the next despatch or delivery.

Post cards may be transmitted to the Colonies of Victoria, South Australia, and Tasmania under the same conditions as they are transmitted within New Zealand, except that in addition to the impressed stamp they must have an extra penny stamp affixed to them. All post cards addressed to other places out of New Zealand will be detained, and sent to the Dead Letter Office for disposal.

Private cards will be received from the public, and impressed with the penny postage stamp, under the following conditions:—A week's notice must be given by the applicant,

and a sample of the card to be used should be forwarded for the Postmaster-General's inspection. None but card of approved quality and colour will be accepted. Each sheet must be of the size of 22 inches by 15 inches, and must not exceed two ounces in weight. Not fewer than fifty sheets of card can be received at one time. On each sheet presented for impression, the applicant's name or monogram must be embossed or printed, and any printing must be thoroughly dry. Cards when impressed will be returned to the applicant in sheets of twenty-one impressions. No fee will be charged for stamping. Cash must accompany all cards to be impressed. No commission will be allowed upon private cards impressed for licensed vendors.

NEWSPAPER WRAPPERS.

Newspaper wrappers may be purchased at any post office, or from any licensed stamp vendor.

The wrappers are intended for the transmission through the post of newspapers within New Zealand; but they may also be used for forwarding newspapers to places beyond the colony, on prepayment of the additional postage.

An extracharge of one penny per eighteen wrappers is made, to cover the cost of paper, &c.

The wrappers are made up and sold in the following parcels:—18 wrappers for 10d.; 270 wrappers for 12s. 6d.; 540 wrappers for 25s.; 1,080 wrappers for 50s.

INLAND PATTERN AND SAMPLE AND PARCEL POST.

The regulations prohibiting any complete article having a value of its own, parcels of goods sent for sale, or in execution of an order (however small the quantity), and also articles sent by one private individual to another, which were not actually patterns or samples, being sent by pattern and sample post, have been repealed.

Every article of merchandise, whether raw or manufactured, and of a character not likely to injure the contents of the mail bags, or to do bodily harm to any officer of the Post Office, is now accepted, under the regulations of the inland pattern and sample and parcel post.

The following are the rules of the inland pattern and sample and parcel post:—

- (1.) A pattern sample or parcel packet may contain patterns, samples, or articles of merchandise, goods sent for sale or in execution of an order, or any articles sent by one private individual to another; seeds, cuttings, bulbs, roots, and scions may also be forwarded.
- (2.) The postage is one penny not exceeding two ounces; twopence not exceeding four ounces; and one penny for every additional two ounces or fraction of two ounces.
- (3.) No packet must exceed two feet in length or one foot in width or depth, nor must it exceed five pounds in weight; any packet exceeding that weight will be sent to the Dead Letter Office.
- (4.) There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender and the nature of the contents, a trade mark and numbers, and the prices of the articles, otherwise the packet will be charged double letter postage. The name and address of the sender of any parcel should invariably be given, so that, if for any reason the packet cannot be forwarded or delivered, it may be returned to the sender.
- (5.) There must be no enclosure other than the articles themselves. The particulars which are allowed to be furnished under the preceding rule, as to the trade marks and numbers, and the prices of the articles, must in all cases be given, not on loose pieces of paper, but on small labels attached to the articles or the bags containing them. Should this rule be infringed, the packet will be charged double letter postage.
- (6.) A pattern, sample, or parcel packet must be sent in a stout and durable cover, open at the ends, so as to be easy of examination. Seeds, drugs, &c., may be enclosed in tin boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of seeds in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be charged double letter postage.
- (7.) Insufficiently paid packets will be treated as described in section 10 of the Inland Book Post Regulations.
- (8.) In order to prevent any interruption to the regular transmission of letters, and packet may, when it is necessary, be kept back by any Postmaster until the following despatch.
- (9.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such

like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded, it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet will be charged with a fine equal in amount to the postage to which the packet was liable as a packet of patterns.

Packets or parcels containing gold, silver, jewellery, &c., cannot be forwarded under the inland pattern and sample and parcel post regulations, but they may be sent as letters.

Parcels containing gunpowder, glass, any perishable substance such as leeches, game, fish, flesh, fruit, vegetables, &c., any liquid (except liquid medicine), matches, or other inflammable or explosive substance, or compound poison, or whatever is dangerous to the mails, or offensive or injurious to the persons dealing with the mails, shall not be transmitted by the post whether as a parcel or otherwise. Postmasters must refuse to transmit by post any parcel which shall contain, or be reasonably suspected to contain, any such articles. Liquid medicines strongly packed in tin cases, and marked "Liquid Medicine," may, however, be posted.

INLAND BOOK POST.

The following are the regulations of the inland book post:—

- (1.) The postage is one penny not exceeding two ounces; twopence not exceeding four ounces; and one penny for every additional two ounces or fraction of two ounces. Book packets which may be insufficiently prepaid will be charged with double the deficiency.
- (2.) An inland book packet must be sent either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing-wax, postage stamp, or otherwise), or in a cover entirely open at both ends or sides, so as to admit of the contents being easily withdrawn for examination. For the greater security of the contents, the packet may be tied at the ends with string, but in such case Postmasters are authorized to cut the string, even though it be sealed, although if they do so they must again tie up the packet.
- (3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters intended for transmission in identical terms to several persons), photographs (when not on glass or in cases containing glass or such like substance), drawings, engravings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, is allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps; markers (whether of paper or otherwise) in the case of books; pens or pencils in the case of pocket-books, &c.; and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto.
- (4.) A book packet may also comprise bills of lading, printed catalogues, manuscript of books or pamphlets (if plainly superscribed as such, together with the name of the sender), music (written or printed, and, in the case of proof sheets, manuscript corrections), paintings, pass-books, printed placards, printers' proofs (indorsed as such on the covers), scrip, deeds, policies of assurance, insurance policies, returns of insurance and assurance proposals (and other printed documents connected therewith), plans, powers of attorney, specifications, prospectuses, forms (if filled in in accordance with the printed headings, and without note or any comment whatever), invoices, legal documents, recognizances, drafts, trade circulars, prices current, and, in fact, any written or printed communication not of the character of an actual and personal correspondence, may pass as articles within the meaning of the Inland Book Post Regulations.
- (5.) Press manuscript intended for publication is not regarded as actual and personal correspondence, provided the packet bears the words "Press Manuscript," and is addressed to the office of any newspaper published within the colony. If posted in accordance with the foregoing directions, press manuscript will be permitted to pass at book-packet rates of postage.
- (6.) No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is even recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned. A book

may also contain a manuscript dedication, or a complimentary inscription from the author. Passages in the text to which it is desired to call attention may be marked with a simple stroke.

- (7.) No book packet must exceed two feet in length, or one foot in width or depth, nor must it exceed five pounds in weight; and if any such packet be presented at a Post Office it will not be received.
- (8.) Any packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written in it, or upon its cover, will be charged double letter postage.
- (9.) If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be charged double letter postage *minus* postage affixed, and forwarded to its address.
- (10.) If a book packet be not sufficiently prepaid with stamps, but nevertheless bear stamps of the value of one rate, it will be forwarded charged with double the deficiency.
- (11.) All *bonâ fide* printed or lithographed matter enclosed in envelopes slit or partially open at the ends, and having the fly turned inside, instead of gummed over in the usual manner, is permitted to pass through the post at book-post rates.
- (12.) Trade and professional accounts passing between creditor and debtor cannot pass at book rates of postage, but must be prepaid as letters.

Legal documents include acts or deeds of all kinds drawn up by public functionaries, copies or extracts of deeds under private seal, and in general all manuscript papers and documents which have not the character of an actual and personal correspondence.

It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.

The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.

MAGAZINE POST.

Magazines and other similar publications are received and forwarded through the post, for delivery within the colony, at the reduced rate of postage hereinafter mentioned, and subject to the following conditions:—

- (1.) Every such serial must be first approved by the Postmaster-General for despatch as a magazine.
- (2.) Every magazine must be sent in a cover entirely open at the ends, with the words "Magazine Post" printed or written on the address side of the cover. In addition to the address, the name of the sender may also appear on the cover.
- (3.) No magazine can exceed sixteen ounces in weight.
- (4.) Only one publication and of that a single copy can be enclosed in a cover.

The rate of postage is one halfpenny for every two ounces or fraction of two ounces. Insufficiently prepaid magazines are surcharged double the deficiency; and wholly unpaid and irregularly posted magazines are sent to the Dead Letter Office.

NEWSPAPERS.

1. All newspapers published in the colony, and registered at the General Post Office for transmission by post, may either be forwarded like other printed matter under the regulations of the book post, or may be transmitted within the colony on payment of a postage rate of one halfpenny each in postage stamps, and to places beyond the colony at the rates set forth in the Postal Guide.

Registration for inland circulation includes registration for transmission abroad. The conditions of registration are as follows, viz.:—

- (1.) The publication must consist wholly or in great part of political or other news, or of articles relating thereto or to other current topics, with or without advertisements.
- (2.) It must be printed and published in the Colony of New Zealand, and must be published in numbers at intervals of not more than thirty days.
- (3.) The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every

subsequent page; and this regulation extends to "Tables of Contents" and "Indices."

2. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets or on a piece or pieces of paper; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. The supplement must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page, or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side. The added matter must be a genuine supplement, that is, matter supplied in order to complete that to which it is added or supplemented, but left out of the regular issue for want of space or time, or for greater convenience. As used in relation to newspapers, a supplement is held to be matter proper to be inserted in the newspaper to which it is more supplied, but has not been for want of space, or want of time, or because it is more convenient regarding space or time, or either, that it should be printed on a separate sheet.

3. A newspaper must not contain any enclosures other than the supplement or supplements proper to the newspaper, nor any writing, beyond the name and address of the person to whom it is sent, nor anything on the cover but the name and address, the printed title of the newspaper, and the printed name and address of the publisher or vendor who sends it. *Insets, advertising sheets, or handbills* placed between the pages of newspapers, but having no connection with such publications as properly parts thereof, will subject the entire packages to letter rates of postage.

4. If a newspaper addressed to any place within the colony be found to contain writing or any enclosure, it must be forwarded to its destination charged according to its weight, with the full rate of letter postage from the country where it originated; but if such newspaper be addressed to any place beyond the colony, it must be detained, and in due course sent to the Dead Letter Office.

5. If more than one newspaper be enclosed in a packet addressed to any place within the colony, and for which the full amount of postage has not been paid, a charge of one penny must be made for each extra newspaper enclosed. Packets or single numbers of newspapers posted for places beyond the colony not fully prepaid, or for places within the colony wholly unpaid, must be detained.

6. Newspapers posted in pillar-boxes, which are intended for the receipt of letters only, must, if addressed to places within the colony, be sent on charged a single rate of one halfpenny; but if for places beyond the colony, they must be detained for one month in case of inquiry, and then destroyed.

7. Newspapers, if posted in single numbers, addressed to the Manager, Keeper, Clerk, Secretary, Librarian, or other person having the charge of any Athenæum, Mechanics' Institute, Hospital, Public Library, or Lunatic Asylum in the colony, are permitted to pass through the post, and to be delivered free of postage.

8. "Newspaper exchanges" (*i.e.*, newspapers exchanged between newspaper offices) are permitted to pass through the post free of postage, if posted in single numbers, from any newspaper office within the colony and addressed to the Editor, Proprietor, Publisher, or Manager of any newspaper published in the colony, and properly franked. The title of the newspaper, and the words "Newspaper Exchange only," must be written or printed on each cover above the address; and the frank or certificate of exchange must be signed by the authorized person, either by affixing his signature, or a *fac-simile* thereof by means of an autograph stamp. Newspaper exchanges not posted in accordance with the foregoing rules will be charged full letter rates.

9. Not more than one copy of any issue of a newspaper intended for free transmission under Rules 7 and 8 will be forwarded free of charge. If more than one be posted not paid with postage, Rule 5 will be applied.

10. Newspapers, whether originating in the colony or beyond the colony, re-directed from one Post Office to another within the colony may be transmitted accordingly, but are chargeable with a fresh newspaper rate of one halfpenny each, which may be paid either on re-direction or delivery.

11. In order to facilitate inquiry into complaints of alleged delay in transmission of newspapers through the post, the postage stamps or wrappers, as the case may be, are cancelled with the date stamp of the despatching office.

FOREIGN BOOK POST.

The following are the regulations of the foreign book post:—

(1.) The postage to the United Kingdom, Australian Colonies, the Dominion of Canada, and the United States of America via San Francisco is one penny not exceeding one ounce; twopence not exceeding two ounces. The postage to all other foreign places may be ascertained on reference to the table of rates of postage published from time to time in the New Zealand Postal Guide. Book packets which may be insufficiently prepaid will be treated as described in section 8.

- (2.) Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being examined. For the greater security of its contents, the packet may be tied at the ends with string, but in such case the Postmaster is authorized to cut the string, although if he do so he must again tie up the packet.
- (3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass or in cases containing glass or such like substance), drawings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, &c., must not be sent as a separate packet.
- (4.) No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is even recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.
- (5.) No book packet must exceed two feet in length, or one foot in width or depth, nor must it exceed five pounds in weight. The limit of weight on a book packet addressed to any of the countries comprised within the General Postal Union, a list of which appears at the end of the table of rates of postage published from time to time in the New Zealand Postal Guide, is four pounds. Packets exceeding the foregoing weights and dimensions will not be received at any Post Office.
- (6.) Any packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written in it, or upon its cover, will be charged with double letter postage, less the value of postage stamps affixed, and forwarded to its address.
- (7.) If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be charged with double letter postage, less the value of postage stamps affixed, and forwarded to its address.
- (8.) If a book packet be not sufficiently prepaid with stamps, but nevertheless bear stamps of the value of one rate, it is forwarded charged with the deficient postage, together with an additional rate of fourpence in all cases, except for parcels marked for transmission *via* Brindisi, and when marked *via* Brindisi, sixpence.
- (9.) All *bond fide* printed matter enclosed in envelopes slit or partially open at the ends, and having the fly turned inside, so that the contents may be examined without cutting or tearing the envelope, instead of having it gummed over in the usual manner, is permitted to pass through the post at book-post rates.

It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.

The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.

FOREIGN PATTERN AND SAMPLE POST.

The following are the rules of the foreign pattern and sample post:—

- (1.) A pattern parcel is a *bond fide* pattern or sample of merchandise. Goods sent for sale or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another, which are not actually patterns or samples, are not admissible.

- (2.) The rates of postage are the same as for book packets. (See clause 1 of the Foreign Book Post Regulations.)
- (3.) No packet of patterns or samples must exceed twenty-four ounces in weight, or in size two feet by one foot by one foot; and to countries comprised within the General Postal Union the limits are given at *a*, end of the Table of Rates of Postage, page 68. Packets exceeding these dimensions and weights will be sent to the Dead Letter Office.
- (4.) There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles, otherwise the packet will be treated as a letter.
- (5.) There must be no enclosure other than the samples themselves. The particulars, which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them.
- (6.) The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, &c., may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of samples of seeds in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.
- (7.) Insufficiently paid packets of patterns or samples will be treated as described in section 10 of the Inland Book Post Regulations.
- (8.) In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any Postmaster until the following despatch.
- (9.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet will be charged with a fine equal in amount to the postage to which the packet was liable as a packet of patterns.
- (10.) Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United Kingdom, the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland; and samples of intrinsic value must not be sent to foreign countries.

Postage Stamps, Post Cards, and Newspaper Wrappers.

Every Postmaster is required to keep for sale to the public a sufficient stock of the various postage labels and post cards in use in the Colony, and to sell them at the following prices:—

	s.	d.		£	s.	d.
Halfpenny labels (newspapers only)	0	$\frac{1}{2}$	each	0	2	0

Post Cards						
Newspaper Wrappers—						
Parcels of 18						
Parcels of 270						
Parcels of 540						
Parcels of 1,080						

No person excepting a postal officer may, unless specially licensed by the Stamp Department, sell postage stamps, post cards, or newspaper wrappers. The penalty for such illegal sale is ten pounds.

To prevent the purloining of postage stamps by the *employés* in large establishments, has been decided that the stamps may be perforated with the initials of the firms, &c., so as to render the improper sale of such stamps a matter of difficulty. The perforation, with initials, of the stamps on post cards and newspaper wrappers is also allowed; but permission in all cases must first be obtained from the Postmaster-General.

The postage stamps should be placed on the front of the letter, and upon the right-hand corner of the upper side. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which have been previously used.

Stamps which have been torn, cut, or otherwise rendered imperfect, except by perforation, cannot be used.

The halfpenny postage stamp should not be affixed to letters.

The regulations relating to post cards will be found on page 41.

English postage stamps may be obtained by persons desirous of sending a stamp or stamped envelope to their relatives or friends in the United Kingdom, in order to relieve them of the cost of the postage when sending replies. *These stamps cannot be purchased in quantities, nor are they permitted to be used for the purpose of making remittances.*

Registration.

By the prepayment of a fee of sixpence in addition to the full postage, any letter, newspaper, book, or other packet, may be registered to any place in the Colony. For registration to the United Kingdom, British Colonies, and certain Foreign Countries, see Table of Postage Rates, pages 51 to 68.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty in this point will be called to strict account. Valuable articles sent in *unregistered* letters are exposed to risk; and the Department cannot in any way undertake the safe conveyance of such packets. All Inland and Colonial letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of one shilling, in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch.

No letter or packet containing coin or articles of value liable to Customs duty, addressed to any Postal Union country, will be received at any Post Office.

Every letter to be registered should be presented at the counter, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the Colony, the United Kingdom, or the British Colonies*, be liable to a double registration fee.

Letters may be registered during the ordinary office hours, and for despatch by any mail, one hour before the closing of such mail. No letter-carrier, messenger, or other servant of the Post Office is allowed to carry a letter for any person to be registered.

A registered letter, which has not been delivered, when re-directed to any place within the Colony, is not liable to any further charge than an ordinary re-directed letter. If, however, a registered letter be re-directed to any place without the Colony, the second postage and registration fee must be prepaid.

No letter or other postal packet addressed to initials, or to a fictitious name, can be registered.

Delivery.

Letter-carriers and messengers are prohibited from distributing any letters, newspapers, &c., except such as have passed through a Post Office. They are not allowed to deliver in the street or elsewhere except at houses or places of business, even to addressees; nor are they allowed to deliver under doors. They are not allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, or to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities.

No person living within the town free delivery can claim to have his letters delivered at the office if a delivery by letter-carrier is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by letter-carrier, may be obtained by any person on application at the office, so long as it is open for delivery.

Receipts must be given for all registered articles upon delivery thereof.

Letters addressed to the Post Office, or to be kept till called for, may be obtained at the office, except where it is ascertained that it is the practice of persons living within the town delivery to have their letters so addressed, in which cases they will be sent out by letter-carrier. Letters for persons residing beyond any official delivery will be delivered on application at the office. It is not permitted to return any letter to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon (except under the provisions for special request, *see* page 40), as every letter must be delivered to the person to whom it is originally directed, and to him alone. No information must be given by a postal officer respecting letters, &c., which pass through a Post Office, except to the persons to whom they are addressed.

- (1.) Each letter must not exceed half an ounce in weight.
 - (2.) If sent by any such privileged person, it must be superscribed with the name of the writer, his description or class in the regiment or vessel, and signed by the officer at the time in command.
 - (3.) If addressed to any such privileged person, his description or class in the regiment or vessel must be specified thereon.
 - (4.) If posted within the Colony, the postage must be prepaid.
- Letters of this description posted or received in the Colony, not in accordance with the foregoing regulations, will be treated as ordinary letters. Soldiers' and sailors' letters addressed to foreign places, are chargeable with the foreign transit rates due to the countries through which such letters may pass.

Articles not allowed to be sent by Post.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words marks, or designs of an indecent, obscene libellous, or grossly offensive character.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or to do bodily harm to any officer of the Post Office. The following are examples of the articles referred to:—

- A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables;
- bladders or other vessels containing liquids; gunpowder, lucifer matches, or any thing which is explosive or liable to sudden combustion.

Table of Rates of Postage.

Much difficulty is experienced in the delivery to their right owners of letters imperfectly addressed; and the Post Office has frequently incurred unjust censure either for unintentionally delivering such letters to wrong persons, or for declining the responsibility of delivering them at all. The address of every letter ought to be full and distinct; but in the cases referred to it is obvious that the correct delivery cannot be secured unless the name of the street (and occupation when any) be added in the address of the letter to the name of the person for whom the letter is intended to be given. The practice of addressing letters to a town only, prevails to a large extent, and it has become necessary to call special attention to the matter, in order to prevent not only the delay which such letters are in all cases liable to suffer, but also the danger to which they are exposed of being delivered to wrong persons and lost altogether.

Every Money Order Office, except Chatham Islands and Coalgate, is also a Post Office Savings Bank, and open for Bank business during the same hours as for Money Orders.

The Savings Bank Offices at Auckland, Christchurch, Sydenham, Dunedin, and Wellington close, however, at 2 p.m. on Saturdays, but open again from 6.30 to 8.30 p.m. on Saturdays for the receipt of Savings Bank deposits and the opening of new accounts only.

Deposits of one shilling, or of any multiple of one shilling, may be made at any Post Office Savings Bank.

Interest is allowed to each depositor at the rate of 4½ per cent. per annum on the balance at the credit of his account when it does not exceed £200, and at the rate of 4 per cent. when it exceeds £200; but no interest will be allowed on more than £500.

REGULATIONS AND CONDITIONS UNDER WHICH TELEGRAMS ARE AUTHORIZED TO BE TRANSMITTED BY THE TELEGRAPH BELONGING TO THE GOVERNMENT OF NEW ZEALAND.

1. The Government is not responsible for errors, omissions, or delays in the transmission of telegrams, nor for the non-transmission of any telegram.

2. Printed forms, upon which telegrams should be written, may be obtained at all Stations on application; but all telegrams, whether written upon the prescribed form, upon any other printed form, or upon plain paper, will be considered as presented for transmission under the several conditions contained in these regulations.

3. All telegrams presented for transmission must be written in ink, in a clear and legible manner; they shall contain a proper address, and bear a genuine signature in the usual handwriting of the sender.

4. In order to prevent errors in the transmission of telegrams, all words must be written in full, and no abbreviation will be allowed. All numbers should be written in words in full, and not in figures.

5. Telegrams will be transmitted in the following order of priority:—

- (1.) Telegrams of the General Government marked *urgent*.
- (2.) Telegrams relative to the arrest of criminals or persons accused, or the discovery or prevention of crime.
- (3.) Telegrams relating to cases of pressing emergency, such as accident, sickness, or death, may be transmitted in priority to any others.

Subject to the above exceptions, all telegrams will be transmitted in the order in which they may be received by the Officers of the Department.

6. In order to prevent a monopoly of the line by any one company or individual, when several telegrams are presented for transmission about the same time, and any one of these telegrams is of considerable length, then no officer shall transmit more than two hundred words of any such telegram at one time.

7. Telegrams may be written in cypher, which will be counted according to the following scale, whether for figures or letters: Separate cyphers count as one word; groups of five cyphers, or fractional part of five cyphers, count as one word; groups exceeding five cyphers are counted at the rate of five cyphers to the word, and any fractional portion remaining is to be counted as one word.

8. Where cyphers are used, the sender is recommended to pay for the repetition of such telegram, in order to insure accuracy.

9. In the event of serious delays occurring through accident to the lines which may prevent the transmission of a telegram within a reasonable time, or may destroy the value of any telegram, notice thereof will be sent to the sender of such telegram, should his address be known. The sender may, on a written application to the Officer in Charge of the Station at which such telegram was presented and paid for, receive back the amount paid thereon, and the telegram will be cancelled.

10. Telegrams will be delivered free of charge within one mile of the Station to which they may be transmitted by wire; but if required to be delivered beyond that distance, cab or omnibus fares, or horse hire, will be charged, as may be found necessary. All telegrams requiring to be delivered on shipboard, or on the water, or across the water, will bear an extra charge to defray any boat expenses incurred.

11. Should the sender of a telegram desire to have the telegram repeated, to insure accuracy, such repetition will be made at a charge of half the rate of the original telegram.

12. On special occasions, when Telegraph Stations are kept open beyond the usual hours of business, a double charge will be made on all telegrams presented for transmission.

13. Telegrams may be taken from the sender with the word *Collect* written thereon, and in such case the payment for the telegram will be collected from the receiver of the telegram; but in the event of the receiver refusing to pay, the sender of the telegram shall be held responsible for the due payment thereof.

14. Telegrams may be taken from the sender of a telegram with the words *Reply-paid* written thereon, and in such case the payment for the telegram in reply will be collected from the sender of the first telegram.

15. A fee of five shillings in each case must accompany applications for search for telegrams, or for search with copies, so as to cover cost of the search and the copy or copies required. Any excess or insufficiency in this amount will be adjusted before copies are handed to applicants.

URGENT TELEGRAMS.

Telegrams marked *Urgent* will be received at any Telegraph Station and transmitted as Urgent Messages in the order of their priority with other messages of the like code.

Urgent telegrams will take precedence of all ordinary messages.

The fee for an urgent telegram is double that charged for an ordinary telegram.

DELAYED TELEGRAMS.

Delayed telegrams are now received at any Telegraph Station throughout the colony for transmission, final delivery to the address given being effected by post.

The rates chargeable on all such messages are as follows, viz.: Sixpence (6d.) for the first 10 words (exclusive of address and signature up to 10 words), and a half-penny (½d.) for every additional word. Fractions of a penny in computing charges are not allowed. Senders of delayed telegrams are requested to give as full address as possible, and are also requested to write, in *Instructions* on the message, the word *Delayed*.

In addition to the rates above mentioned, postage is charged as follows: If the delivery is within the postal district of any town, one penny (1d.); outside the postal district, two-pence (2d.). In dealing with these telegrams, the department undertakes to telegraph them to their destination on the day of their receipt, and to post them the same evening.

STAMPED TELEGRAMS.

In order to encourage the use of the Telegraph, and as a matter of convenience to the Public, telegrams will be received for transmission at any Telegraph Office throughout the Colony, if sufficiently stamped with the ordinary postage stamps in lieu of payment by coin.

The stamps are to be affixed on the top right-hand corner, immediately under the heading *Fees received*.

Telegraph forms and envelopes, having the words (printed in red) "Telegram for transmission to the Officer in charge Telegraph Station," can be procured at Post Offices in towns where there is no Telegraph Station.

WEATHER TELEGRAMS FOR SHIPPING.

Masters of vessels are permitted to forward messages at an uniform rate of six-pence for each message (including reply) to the Harbour Masters of the various ports, seeking information as to the state of the weather, &c., at the port to which they are bound, or from any port which may lie in their route. These telegrams must be concise, and should be filled in in accordance with the directions to be seen at the various telegraph stations.

In no case will a larger number of words in the body of the telegram than ten be allowed under these Rules.

CONDITIONS UNDER WHICH TELEGRAMS ARE TRANSMITTED, AND TARIFF RATES FOR PLACES BEYOND THE AUSTRALIAN COLONIES.

CONDITIONS.

The following are the conditions under which messages will be transmitted on and after 1st April, 1880:—

1. No responsibility is accepted for any delay or errors in the transmission of telegrams, nor for the non-delivery of telegrams from whatever cause arising. Every care, however, will be taken to insure both accuracy in transit and speed in delivery.

MODE OF WRITING AND ACCEPTANCE OF TELEGRAMS.

- All telegrams should be legibly written.
- Telegrams may be written in plain language, in code language, or in secret language (*langage chiffré*).
- Telegrams in plain language must present a clear meaning in any one of the languages allowed to be used for telegraphic purposes.
- By code language is understood the employment of words which are to be found in vocabularies, but not arranged to form intelligible phrases.
- Telegrams in code languages may contain words belonging to any one or to all of the following languages, but to no others, viz., English, French, German, Italian, Dutch, Portuguese, Spanish, and Latin.
- Proper names of persons and places in the text of code messages must be used only in their natural sense.
- The Government has the right to ask for the production of code vocabularies should any word in a telegram appear open to question.
- Secret-language telegrams may be composed of cyphers, or they may contain series or groups of figures, the signification of which shall be unknown to the sending station, or they may be written in languages not admitted under paragraphs 6, 7, 8. Secret-language telegrams are charged in accordance with paragraph 25.
- Telegrams composed of secret letters are not admitted.

REGISTRATION OF ADDRESSES.

11. The Government will, at any of its stations, register free of charge the names and addresses of firms receiving messages, so that this information may be given in two words, but not less than two words, thus, "ARIEL, WELLINGTON." This registration can only be effected locally. If a firm in Wellington should desire to register a code address in any other place, they must instruct their correspondents in the town where the registration is to be effected to make the necessary application at the telegraph office. (See page 87.)
12. The name of the sender of a message need not necessarily be transmitted. Every message form, however, must be signed either by the sender or his representative.

COUNTING AND CHARGING OF TELEGRAMS.

13. Messages are charged according to a tariff per word, including the names and addresses of the sender and receiver.
14. The maximum length of a single word is fixed at ten letters, any additional letters being counted and charged for as extra words, at the rate of ten letters to the word.

Examples—Responsibility (14 letters)	...	...	2 words.
Irresponsibility (16 letters)	...	...	2 words.

15. Expressions joined by a hyphen are counted according to the number of words employed in their formation.
16. Words separated by an apostrophe are counted as so many separate words.
17. Proper names of places and persons, names of places, streets, boulevards, and titles, as well as numbers written in words, are counted according to the number of words being always used to express them, the limitation as to the number of letters in words being always applied.
18. Any instruction the sender may have to give as to the delivery at destination, payment of reply, or cost of repetition or acknowledgment of receipt, should be written before the address of the messages. These indications may be given in the following abbreviated form, when they will be counted as one word only:—

RP	Answer paid.
TC	Repetition paid.
CR	Acknowledgment of receipt.
PP	Postage paid.
XP	Express paid.

19. Every rectifying or completing telegram, and generally every communication exchanged between the sender and receiver, or by one or the other of them, with a telegraphic office in respect to a telegram already transmitted or in course of transmission, must be paid for. The charge made will be reimbursed if the communication has arisen under the circumstances mentioned in paragraphs 34 and 35.
20. Illegitimate compound words—that is, words combined in a manner contrary to the usage of the language—are not accepted. Abbreviated and misspelt words are inadmissible.

21. The following examples denote the manner of counting, charging, and signalling compound words:—

	Words.	Words.	Words.

23. If written separately or joined by a hyphen, two-pence, &c., up to eleven-pence, must be counted as two words, and "F.O.B.," "C.I.F.," and "C.F.I.," as three words.

24. "Elevenpence," consisting as it does of 11 letters, must be charged for as two words.

25. Every separate character, whether figure, or letter, or under-line, must be counted and charged for as one word. Every group of three figures, or less, must be counted and charged for as one word. Larger groups must be charged for at the rate of three figures per word, plus one word for any excess. Words or names not admitted under paragraphs 6 and 7, will be counted and charged for in the same way as groups of figures.

26. *Bond fide* trade marks are accepted at three letters to a word.

27. Bars of division, decimal points, commas, and stops used in the formation of numbers will each be counted as a figure.

28. Letters added to figures to form ordinal numbers will each be counted as a figure.

29. An underline must be counted and charged for as a word. Signs of punctuation (except when used in conjunction with figures), apostrophes, hyphens, inverted commas, and parentheses, *will not be counted, charged for, or transmitted.*

30. Examples of counting under the preceding paragraphs:—

31. The sender is responsible for any expense which may be incurred in the delivery of a message beyond the receiving station. He is also responsible for the consequences of giving an incomplete or incorrect address.

REPEATED OR COLLATED TELEGRAMS.

32. To insure greater accuracy in transmission, the sender may have his message repeated from station to station on payment of half the usual rates additional.

33. The words "repetition paid," or the abbreviation "TC" must be inscribed immediately before the receiver's address, and is charged for.

RECTIFYING TELEGRAMS.

34. The receiver of a message suspecting an error in transmission may have the whole or any part repeated on payment of the cost of a message demanding the repetition and a reply containing three words more than the number of words required to be repeated. The sender can also have the whole or any portion of his message repeated on payment of the price of the telegram he forwards and of the reply if one be required.

35. If the repetition asked for proves the original message to have suffered mutilation in transmission, the charges necessary to obtaining repetition of the mutilated words only will be returned.

36. To obtain reimbursement it will be necessary to fill up a form of reclamation, to be had on application at any telegraph office.

ACKNOWLEDGMENT OF RECEIPT.

37. The date and hour at which a message has been delivered will be notified to the sender by wire if he inserts the words "acknowledgment paid" or the abbreviation "CR." immediately before the receiver's address, paying the charge for 10 words.

PREPAID REPLIES.

38. The reply to a message can be prepaid, the sender determining its length, *which must not exceed thirty words.* The indication "reply prepaid" or "RP" will have to be inserted before the receiver's address, and paid for: this indication will represent the prepayment of a reply of ten words. If a longer or shorter reply be expected the number of words prepaid for the reply must be added thus, "RP fifteen," or "RP three:" this instruction counting as two words.

39. The sum prepaid for reply will be held for a period of six weeks at the disposition of the receiver of the original message to cover the cost of his reply.

40. Should the reply contain more words than have been prepaid, the sender of the reply must pay the excess charge.

41. If the original message cannot be delivered, or if the receiver refuse to send a reply, the delivery or terminal station will, on demand, at the end of six weeks, repay the amount deposited to the office of origin, by whom it will be returned to the sender of the original telegram.

MULTIPLE MESSAGES.

42. Messages may be addressed to several receivers in the same place, or to the same receiver at several residences in the same place.

43. Telegrams addressed to several receivers or to the same receiver in different towns are, in all cases, charged as so many separate telegrams.

44. Telegrams addressed to several persons in the same town or the same person at several addresses in the same town, with or without re-expedition by post, will bear only a single charge, with an extra tax of fivepence for every copy not exceeding 100 words, and fivepence additional for every extra 100 words.

Multiple messages are not accepted for North or South America.

MESSAGES BY WIRE AND POST.

45. Telegrams for places beyond the limits of the telegraph system must bear the indication "express" or "post paid" in the following form: "Express, Miller, Steiglitz, Berlin," "Gordon, Mauritius, post Aden," the name of the terminal or delivery station being last stated.

46. The public wishing to supplement or modify the contents of letters already despatched to distant places can address a telegram to their correspondents for transmission by wire to any port on the route, to be posted thence to destination; if addressed in the following manner, "— Calcutta, post—": the Government will not, however, be responsible should any telegram fail to arrive in time to catch the steamer by which it is intended to be forwarded.

SECRET-LETTER MESSAGES

47. Telegrams composed of secret letters (such as b x k l m) cannot be accepted from the public.

REIMBURSEMENTS.

48. When a telegram has suffered a delay of 144 hours from any other cause than an interruption of the telegraph lines, the charges will be returned after investigation, provided they be applied for on a reclamation form within six months after date.

49. The cost of a repeated or collationné message which has been mutilated in such a way as to alter its sense will also be returned, but no reimbursement will be made for errors in ordinary or unreported messages.

50. Should a telegram fail to reach its destination owing to any neglect on the part of the telegraph service, the charge for its transmission will be refunded.

51. The receiver of a message may present a claim for reimbursement on behalf of the sender.

URGENT MESSAGES.

52. Telegrams may be forwarded marked "urgent" for which three rates are charged.

REGISTRATION OF ABBREVIATED ADDRESSES.

1. A register is open at the Central Telegraph Station, London, for the registration of the full address, at which telegrams reaching London from the provinces, or from abroad, and marked with an abbreviated or arbitrary address, are to be delivered.
 2. The charge for registration is one guinea per annum, payable in advance, and becomes due on the 1st of August in each year.
 3. For an address registered in London, the fee of one guinea should be remitted by means of a cheque on a London Bank, crossed "Bank of England," in favour of the Postmaster-General or order, or by Post Office order payable at the Chief Office, London.
 4. The Postmaster-General does not undertake the delivery of any telegrams at addresses which are not either full and complete, or which have not been registered at the General Post Office, or which cannot be traced in the Post Office London Directory, whether the record of the actual address has already been notified to the Post Office or not.
 5. In the provinces, and in Scotland and Ireland, the addressees of telegrams may have their addresses registered at the Chief Office of the Town in which they reside, upon payment at that office of the registration fee.
- Persons in New Zealand desirous of availing themselves of this arrangement should request their correspondents in the United Kingdom to register any abbreviated address that may be agreed upon, at the Chief Office of the Town in which they reside.
- A register is kept at every Telegraph Station in New Zealand for the registration of arbitrary or cypher addresses in the shape of one or more words agreed on by correspondents. No charge is made for registering. (See 11, page 80.)

TELEPHONE EXCHANGE.

A telephone exchange means any telegraph office to which a number of private telephone wires are led in for the purpose of intercommunication amongst the subscribers.

Telephone exchanges have been established at Auckland, Christchurch, and Dunedin, and, when a sufficient number of subscribers can be obtained, exchanges will also be opened in all the chief towns of the colony.

Edison-Bell Telephones, connected with the exchanges, will be placed in offices or private residences, within a reasonable distance of the central office, so that a subscriber can converse with other subscribers at their offices or residences.

Subscribers at each exchange are furnished with a list of persons with whom they may communicate; and, as new subscribers are connected with the system, notification to that effect will be given.

The instruments used have been proved to be a thorough commercial success. They are simple and not likely to get out of order, and the working can be explained in a few minutes. Printed directions as to manipulation are furnished with each set.

The subscription per annum, payable quarterly in advance, is as follows:—

£ s. d.

For the hire of each set of instruments, and wire from office or private residence for any distance within half a mile of the exchange office ... 17 10 0
For every additional quarter of a mile or portion thereof ... 2 0 0

When more than one instrument is hired by the same firm or person the charge is £15 for every instrument after the first for the above distance. Those who desire to avail themselves of this arrangement are requested to communicate with the Superintendent of Telegraphs, Wellington.

A "bureau station" means any ordinary telegraph station connected by telephone with an exchange.

The following are the charges to be paid by the public for the use of Government telephones wherever established in the colony at a bureau station in connection with an exchange:—

Where the line used is not more than four miles long, a uniform charge of 6d. for the use of same for any period not exceeding five minutes, and a further charge of 6d. for every additional five minutes or portion of five minutes.

Where the line used is over four miles long, the charges are 1s. for the use of same for any period not exceeding five minutes, and a further charge of 1s. for every additional five minutes or portion of five minutes.

Any message telephoned by a subscriber through an exchange to a bureau station, and received and delivered by the department within the ordinary circuits of delivery, is charged 6d. in addition to the above rates.

Messages outside of the limits described above are subject to special charges for delivery, according to the extra expense incurred in such delivery.

PRIVATE WIRES.

CONDITIONS UNDER WHICH LINE WILL BE CONSTRUCTED, SUPPLIED WITH INSTRUMENTS, AND MAINTAINED.

Cost of Construction.

The price for the construction of any private line is the actual cost of construction, fixed, as far as possible, according to the following scale:—

Poles, 20 to the mile; if any angles, extra poles will be required. As a rule, the poles will be 4 chains apart.

25-foot poles, 23s. each; 20-foot poles, 18s. each; wire, No. 8, £28 10s. per ton (5 miles of wire in a ton); insulators, 2s. each; arms, 1s. each; pole-caps and bolts, 6d. each; binding-wire, 38s. per cwt. (about 3 lb. used in a mile).

Freight, and labour of erection, at current rates.

The applicants must, prior to the work being commenced, pay in advance two-thirds of the cost, and on completion of the line, pay the balance due forthwith.

Instruments.

Instruments will be supplied for use on private lines, as may be requested by the applicants, at the following prices:—

Telephone, two sets=1 pair, £20, including batteries; lightning-guards, if desired, £3 extra.

ABC instruments, two sets=1 pair, £53, including 2 lightning guards.

Morse tape instruments, two complete sets, each consisting of 1 Morse instrument, 1 key, 1 galvanometer, 1 relay, 2 lightning-guards, £64. Battery for same, 4s. per cell; gutta-percha wire, 3d. and 6d. per yard, according to size used; terminals, 2s. each.

Maintenance.

The cost for maintenance will be as under, payable yearly, on the thirtieth day of June in each year; a proportionate amount being paid on the first thirtieth day of June after the completion of the construction of the same for the proportionate portion of such year:—

For the first mile or fraction of a mile, £5 per annum;

For every mile or fraction of a mile after the first mile up to and including the twenty-first mile, £2 10s. per annum;

For every subsequent mile, after the twenty-first mile, or fraction thereof, £1 10s. per annum.

If the wire cannot be erected on any existing line, and therefore entails the erection of a new line, then the maintenance will be at the rate of £2 10s. per mile per annum for every mile or fraction thereof, after the first charge of £5 per annum for the first mile.

Use of Line.

The applicants must only use the line for their own *bona fide* business, and on no account, directly or indirectly, allow the wire to be used for any purpose which might be construed into an attempt to defraud the department of its revenue.

NOTICES.

The Telegraph Companies register names and addresses of telegraph correspondents free of charge at all their stations, and in London at 74, Old Broad Street, 8, Leadenhall Street, and 42, Finsbury Circus.

NOTE.—Two routes are available for telegraphic communication between the Colonies and the United Kingdom, &c., the one by submarine cable *via* Suez, Gibraltar, and Falmouth; the other *via* Teheran in Persia. The sender of a telegram is at liberty to prescribe (without charge) by which of the above routes he may wish his telegram transmitted.

ORDINARY BRANCH GOVERNMENT LIFE INSURANCE DEPARTMENT.

ASSURANCES IN FORCE NEARLY £5,000,000.

ANNUAL INCOME EXCEEDS £170,000.

ACCUMULATED FUND EXCEEDS £650,000.

The Government Insurance Department is the only New Zealand Life Insurance Office.

No business is transacted out of the colony: the full benefit of the low rate of mortality in New Zealand being thus secured, the extra risks of inferior climates are avoided, and the entire funds of the Department retained in the colony for investment.

Government Security for the Payment of every Policy.

The all-important consideration for insurers is the security for payment of the sum assured. Policy-holders in this Department obtain THE SECURITY OF THE COLONY, in addition to that of a Mutual Insurance Office.

Policy-holders are entitled by Law to the whole of the Profits.

The surplus Profits for the ten years ended 30th June, 1880, amounted to £77,000, of which £56,000 is allocated for present division amongst policy-holders, with usual bonus options.

Moderate Premiums.

This Department alone combines the advantages of MUTUAL ASSURANCE with MODERATE PREMIUMS and GOVERNMENT SECURITY. Instead of charging rates considerably higher than are necessary, and afterwards returning the excess accumulated at a low rate of interest, in the shape of bonuses, this Department gives AT ONCE as large an Assurance as the premiums will bear with safety. Thus, a policy for as much as £1,200 to £1,250 may be secured from the first in this office for the same yearly premium as would elsewhere purchase only £1,000. In addition to this advantage, which is equivalent to an IMMEDIATE BONUS of £200 or more, all surplus profits that may arise belong entirely to the Assured.

Liberal Regulations.

POLICY-HOLDERS AFTER THREE YEARS have an absolute right to a surrender value DEFINED BY LAW, and not subject to the discretion of Directors.

POLICIES CANNOT BE FORFEITED FOR NON-PAYMENT OF PREMIUMS SO LONG AS THE SURRENDER VALUE IS SUFFICIENT TO PAY THE ARREARS. For instance, in the case of a policy where, from inadvertence or inability to pay, one or more premiums

are overdue when death occurs—the total arrears not being in excess of the surrender value—the sum assured is at once paid to the representatives of deceased after deducting the premiums in arrear and interest.

POLICY-HOLDERS CAN BORROW ON SECURITY OF THEIR POLICIES at 7 per cent. interest, to the extent of 90 per cent. of the cash surrender value.

POLICY-HOLDERS MAY TRAVEL all over the world, or change their occupation, without extra charge.

POLICIES AFTER FIVE YEARS' DURATION are, if age has been admitted, INDISPUTABLE AND UNCHALLENGEABLE, being FREED FROM ALL CONDITIONS. Holders of such policies may RESIDE IN ANY PART OF THE WORLD without license or extra charge, provided that they have resided continuously within ordinary limits from the date of the policy.

POLICIES ARE INDORSED WHEN ISSUED WITH ADMISSION OF AGE on production of certificate of birth or baptism, or, failing these, the best evidence that can be procured; but, if such proof is not forthcoming at the time, age can be admitted subsequently.

POLICIES ARE PROTECTED FROM BANKRUPTCY after two years to the extent of £200; after five years, to £500; after seven years, to £1,000; after ten years, to £2,000.

For TOTAL ABSTAINERS there is a SPECIAL SECTION, in which PROFITS are ALLOCATED SEPARATELY.
