For a term exceeding six calendar months and not exceeding one year, one pound (£1).
For a term not exceeding six calendar months, ten shillings (10s.).
For a term not exceeding six calendar months, provided that no private box shall be let save for a term ending on the 30th day of June or the 31st day of December next after the day on which the same shall be let; and that, where there are two or more applicants for the same box at the same time, the preference shall be given to the person desiring to have the same for the longest term.

No one can engage a private box for specified days in the week alone.
Private box-lobbies are open on Sundays and public holidays at Auckland, Wellington, Christchurch, and Dunedin from 10 a.m. to 10 p.m., and at all other offices from 10 a.m. until 5.30 p.m.

Persons residing upon mail routes requiring the accommodation of private bags can obtain the same upon payment, in advance, of the under-mentioned fees to the Chief Postmaster of the district, and subject to the following regulations:—

1. The fees payable for private mail bags shall be—For a term exceeding six calendar months and not exceeding one year, two pounds (£2); for a term not exceeding six calendar months, one pound (£1). Provided that no private mail bag shall be let save for a term ending on the 30th day of June or the 31st day of December next after the day on which the same shall be let.
 2. The bag must be of leather, with a lock and two keys, and provided and kept in repair at the cost of the person requiring it, and when empty must not exceed two pounds in weight, and must be approved by the Postmaster.
 3. The Postmaster must securely lock the bag before despatching it, and it must be returned to the Postmaster in the same manner.
 4. The bag must only contain correspondence for persons connected with the establishment of the owner of the bag, or who may be in his employment; and it must be distinctly understood that such owner is responsible for the postage of all unpaid letters, and for returning receipts for all those which may be registered.
- A mail contractor is bound to convey and deliver, free of charge to the holders, all private bags given to him by Postmasters, but is not required to deviate from the prescribed mail route, and is on no account to be delayed. Should the return bag not be ready at the appointed time and place, the Contractor is not required to wait for it.

SEABORNE MAILS.

Seaborne mails, as a general rule, are closed one hour previous to the despatch of the mails from the Post Offices; and at Auckland, Christchurch, Timaru, Oamaru, Dunedin, and Invercargill late letters may be posted in the Guard's Van at the respective Railway Stations until the hour of departure of the trains for Onehunga, Lyttelton, Port Chalmers, and Bluff, provided such letters, for places beyond the colony, bear, in addition to the ordinary postage, a further single rate of postage; and, for delivery within the colony, one penny additional postage as a late fee. Late letters should not be posted at the Iron Pillar Receiver, Christchurch Railway Station.

UNCLAIMED LETTERS.

On the first day of each month a list is exhibited at each Post Office in the Colony of the addresses of all letters received from places beyond the Colony that have remained unclaimed for two months at such Post Office, exclusive of that in which they were received; and such of these letters as remain unclaimed at the end of a further period of one month are then forwarded to the Dead Letter Office, to be returned unopened to the countries where they originated. Unclaimed letters originating in the Colony are not advertised, but at the end of one month are forwarded (excepting special-request letters) to the Dead Letter Office, Wellington, there to be opened and returned to the writers.

SPECIAL REQUEST LETTERS.

Letters posted within the colony, with the names and addresses of the senders written, printed, or embossed on the address side or on the fly of the envelopes, if not claimed within thirty days, must be returned unopened to the writers or senders by Chief Postmaster. Letters posted within the colony, having the names and addresses of the senders written, printed, or embossed on the address side or on the fly of the envelopes, together with a request on the address side of the cover that the letters be returned if not claimed within a stated period, are also returned as above described. No such unclaimed letters can,

however, be returned unless they have remained in the Post Office to which addressed at least ten days.

Letters of this class originating at hotels, clubs, or places of public resort must not be returned unopened by Chief Postmasters unless, in addition to the printed or embossed address on the cover, the name of the actual sender also appears.

The above instructions do not apply to the following classes of letters, which are sent to the Dead Letter Office as heretofore:—Registered letters, official letters (excepting those otherwise duly directed), surcharged letters, and letters containing coin.

Rates of Postage, and Conditions of Transmission.

All letters, newspapers, and book and pattern parcels, posted in New Zealand, must be prepaid by postage stamps.

INLAND LETTERS.

Letters posted in New Zealand for places within the Colony or for the Chatham Islands, not properly prepaid, will be forwarded charged with double the amount of deficiency. For rates of postage on town and inland letters, see page 60.

Late letters for places within the colony for despatch by steamers will be received until within twenty minutes of the despatch from the Post Office, provided such letters bear the full postage and a penny label as a late fee.

Late letters for places within the colony posted on board mail steamers must also bear the full postage and a penny label as a late fee. When such letters are posted unpaid, or insufficiently paid, they will be charged, on delivery, with double the deficient postage. Should the late fee not be paid at the time of posting, a charge of twopence will be made on delivery.

Letters redirected from one part of the Colony to another are chargeable with fresh rates of postage, as if they were then posted for the first time, prepayment being optional.

CONSIGNEES' LETTERS.

Consignees' letters, when received loose from vessels for delivery through the Post Office, are not treated as ordinary loose letters, but allowed to pass at the single rate of postage (twopence per half-ounce), whether for town or country delivery.

Letters posted altogether unpaid will be taxed the above rate, and letters partly prepaid simply the deficiency.

The words "Consignees' Letters," or "Consignees" should always appear on the face of letters to be granted the privilege.

LETTERS FOR PLACES BEYOND THE COLONY.

The rates of postage on letters to the United Kingdom, the Australian and other British Colonies, and Foreign Countries, are enumerated in the Table of Rates of Postage, at pages 63 to 80.

Letters posted in the Colony for the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, Western Australia, the United Kingdom, India, Canada, and the United States of America, although insufficiently prepaid, if bearing postage stamps of the value of at least one single rate, will be forwarded charged with the deficient postage, together with an additional single rate as a fine. Insufficiently prepaid letters for the United Kingdom marked "via Brindisi or Naples," will, unless bearing postage stamps of the value of one single rate for such route (*i.e.*, eightpence), be forwarded *via* San Francisco, charged with the deficiency and fine.

Late letters for places beyond the Colony will be received until twenty minutes before the hour of despatch from the Post Office, provided such letters bear, in addition to the full postage, a further single rate of postage as a late fee.

Late letters placed on board steamers must also bear, in addition to the full postage, a further single rate of postage as a late fee.

Letters re-directed to the United Kingdom, India, the Colonies of New South Wales, Victoria, South Australia, Queensland, Tasmania, and Western Australia, respectively, are charged with a new and distinct rate of postage—prepayment optional; the postage on re-directed letters for all other places beyond the Colony must be prepaid.

Re-directed letters received from places beyond the Colony, on which the re-direction postage has not been prepaid, will be charged full postage rates on delivery.

Letters, &c., received at any Post Office in the Colony from places beyond the Colony, which have not been regularly posted at the place of despatch, will be charged with full

postage, according to the rates fixed in the Table of Postage Rates, unless they are letters which it is not compulsory by law to send by post, in which case they are chargeable with the Inland letter rate of postage only.

No letter (whether registered or otherwise) containing either gold or silver money, jewels, or precious articles, or any other article whatever liable to Customs duties, can pass through the post to any of the countries comprised within the Postal Union (the United Kingdom excepted), a list of which appears at the end of the table of rates of postage published from time to time in this Guide. Letters for Italy or other countries received by the Italian Post Office, containing articles in contravention of this rule, are opened, and, the articles having been confiscated, are sent on alone to their destination.

POST CARDS.

Penny Post Cards for transmission between places in New Zealand, and also at letter rates to certain other places, hereafter mentioned, may be purchased at any Post Office or from any licensed stamp vendor.

The front or stamped side of the card is for the address only, and, beyond the written or printed address, nothing whatever must be printed or written upon that side of the card. On the reverse side, any communication, whether of the nature of a letter or otherwise, may be printed or written. Nothing whatever may be attached to the card, nor may it be folded, cut, or otherwise altered. If any of the above conditions be infringed, the card will be charged one penny on delivery.

An exception, however, has been made in the case of post cards used for receipt purposes, to the back of which a duty stamp may be affixed.

No cards other than those issued by the Government, or private cards stamped by the Government with a penny stamp, under the special authority of the Postmaster-General, can be used for the purpose of making a written communication through the Post Office, unless such cards be prepaid the ordinary full letter postage.

Any post card observed to bear upon it anything of an obscene, libellous, or obviously objectionable nature, will be detained and sent to the Dead Letter Office for disposal. Post cards may be transmitted to the Colonies of Victoria, South Australia, and Tasmania under the same conditions as they are transmitted within New Zealand, except that in addition to the impressed stamp they must have an extra penny stamp affixed to them. All post cards addressed to other places out of New Zealand will be detained, and sent to the Dead Letter Office for disposal.

Private cards will be received from the public, and impressed with the penny postage stamp, under the following conditions:—A week's notice must be given by the applicant and a sample of the card to be used should be forwarded for the Postmaster-General's inspection. None but card of approved quality and colour will be accepted. Each sheet must be of the size of 22 inches by 15 inches, and must not exceed two ounces in weight. Not fewer than fifty sheets of card can be received at one time. On each sheet presented for impression, the applicant's name or monogram must be embossed or printed, and any printing must be thoroughly dry. Cards when impressed will be returned to the applicant in sheets of twenty-one impressions. No fee will be charged for stamping. Cash must accompany all cards to be impressed. No commission will be allowed upon private cards impressed for licensed vendors.

NEWSPAPER WRAPPERS.

Newspaper wrappers may be purchased at any post office, or from any licensed stamp vendor. The wrappers are intended for the transmission through the post of newspapers within New Zealand; but they may also be used for forwarding newspapers to places beyond the colony, on prepayment of the additional postage.

An extra charge of one penny per eighteen wrappers is made, to cover the cost of paper, &c. The wrappers are made up and sold in the following parcels:—18 wrappers for 10d.; 270 wrappers for 12s. 6d.; 540 wrappers for 25s.; 1,080 wrappers for 50s.

INLAND PATTERN AND SAMPLE AND PARCEL POST.

The following are the rules of the inland pattern and sample and parcel post:—

- (1.) A pattern sample or parcel packet may contain patterns, samples, or articles of merchandise, goods sent for sale or in execution of an order, or any articles sent by one private individual to another, except such as are enumerated in Articles 10 and 11; seeds, cuttings, bulbs, roots, and scions may also be forwarded.
- (2.) The postage is one penny not exceeding two ounces; twopence not exceeding four ounces; and one penny for every additional two ounces or fraction of two ounces.
- (3.) No packet must exceed two feet in length or one foot in width or depth, nor

- must it exceed five pounds in weight; any packet exceeding these dimensions or weight will, if it cannot be returned to the sender, be advertised for one month, and if not claimed then be sent to the Dead Letter Office.
- (4.) There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender and the nature of the contents, a trade mark and numbers, and the prices of the articles, otherwise the packet will be charged double letter postage. The name and address of the sender of any parcel should invariably be given, so that, if for any reason the packet cannot be forwarded or delivered, it may be returned to the sender.
 - (5.) There must be no enclosure other than the articles themselves. The particulars which are allowed to be furnished under the preceding rule, as to the trade marks and numbers, and the prices of the articles, must in all cases be given, not on loose pieces of paper, but on the covers, or on small labels attached to the articles or the bags containing them. Should this rule be infringed, the packet will be charged double letter postage.
 - (6.) A pattern, sample, or parcel packet must be sent in a stout and durable cover, open at the ends, so as to be easy of examination. Seeds, drugs, &c., may be enclosed in tin boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of seeds in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be charged double letter postage.
 - (7.) Insufficiently paid or wholly unpaid packets will be treated as described in section 1 of the Inland Book Post Regulations.
 - (8.) In order to prevent interruption to the regular transmission of letters, packets may, when it is necessary, be kept back by any Postmaster until the following despatch.
 - (9.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and officers of the Post Office, while at the same time they may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded, it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application. If not claimed within one month it must be sent to the Dead Letter Office.
 - (10.) Packets or parcels containing gold, silver, jewellery, &c., cannot be forwarded under the inland pattern and sample and parcel post regulations, but they may be sent as letters.
 - (11.) Parcels containing gunpowder, glass, any perishable substance such as leeches, game, fish, flesh, fruit, vegetables, &c., any liquid (except liquid medicine), matches, or other inflammable or explosive substance, or compound poison, or whatever is dangerous to the mails, or offensive or injurious to the persons dealing with the mails, shall not be transmitted by the post whether as a parcel or otherwise. Postmasters must refuse to transmit by post any parcel which shall contain, or be reasonably suspected to contain, any such articles. Liquid medicines strongly packed in tin cases, and marked "Liquid Medicine," may, however, be posted.

INLAND BOOK POST.

The following are the regulations of the inland book post:—

- (1.) The postage is one penny not exceeding two ounces; twopenny not exceeding four ounces; and one penny for every additional two ounces or fraction of two ounces. Book packets which may be insufficiently prepaid, or be by inadvertence posted wholly unpaid, will be forwarded charged with double the deficiency.
- (2.) An inland book packet may be sent either without a cover (in which case the book-packet must not be fastened, whether by means of gum, wafer, sealing-wax, postage stamp, or otherwise), or in a cover entirely open at both ends or sides, so as to admit of the contents being easily withdrawn for examination. For the greater security of the contents, the packet may be tied at the ends with string, but in such case Postmasters are authorized to cut the string, even though it be sealed, although if they do so they must again tie up the packet.
- (3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters intended for transmission in identical terms to several persons), photographs (when not on glass or in cases containing

- glass or such like substance), drawings, engravings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, is allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps; markers (whether of paper or otherwise) in the case of books; pens or pencils in the case of pocket-books, &c.; and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto.
- (4.) A book packet may also comprise bills of lading, printed catalogues, manuscript of books or pamphlets (if plainly superscribed as such, together with the name of the sender), music (written or printed, and, in the case of proof sheets, manuscript corrections), paintings, packets containing defaced postage-stamps, wedding-cake, if packed in a cardboard box, pass-books, printed placards, printers' proofs (marked as such on the covers), scrip, deeds, policies of assurance, insurance policies, filled-in forms of insurance and assurance proposals (and other printed documents connected therewith), plans, powers of attorney, specifications, prospectuses, returns (if filled in in accordance with the printed headings, and without note or any comment whatever), invoices, legal documents, recognizances, drafts, trade circulars, prices current, valentines, Christmas, New Year's, birthday, or any festival cards, without writing, and, in fact, any written or printed matter not of the character of an actual and personal correspondence, may pass as articles within the meaning of the Inland Book Post Regulations.
 - (5.) Press manuscript intended for publication is not regarded as actual and personal correspondence, provided the packet bears the words "Press Manuscript," and is addressed to the office of any newspaper published within the colony. If posted in accordance with the foregoing directions, press manuscript will be permitted to pass at book-packet rates of postage.
 - (6.) No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is even recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned. A book may also contain a manuscript dedication, or a complimentary inscription from the author, or the name of the sender may be written. Passages in the text to which it is desired to call attention may be marked with a simple stroke.
 - (7.) No book packet must exceed two feet in length, or one foot in width or depth,—nor must it exceed five pounds in weight; and if any such packet be presented at a Post Office it will not be received without the special permission of the Secretary.
 - (8.) A book-packet received from an office beyond the colony must not be surcharged without first ascertaining whether it has been posted in contravention of the regulations of the office of origin.
 - (9.) If a packet be posted not open at the ends or sides or contains any letter, or any communication of the nature of a letter written in it, or upon its cover, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be charged double letter postage less postage affixed, and forwarded to its address.
 - (10.) All *bond fide* printed or lithographed matter enclosed in envelopes slit or partially open at the ends, or *having the fly turned inside*, instead of gummed over in the usual manner, is permitted to pass through the post at book-post rates.
 - (11.) Trade and professional accounts passing between creditor and debtor cannot pass at book rates of postage, but must be prepaid as letters.
- Legal documents include acts or deeds of all kinds drawn up by public functionaries, copies or extracts of deeds under private seal, and in general all *manuscript, legal papers, and documents which have not the character of an actual and personal correspondence*. It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices. To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.
- The main business of the Post Office being the transmission of letters, though books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would

interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.

MAGAZINE POST.

Magazines and other similar publications are received and forwarded through the post, for delivery within the colony, at the reduced rate of postage hereinafter mentioned, and subject to the following conditions:—

- (1.) Every such serial must be first approved by the Postmaster-General for despatch as a magazine.
- (2.) Every magazine must be sent in a cover entirely open at the ends, with the words "Magazine Post" printed or written on the address side of the cover. In addition to the address, the name of the sender may also appear on the cover.
- (3.) No magazine can exceed sixteen ounces in weight.
- (4.) Only one publication and of that a single copy can be enclosed in a cover.

The rate of postage is one halfpenny for every two ounces or fraction of two ounces. Insufficiently prepaid magazines are surcharged double the deficiency; and wholly unpaid and irregularly posted magazines must be treated in the same manner as detained book packets.

NEWSPAPERS.

1. All newspapers published in the colony, and registered at the General Post Office for transmission by post, may either be forwarded like other printed matter under the regulations of the book post, or may be transmitted within the colony on payment of a postage rate of one halfpenny each in postage stamps, and to places beyond the colony at the rates set forth in the Postal Guide.

Registration for inland circulation includes registration for transmission abroad. The conditions of registration are as follows, viz.:—

- (1.) The publication must consist wholly or in great part of political or other news, or of articles relating thereto or to other current topics, with or without advertisements.
- (2.) It must be printed and published in the Colony of New Zealand, and must be published in numbers at intervals of not more than thirty days.
- (3.) The full title and date of publication must be printed at the top of every page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation extends to "Tables of Contents" and "Indices."

2. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets or on a piece or pieces of paper; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. The supplement must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page, or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side. The added matter must be a genuine supplement, that is, matter supplied in order to complete that to which it is added or supplemented, but left out of the regular issue for want of space or time, or for greater convenience. As used in relation to newspapers, a supplement is held to be matter proper to be inserted in the newspaper to which it is supplied, but has not been for want of space, or want of time, or because it is more convenient regarding space or time, or either, that it should be printed on a separate sheet.

3. A newspaper must not contain any enclosures other than the supplement or supplements proper to the newspaper, nor any writing or other mark beyond the name and address of the person to whom it is sent, nor anything on the cover but the name and publisher or vendor who sends it. *Inserts, advertising sheets, or handbills* placed between pages of newspapers, but having no connection with such publications as properly parts thereof, will subject the entire packages to letter rates of postage.

4. If a newspaper addressed to any place within the colony be found to contain writing or any enclosure, it must be forwarded to its destination charged according to its weight, with the full rate of letter postage from the country where it originated; but if such newspaper be addressed to any place beyond the colony, it must be detained and advertised the same as a book packet: and if postage be not paid, it must in due course be sent to the Dead Letter Office.

5. If more than one newspaper be enclosed in a packet addressed to any place within the colony, and for which the full amount of postage has not been paid, a charge of one penny must be made for each extra newspaper enclosed. Packets or single numbers of newspapers posted for places beyond the colony not fully prepaid, or for places within the colony wholly unpaid, must be detained and dealt with as a book packet.

6. Newspapers, if posted in single numbers, addressed to the Manager, Keeper, Clerk, Secretary, Librarian, or other person having the charge of any Athenæum, Mechanics' Institute, Hospital, Public Library, Young Men's Christian Association Free Reading-rooms, Wellington Press Library and Reading-room, Port Chalmers Sailors' Rest, or Lunatic Asylum in the colony, are permitted to pass through the post, and to be delivered free of postage; if directed to the care of the officer or to a name at the institution they must be treated as an ordinary newspaper.

7. "Newspaper exchanges" (i.e., newspapers exchanged between newspaper offices) are permitted to pass through the post free of postage, if posted in single numbers, from any newspaper office within the colony and addressed to the Editor, Proprietor, Publisher, or Manager of any newspaper published in the colony, and properly franked. The title of the newspaper, and the words "Newspaper Exchange only," must be written or printed on each cover above the address; and the frank or certificate of exchange must be signed by the authorized person, either by affixing his signature, or a *fac-simile* thereof by means of an autograph stamp. Newspaper exchanges not posted in accordance with the foregoing rules will be charged full letter rates.

8. Not more than one copy of any issue of a newspaper intended for free transmission under Rules 7 and 8 will be forwarded free of charge. If more than one be posted not prepaid with postage, Rule 5 will be applied.

9. Newspapers, whether originating in the colony or beyond the colony, re-directed from one Post Office to another within the colony may be transmitted accordingly, but are chargeable with a fresh newspaper rate of one halfpenny each, which may be paid either on re-direction or delivery.

10. Every newspaper must be posted either without a cover or in a cover entirely open at both ends, so as to admit of easy removal for examination. A newspaper must not be fastened in its corner by means of gum, sealing-wax, postage-stamp, or otherwise. If this rule be infringed the newspaper must be treated as a letter.

11. In order to facilitate inquiry into complaints of alleged delay in transmission of newspapers through the post, the postage stamps or wrappers, as the case may be, are cancelled with the date stamp of the despatching office.

FOREIGN BOOK POST.

The following are the regulations of the foreign book post:—

- (1.) The postage to the Australian Colonies and India, the United Kingdom, the Dominion of Canada, and the United States of America *via* San Francisco is one penny not exceeding one ounce; twopence not exceeding two ounces; and twopence for every additional two ounces or fraction of two ounces. The postage to all other foreign places may be ascertained on reference to the table of rates of postage published from time to time in the Postal and Telegraph Guide. Book packets which may be insufficiently prepaid will be treated as described in section 7.
- (2.) Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being examined. For the greater security of its contents, the packet may be tied at the ends with string, but in such case the Postmaster is authorized to cut the string, although if he do so he must again tie up the packet.

(3.) A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass or in cases containing glass), packets of defaced postage-stamps (to countries not in the Postal Union), drawings, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, whether of a book, &c., or of a portion thereof, will be allowed, of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, &c., must not be sent as a separate packet.

(4.) No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is even recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.

(5.) No book packet must exceed two feet in length, or one foot in width or depth, nor must it exceed five pounds in weight. The limit of weight on a book packet addressed to any of the countries comprised within the Postal Union, a list of which appears at the end of the table of rates of postage published from time to time in the Postal and Telegraph Guide, is four pounds. Packets exceeding the foregoing weights and dimensions will not be received at any Post Office.

(6.) If a packet be posted not open at the ends or sides, or contains any letter, or any communication of the nature of a letter written in it, or upon its cover, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be dealt with as directed in Rule 7.

(7.) If a book packet for the countries and colonies named in section 1 be not sufficiently prepaid with stamps, but nevertheless bear stamps of the value of one rate, it is forwarded charged with the deficient postage, together with a fine of an additional rate of fourpence in all cases. Books and parcels for France are dealt with as stated in the foot-note after the rates of postage given at page 80. Books for all other countries and places named in the table of rates of postage, to which prepayment is compulsory and which are irregularly posted or not fully prepaid, are detained and the addresses advertised for one month on a list outside the Post Office, and if not released they are then sent to the Dead Letter Office for disposal.

(8.) All *bonâ fide* printed matter enclosed in envelopes slit or partially open at the ends, or having the fly turned inside, so that the contents may be examined without cutting or tearing the envelope, instead of having it gummed over in the usual manner, is permitted to pass through the post at book-post rates.

It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.

The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.

FOREIGN PATTERN AND SAMPLE POST.

The following are the rules of the foreign pattern and sample post:—

- (1.) A pattern parcel is a *bonâ fide pattern or sample of merchandise*. Goods sent for sale or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another, which are not actually patterns or samples, are not admissible.
- (2.) The rates of postage are the same as for book packets. (See sections 1 and 8 of the Foreign Book Post Regulations.)
- (3.) No packet of patterns or samples must exceed in weight or dimensions the limits given at *a*, end of the Table of Rates of Postage, page 80. Packets exceeding these weights and dimensions will be detained, advertised, and returned to the sender, if possible; otherwise to be sent to the Dead Letter Office after being kept a week.
- (4.) There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles, otherwise the packet will be treated as a letter.
- (5.) There must be no enclosure other than the samples themselves. The particulars, which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on the covers or on small labels attached to the samples or the bags containing them, or the packet will be treated as a letter.
- (6.) The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, &c., may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of samples of seeds in bags entirely closed (read Rule 10), provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.

(7.) Insufficiently prepaid packets of patterns or samples are treated as described in section 7 of the Foreign Book Post Regulations.

(8.) In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any Postmaster until the following despatch.

(9.) The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded it will be detained, and a notice of its detention will be sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application. If not claimed within one month it must be sent to the Dead Letter Office.

(10.) Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United Kingdom, the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland; and samples of intrinsic value must not be sent to foreign countries.

Registered Letter Envelopes for Foreign as well as Inland Letters.			Sizes,—			
5½ in. x 3¼ in., 6 in. x 3¼ in.			Price, 1d. each			
No person excepting a postal officer may, unless specially licensed by the Stamp Department, sell postage stamps, post cards, or newspaper wrappers. The penalty for such illegal sale is ten pounds.						
To prevent the purloining of postage stamps by the <i>employés</i> in large establishments, it has been decided that the stamps may be perforated with the initials of the firms, &c., so as to render the improper sale of such stamps a matter of difficulty. The perforation, with initials, of the stamps on post cards and newspaper wrappers is also allowed; but permission in all cases must first be obtained from the Postmaster-General.						
The postage stamps should be placed on the front of the letter, and upon the right-hand corner of the upper side. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which have been previously used.						
Stamps which have been torn, cut, or otherwise rendered imperfect, except by perforation, cannot be used.						
The halfpenny postage stamp should not be affixed to letters.						
The regulations relating to post cards will be found on page 53.						
English postage stamps may be obtained by persons desirous of sending a stamp or stamped envelope to their relatives or friends in the United Kingdom, in order to relieve them of the cost of the postage when sending replies. These stamps cannot be purchased in quantities, nor are they permitted to be used for the purpose of making remittances.						

By the prepayment of a fee of sixpence in addition to the full postage, any letter, newspaper, book, or other packet, may be registered to any place in the Colony. For registration to the United Kingdom, British Colonies, and certain Foreign Countries, see Table of Postage Rates, pages 63 to 80.

Registration.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, the Post Office is not responsible

for the safe delivery of registered packets, though any officer who may neglect his duty in this point will be called to strict account. Valuable articles sent in *unregistered* letters are exposed to risk. All Inland and Colonial letters, therefore, which unquestionably contain coin or articles of value, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of one shilling, in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch.

No letter or packet containing coin or articles of value liable to Customs duty, addressed to any Postal Union country, will be received at any Post Office.

Every letter to be registered should be presented at the counter, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, if directed to any place in the Colony, the United Kingdom, or the British Colonies, be liable to a double registration fee.

Letters may be registered during the ordinary office hours, and for despatch by any mail, one hour before the closing of such mail. No letter-carrier, messenger, or other servant of the Post Office is allowed to carry a letter for any person to be registered.

A registered letter, which has not been delivered, when re-directed to any place within the Colony, is not liable to any further charge than an ordinary re-directed letter. If, however, a registered letter be re-directed to any place without the Colony, the second postage and registration fee must be prepaid.

No letter or other postal packet addressed to initials, or to a fictitious name, can be registered.

Delivery.

Letter-carriers and messengers are prohibited from distributing any letters, newspapers, &c., except such as have passed through a Post Office. They are not allowed to deliver in the street or elsewhere except at houses or places of business, even to addressees; nor are they allowed to deliver under doors. They are not allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, or to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities.

No person living within the town free delivery can claim to have his letters delivered at the office if a delivery by letter-carrier is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by letter-carrier, may be obtained by any person on application at the office, so long as it is open for delivery.

Receipts must be given for all registered articles upon delivery thereof. Letters addressed to the Post Office, or to be kept till called for, may be obtained at the office, except where it is ascertained that it is the practice of persons living within the town delivery to have their letters so addressed, in which cases they will be sent out by letter-carrier. Letters for persons residing beyond any official delivery will be delivered on application at the office. It is not permitted to return any letter to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon (except under the provisions for special request, see page 51), as every letter must be delivered to the person to whom it is originally directed, and to him alone. No information must be given by a postal officer respecting letters, &c., which pass through a Post Office, except to the persons to whom they are addressed.

VI.—Soldiers' and Sailors' Letters.

Letters addressed to or forwarded by any non-commissioned officer, army schoolmaster (not of the first class), army schoolmistress, soldier, or seaman, while actually employed in Her Majesty's service, may be transmitted within the Colony, and between the Colony and the Australian Colonies, India, British Ports in the Mediterranean, and the United Kingdom, at a charge of one penny each; and to any Post Office within the British Dominions, via the United Kingdom, by British Mail Packet, at twopence each, provided that the following regulations are observed:—

- (1.) Each letter must not exceed half an ounce in weight.
 - (2.) If sent by any such privileged person, it must be superscribed with the name of the writer, his description or class in the regiment or vessel, and signed by the officer at the time in command.
 - (3.) If addressed to any such privileged person, his description or class in the regiment or vessel must be specified thereon.
 - (4.) If posted within the Colony, the postage must be prepaid.
- Letters of this description posted or received in the Colony, not in accordance with the foregoing regulations, will be treated as ordinary letters. Soldiers' and sailors' letters addressed to foreign places, are chargeable with the foreign transit rates due to the countries through which such letters may pass.

Articles not allowed to be sent by Post.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words marks, or designs of an indecent, obscene libellous, or grossly offensive character.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or to do bodily harm to any officer of the Post Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids (except liquid medicine in tins); gun-powder, lucifer matches, or anything which is explosive or liable to sudden combustion.

Miscellaneous Regulations and Suggestions.

The post office is not, by law, responsible for any loss or inconvenience which may arise from the non-delivery, mis-sending, or mis-delivery of any letter, book, or other postal packet (even if the packet be registered); nor is it responsible for any injury which a packet may sustain during its transmission.

To guard against such injury, all postal packets which are likely to suffer from stamping or from great pressure should be placed in strong covers; and even with this precaution no fragile article should be sent through the post.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Except in the case of "special request" letters, postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address.

Postmasters are not bound to weigh any letters or other packets for the public, but they may do so if their duty be not thereby impeded.

Postmasters are not bound to give change, or authorized to demand change. No postal officer is permitted to take money in prepayment of postage, or to affix postage stamps on letters, &c., posted at any post office. Postage stamps should in all cases be affixed by the sender or person posting the correspondence.

Every letter should contain the full address of the writer, in order to insure its return if the person to whom it is directed cannot be found. A much larger portion of the undelivered letters could be returned if the names and addresses of the senders were always either fully and plainly written inside or embossed on the envelopes.

The practice of sealing letters passing to and from countries with hot climates with wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended, in all such cases, to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

In order that no failure may occur in the delivery of newspapers through the covers becoming detached, it is recommended that the addresses be written on exposed parts of the newspapers themselves, as well as on the covers.

Neither money nor any other valuable article ought ever to be sent through the post, except by means of a money order or in a registered letter. Any person who sends money or jewellery in an unregistered letter, not only runs a risk of losing his property, but exposes to temptation every one through whose hands his letter passes, and may be the means of ultimately bringing some clerk or letter-carrier to ruin.

Whenever bank notes are sent by post, even in registered letters, they should be cut in halves, and the second halves should not be posted till it has been ascertained that the first halves have been received; and further, in order to afford the means of identification, a memorandum should always be made of the number of each bank note.

Any person conveying (otherwise than by the post) a letter not exempted from the exclusive privilege of the Postmaster-General, incurs, by law, a penalty of £20 for every letter so conveyed.

Much difficulty is experienced in the delivery to their right owners of letters imperfectly addressed; and the post office has frequently incurred unjust censure either for unintentionally delivering such letters to wrong persons, or for declining the responsibility of delivering them at all. The address of every letter ought to be full and distinct; but in the cases referred to it is obvious that the correct delivery cannot be secured unless the name of the street (and occupation when any) be added in the address of the letter to the name of the person for whom the letter is intended to be given. The practice of addressing letters to a town only, prevails to a large extent, and it has become necessary to call special attention to the matter, in order to prevent not only the delay which such letters are in all cases liable to suffer, but also the danger to which they are exposed of being delivered to wrong persons and lost altogether.

- (1.) Telegrams of the Government marked *urgent*.
- (2.) Service telegrams.
- (3.) Urgent private telegrams.
- (4.) Non-urgent private telegrams.

6. In order to prevent a monopoly of the line by any one company or individual, when several telegrams are presented for transmission about the same time, and any one of these words of any such telegram at one time.

7. Telegrams may be written in cypher, which will be counted according to the following scale, whether for figures or letters: Separate cyphers count as one word; groups of five cyphers, or fractional part of five cyphers, count as one word; groups exceeding five cyphers are counted at the rate of five cyphers to the word, and any fractional portion remaining is to be counted as one word.

8. Where cyphers are used, the sender is recommended to pay for a repetition, in order to insure accuracy.

9. In the event of serious delays occurring through accident to the lines which may prevent the transmission of a telegram within a reasonable time, or may destroy the value of any telegram, notice thereof will be sent to the sender of such telegram, should his address be known. The sender may, on an application to the General Post Office through the Officer in Charge of the Station at which such telegram was presented and paid for, receive back the amount paid thereon, and the telegram will be cancelled.

10. Telegrams will be delivered free of charge within a radius of one mile of the station to which they may be transmitted by wire.

For any distance not exceeding half a mile beyond the free delivery	0 6
For any distance over half a mile but not exceeding one mile beyond the free delivery	1 0
For any distance over one mile but not exceeding two miles beyond the free delivery	2 0

The foregoing charges provide for ordinary delivery only. For messages to be delivered by special messenger, the cost of such delivery to be added and paid for. If required to be delivered beyond the distance of three miles all moneys disbursed in payment of cab-fares, omnibus-fares, horse-hire, portage, or any other expenses incurred in delivery, will be charged. All telegrams requiring to be delivered on shipboard on the water, or across the water, must bear any expenses incurred to defray boat-hire. To prevent the non-delivery or detention of telegrams, when the sender of a telegram objects or refuses to pay the above charges, or any of them, the telegram will be posted immediately on its arrival at the station to which it is transmitted by wire. Telegrams, for delivery within the colony, are transmissible by post free of postage.

11. The sender of a telegram is responsible for the payment of all charges incurred in its delivery, and the Officer in Charge of the Telegraph Office at which the telegram was delivered for despatch may, in his own name, sue for and recover from the sender thereof the charges due on such telegram.

12. When an immediate reply to a telegram is required, the sender is requested to add the word "Reply" to the message, and to insert "Reply-paid" in the space for instructions. The messenger intrusted with the delivery of a "Reply-paid" telegram will be directed to wait five minutes for the reply, so as to facilitate its transmission to the first sender.

13. Should the sender of a telegram desire to have the same repeated, to insure accuracy, such repetition will be made at a charge of half the rate of the original telegram.

14. Telegrams may be taken from the sender with the word *Collect* written thereon, and in such case the value of the telegram will be collected from the receiver; but, in the event of the department being unable to collect the amount, the sender will be held responsible for the due payment thereof.

15. Telegrams may be accepted with the words *Reply-paid* written thereon, and in such case the payment for the telegram in reply will be collected from the sender of the first telegram.

16. The sender of a "Reply-paid" or "Collect" telegram must, if requested to do so, lodge the cost of the reply or of the collect message. Any difference between the sum required and that lodged will be settled, or any refund will be made, upon delivery of the telegram.

17. A fee of five shillings in each case must accompany applications for search for telegrams, or for search with copies, so as to cover cost of the search and the copy or copies required. Any excess or insufficiency in this amount will be adjusted before copies are handed to applicants. No application is entertained unless at the request of the sender or of the person to whom any message is addressed. Departmental copies of telegrams, as well as the original telegrams themselves, are kept for one year, and are then destroyed.

18. Telegrams which are indecently or obscenely worded, or which appear to contain matter of a libellous or grossly offensive character, will not be transmitted.

URGENT TELEGRAMS.

Telegrams marked *Urgent* are received at any Telegraph Station and transmitted in the order of their priority with other messages of the like code.

Urgent telegrams take precedence of all ordinary messages.

The fee for an urgent telegram is double of that for an ordinary telegram.

All ordinary telegrams lodged at any Telegraph Station after 8 p.m. are treated as *Urgent*, and charged for accordingly.

Urgent telegrams lodged on Sunday are charged four rates.

DELAYED TELEGRAMS.

Delayed telegrams are now received at any Telegraph Station throughout the colony for transmission, final delivery to the address given being effected by post.

The rates chargeable on all such messages are as follows, viz.: Sixpence (6d.) for the first 10 words (exclusive of address and signature up to 10 words), and a half-penny (1d.) for every additional word. Fractions of a penny in computing charges are not allowed. Senders of delayed telegrams are requested to give as full address as possible, and are also requested to write, in *Instructions* on the message, the word *Delayed*.

In dealing with these telegrams, the department undertakes to telegraph them to their destination on the day of their receipt, and to post them *free of charge* the same evening.

Delayed telegrams are not received on Sunday.

STAMPED TELEGRAMS.

In order to encourage the use of the Telegraph, and as a matter of convenience to the Public, telegrams will be received for transmission at any Telegraph Office throughout the Colony, if sufficiently stamped with the ordinary postage stamps in lieu of payment by coin.

The stamps are to be affixed on the top right-hand corner, immediately under the heading *Fees received*.

Telegraph forms and envelopes, having the words (printed in red) "Telegram for transmission to the Officer in charge Telegraph Station," can be procured at Post Offices in towns where there is no Telegraph Station.

WEATHER TELEGRAMS FOR SHIPPING.

Masters of vessels are permitted to forward messages at an uniform rate of six pence for each message (including reply) to the Harbour Masters of the various ports, seeking information as to the state of the weather, &c., at the port to which they are bound, or from any port which may lie in their route. These telegrams must be concise, and should be filled in in accordance with the directions to be seen at the various telegraph stations.

In no case will a larger number of words in the body of the telegram than ten be allowed under these Rules.

EXEMPTIONS TO THE ABOVE SCALE OF CHARGES.

During the session of Parliament Press messages are received at the Wellington Office until 1 a.m. at the 6d. rate, and between 1 a.m. and 2 a.m. at the 8d. rate. Newspapers publishing before 5 p.m. will be allowed to receive at any period of the day telegrams amounting in the aggregate to 1,000 words during the recess, and 1,500 words

during the session of Parliament, and will be charged for the same at evening rates. 500 additional words are also allowed on the day the San Francisco mail reaches Auckland. When the San Francisco mail arrives at Auckland on Sunday, the 500 additional words will be extended to evening newspapers on the Monday following. Press messages lodged at and forwarded from telegraph offices which close at 5 o'clock p.m., when specially reopened at night for transmission of Press messages, may be forwarded as under:—

At the rate of 2s. per 100 words for messages of 375 words, but not exceeding 1,000 words.

For every additional 100 after the first 1,000 words, at the rate of 6d. per 100 words or fraction thereof.

No telegraph office closing at 5 o'clock p.m. reopens the same day for the transmission of any such message for less than 7s. 6d., which covers cost of transmitting a message of 375 words.

Messages for newspapers on the list of night-stations, forwarded on behalf of the United Press Association, and addressed to the several newspapers served by the Association are liable to the following charges:—

At the rate of 6d. per 100 words or fraction thereof, together with an additional fee of 7s. 6d. for reopening the office at night, and any further charge in respect of overtime that may have to be paid at offices other than the original forwarding office in connection with the transmission of the message and *videtur*.

The additional payment to be made in all cases by the applicant.

At least six hours' notice must be given the General Post Office, Wellington, of the desire to have a five o'clock office reopened at night for transmitting Press news.

Short messages, not exceeding 100 words in length, will also be received at telegraph offices closing at 5 p.m., for transmission after office hours, but in time for publication the following morning, if addressed to the proprietor or publisher of any morning newspaper published in towns where telegraph offices reopen at night for Press work, provided the messages be presented before 5 p.m. The charge for such messages is 2s. 6d.

MESSAGES RELATING TO SICKNESS OR DEATH.

Telegraphic messages relating to sickness or death can be transmitted from any to any telegraph office after ordinary official hours on payment of double the ordinary tariff rates, provided that the attention of the terminal office can be obtained.

In addition to the payment of double tariff rates, the following scale of fees must also be paid:—

1. For calling upon a postmaster or operator in charge to transmit a message after his ordinary hours of duty, and when the office is closed, a special fee of 2s. 6d., which amount must be paid even if the telegram fails to reach its destination, but in the latter case the tariff rates collected will be refunded.

2. In addition to the charges for transmission, and fee to the postmaster or operator, a further charge of 2s. must be paid for delivering a message any distance within a radius of a mile from the office.

3. All charges for ferries, tolls, or increased extra cost incurred by the department beyond the ordinary limits of delivery must also be borne by the sender, and paid for at time of presenting the message. The sender of a message will, however, be held liable for any short collections should it be subsequently found that the amount collected for carriage in the first instance has not been sufficient.

CONDITIONS UNDER WHICH TELEGRAMS ARE TRANSMITTED TO PLACES BEYOND THE COLONY.

CONDITIONS.

1. No responsibility is accepted for any delay or errors in the transmission of telegrams, nor for the non-transmission or non-delivery of telegrams from whatever cause arising. Every care, however, will be taken to insure both accuracy in transit and speed in delivery.

MODE OF WRITING AND ACCEPTANCE OF TELEGRAMS.

2. All telegrams should be legibly written.

3. Telegrams may be written in plain language, in code language, or in cypher (*langage chiffré*).

4. Telegrams in plain language must present a clear meaning in any one of the languages allowed to be used for telegraphic purposes.

5. By code language is understood the employment of words which are to be found in vocabularies, but not arranged to form intelligible phrases.

6. Telegrams in code languages may contain words belonging to any one or to all of the following languages, but to no others, viz., English, French, German, Italian, Dutch, Portuguese, Spanish, and Latin.

7. Proper names of persons and places in the text of code messages must be used only in their natural sense.

8. The Government has the right to ask for the production of code vocabularies should any word in a telegram appear open to question.

9. Telegrams in cypher may be composed of figures. Cypher-language telegrams are charged in accordance with paragraph 25.

10. Telegrams composed of secret letters are not admitted.

REGISTRATION OF ADDRESSES.

11. The Government will, at any of its stations, register free of charge the names and addresses of firms receiving messages, so that this information may be given in two words, but not less than two words, thus, "ARIEL, WELLINGTON." This registration can only be effected locally. If a firm in Wellington should desire to register a code address in any other place, they must instruct their correspondents in the town where the registration is to be effected to make the necessary application at the telegraph office. (See pages 101 and 102.)

12. The name of the sender of a message need not necessarily be transmitted. Every message form, however, must be signed either by the sender or his representative.

COUNTING AND CHARGING OF TELEGRAMS.

13. Messages are charged according to a tariff per word, including the names and addresses of the sender and receiver. Such messages must contain at least one word in the text.

14. The maximum length of a single word is fixed at ten letters, any additional letters being counted and charged for as extra words, at the rate of ten letters to the word.

Examples—Responsibility (14 letters) ... 2 words.
Irresponsibility (16 letters) ... 2 words.

15. Expressions joined by a hyphen are counted according to the number of words employed in their formation.

16. Words separated by an apostrophe are counted as so many separate words, except when the apostrophe is employed to designate the abbreviation of an auxiliary verb, such as can't, don't, won't. The apostrophe, however, is not transmitted.

17. Proper names of places and persons, names of places, streets, boulevards, and titles, as well as numbers written in words, are counted according to the number of words used to express them, the limitation as to the number of letters in words being always applied.

18. Any instruction the sender may have to give as to the delivery at destination, prepayment of reply, or cost of repetition or acknowledgment of receipt, must be written in parenthesis before the address of the messages, and paid for. These indications may be given in the following abbreviated form, when they will be counted as one word only:

D Urgent private telegram.
RP Answer paid.
TC Repetition paid.
CR Acknowledgment of receipt.
PP Postage paid.
XP Express paid.

19. Every rectifying or completing telegram, and generally every communication exchanged between the sender and receiver, or by one or the other of them, with a telegraphic office in respect to a telegram already transmitted or in course of transmission, must be paid for. The charge made will be reimbursed if the communication has arisen under the circumstances mentioned in paragraphs 34 and 35.

20. Words abbreviated, combined, or altered in a manner contrary to the usage of the language are not accepted. Abbreviated words in common use are admitted; for example, the words can't, don't, won't, Frisco, Supt., St. Leonards, are counted as each one word.

21. The following examples denote the manner of counting, charging, and signalling compound words:—

23. If written separately or joined by a hyphen, two-pence, &c., up to eleven-pence, must be counted as two words, and "F.O.B.," "C.I.F.," and "C.F.I.," as three words.

24. "Elevenpence," consisting as it does of 11 letters, must be charged for as two words.

25. Every separate character, whether figure, or letter, or under-line, must be counted and charged for as one word. Every group of three figures, or less, must be counted and charged for as one word. Larger groups must be charged for at the rate of three figures per word, plus one word for any excess.

26. *Bona fide* trade marks are accepted at three letters to a word.

27. Bars of division, decimal points, commas, and stops used in the formation of numbers will each be counted as a figure.

28. Letters added to figures to form ordinal numbers will each be counted as a figure.

29. An underline must be counted and charged for as a word. Signs of punctuation (except when used in conjunction with figures), apostrophes, hyphens, inverted commas, and parentheses, will not be counted, charged for, or transmitted.

30. Examples of counting under the preceding paragraphs:—

31. The sender is responsible for any expense which may be incurred in the delivery of a message beyond the receiving station. He is also responsible for the consequences of giving an incomplete or incorrect address.

REPEATED OR COLLATED TELEGRAMS.

32. To insure greater accuracy in transmission, the sender may have his message repeated from station to station on payment of half the usual rates additional.

33. The words "repetition paid," or the abbreviation "TC" must be inscribed immediately before the receiver's address, and is charged for.

RECTIFYING TELEGRAMS.

34. The receiver of a message suspecting an error in transmission may have the whole or any part repeated on payment of the cost of a message demanding the repetition and a reply containing three words more than the number of words required to be repeated. The sender can also have the whole or any portion of his message repeated on payment of the

price of the telegram he forwards and of the reply if one be required. The authorities in Great Britain have fixed six days (144 hours) as the limit of time after which they will not repeat telegrams.

35. If the repetition asked for proves the original message to have suffered mutilation in transmission, the charges necessary to obtaining repetition of the mutilated words only will be returned.

36. To obtain reimbursement it will be necessary to fill up a form of reclamation, to be had on application at any telegraph office.

ACKNOWLEDGMENT OF RECEIPT.

37. The date and hour at which a message has been delivered will be notified to the sender by wire if he inserts the words "acknowledgment paid" or the abbreviation "CR," immediately before the receiver's address, paying the charge for 10 words.

PREPAID REPLIES.

38. The reply to a message can be prepaid, the sender determining its length, which must not exceed thirty words. The indication "reply prepaid" or "RP" will have to be inserted before the receiver's address, and paid for: this indication will represent the prepayment of a reply of ten words. If a longer or shorter reply be expected the number of words prepaid for the reply must be added thus, "RP fifteen," or "RP three:" this instruction counting as two words.

39. The sum prepaid for reply will be held for a period of six weeks at the disposition of the receiver of the original message to cover the cost of his reply.

40. Should the reply contain more words than have been prepaid, the sender of the reply must pay the excess charge.

41. If the original message cannot be delivered, or if the receiver refuse to send a reply, the delivery or terminal station will, on demand, at the end of six weeks, repay the amount deposited to the office of origin, by whom it will be returned to the sender of the original telegram.

MULTIPLE MESSAGES.

42. Messages may be addressed to several receivers in the same place, or to the same receiver at several residences in the same place.

43. Telegrams addressed to several receivers or to the same receiver in different towns are, in all cases, charged as so many separate telegrams.

44. Telegrams addressed to several persons in the same town or the same person at several addresses in the same town, with or without re-expedition by post, will bear only a single charge, with an extra tax of fivepence for every copy not exceeding 100 words, and fivepence additional for every extra 100 words.

Multiple messages are not accepted for North or South America.

MESSAGES BY WIRE AND POST.

45. Telegrams for places beyond the limits of the telegraph system must bear the indication "express" or "post paid" in the following form: "Express, Miller, Steiglitz, Berlin," "Gordon, Mauritius, post Aden," the name of the terminal or delivery station being last stated.

46. The public wishing to supplement or modify the contents of letters already despatched to distant places can address a telegram to their correspondents for transmission by wire to any port on the route, to be posted thence to destination; if addressed in the following manner, "—Calcutta, post—": the Government will not, however, be responsible should any telegram fail to arrive in time to catch the steamer by which it is intended to be forwarded.

SECRET-LETTER MESSAGES

47. Telegrams composed of secret letters (such as b x k l m) cannot be accepted from the public.

REIMBURSEMENTS.

48. When a telegram has suffered a delay of 144 hours from any other cause than an interruption of the telegraph lines, the charges will be returned after investigation, provided they be applied for on a reclamation form within six months after date.

49. The cost of a repeated or collationné message which has been mutilated in such a way as to alter its sense will also be returned, but no reimbursement will be made for errors in ordinary or unreported messages.

50. Should a telegram fail to reach its destination owing to any neglect on the part of the telegraph service, the charge for its transmission will be refunded.

51. The receiver of a message may present a claim for reimbursement on behalf of the sender.

URGENT MESSAGES.

52. Telegrams may be forwarded marked "urgent," for which three rates are charged throughout. (See Rule 18).

(a.) Messages for Transvaal must be addressed "Post Newcastle, Natal," and these words are to be added to Receiver's address, and charged for in addition to 1s. 6d. for postage.

(b.) Private messages in other than plain language cannot be accepted for places in Turkey.

(c.) Messages for Mauritius to be posted from the Cape should be addressed "Post Durban," not "Post Natal."

(d.) Telegrams intended for the Colony of Natal should be addressed, "Durban," or to the town for which they are intended; not "Natal," as the latter is a province, not a South African telegraph station. If addressed "Natal" only, telegrams are sent to Natal, South America.

(e.) During the continuance of the Peruvian and Chilian war all telegrams for Chili are intercepted and examined at Valparaiso. Telegrams can only be accepted at the risk of the senders, and the amounts paid for any that may be stopped cannot be refunded.

(f.) Telegrams for Brazil to be forwarded from Pernambuco by the cables of the Western Brazilian Telegraph Company must be addressed "via Western Cables." If not so addressed they will be forwarded by the Brazilian land lines.

(g.) The route from Europe of each message to America must be prescribed on the message by the sender. The routes are—for North America, *via* Brest, *via* Valentia, and *via* Porthcurno; and for South America as given in this Table.

(h.) Messages for Pekin must be addressed "Post Tungschow," and 1s. 10d. paid for postage in addition to rate to Tungschow.

(i.) This country refuses to entertain applications for refunds on account of the transmission or non-transmission of telegrams by its own lines. Telegrams therefore can only be accepted at the risk of the senders.

(m.) Telegrams can only be accepted at risk of the senders.

* The asterisk indicates that the mention of the route is necessary in the preamble of each message without being chargeable.

The full route must be given for messages to go *via* Teheran.

POSTAGE.

The postage on telegrams for places out of Europe has been fixed as follows: From Portugal and Gibraltar, 10d.; from Madeira, St. Vincent, and South America, 1s.; from Great Britain, 1s. 3d.; from China, 1s. 10d.; and from all other places, 1s. 6d.

REGISTRATION OF ABBREVIATED ADDRESSES.

1. A register is open at the Central Telegraph Station, London, for the registration of the full address, at which telegrams reaching London from the provinces, or from abroad, and marked with an abbreviated or arbitrary address, are to be delivered.

2. The charge for registration is one guinea per annum, payable in advance, and becomes due on the 1st of August in each year.

3. For an address registered in London, the fee of one guinea should be remitted by means of a cheque on a London Bank, crossed "Bank of England," in favour of the Postmaster-General or order, or by Post Office order payable at the Chief Office, London.

4. The Postmaster-General does not undertake the delivery of any telegrams at addresses which are not either full and complete, or which have not been registered at the General Post Office, or which cannot be traced in the Post Office London Directory, whether the record of the actual address has already been notified to the Post Office or not.

5. In the provinces, and in Scotland and Ireland, the addressees of telegrams may have their addresses registered at the Chief Office of the Town in which they reside, upon payment at that office of the registration fee.

Persons in New Zealand desirous of availing themselves of this arrangement should request their correspondents in the United Kingdom to register any abbreviated address that may be agreed upon, at the Chief Office of the Town in which they reside.

A register is kept at every Telegraph Station in New Zealand for the registration of arbitrary or cypher addresses in the shape of one or more words agreed on by correspondents. No charge is made for registering.

NOTICES.

The Telegraph Companies register names and addresses of telegraph correspondents free of charge at all their stations, and in London at 11, Old Broad Street, 8, Leadenhall Street, and 3, Great Tower Street.

NOTE.—Two routes are available for telegraphic communication between the Colonies and the United Kingdom, &c., the one by submarine cable *via* Suez, Gibraltar, and Falmouth; the other *via* Teheran in Persia. The sender of a telegram is at liberty to prescribe (without charge) by which of the above routes he may wish his telegram transmitted.

TELEPHONE EXCHANGE.

A telephone exchange means any telegraph office to which a number of private telephone wires are led in for the purpose of intercommunication amongst the subscribers.

Telephone exchanges have been established at Auckland, Wellington, Christchurch, Dunedin, and Invercargill, and, when a sufficient number of subscribers can be obtained, exchanges will also be opened in all the chief towns of the colony.

Edison-Bell Telephones, connected with the exchanges, will be placed in offices or private residences, within a reasonable distance of the central office, so that a subscriber can converse with other subscribers at their offices or residences.

Subscribers at each exchange are furnished with a list of persons with whom they may communicate; and, as new subscribers are connected with the system, notification to that effect will be given.

The instruments used have been proved to be a thorough commercial success. They are simple and not likely to get out of order, and the working can be explained in a few minutes. Printed directions as to manipulation are furnished with each set.

The subscription per annum, payable quarterly in advance, is as follows:—

For hire of each set of instruments, and wire from office or private residence for any distance within half a mile of the telegraph office, for the first year, commencing on the 1st day of January, April, July, or October, after the date of connection... £ s. d. 12 0 0

For every year after the first ...
 For every additional quarter of a mile, or portion of a quarter, for the first year, commencing on the 1st day of January, April, July, or October, after the date of connection ...
 For every year after the first ...
 Those who desire to avail themselves of this arrangement are requested to communicate with the Superintendent of Telegraphs, Wellington.
 A "bureau station" means any ordinary telegraph station connected by telephone with an exchange.

The following are the charges to be paid by the public for the use of Government telephones wherever established in the colony at a bureau station in connection with an exchange:—

Where the line used is not more than six miles long, a uniform charge of 6d. for the use of same for any period not exceeding five minutes, and a further charge of 6d. for every additional five minutes or portion of five minutes.

Where the line used is over six miles long, the charges are 1s. for the use of same for any period not exceeding five minutes, and a further charge of 1s. for every additional five minutes or portion of five minutes.

Messages telephoned by subscribers through an exchange to a bureau station, or from a bureau station to a subscriber by a subscriber, will be charged half the above rates, and within the ordinary circuits of delivery.

Messages outside of the limits described above are subject to special charges for delivery, according to the extra expense thereby incurred.

PRIVATE WIRES.

CONDITIONS UNDER WHICH LINE WILL BE CONSTRUCTED, SUPPLIED WITH INSTRUMENTS, AND MAINTAINED.

Cost of Construction.

The price for the construction of any private line is the actual cost of construction, fixed, as far as possible, according to the following scale:—
 Poles, 20 to the mile; if any angles, extra poles will be required. As a rule, the poles will be 4 chains apart.

25-foot poles, 23s. each; 20-foot poles, 18s. each; wire, No. 8, £28 10s. per ton (5 miles of wire in a ton); insulators, 2s. each; arms, 1s. each; pole-caps and bolts, 6d. each; binding-wire, 38s. per cwt. (about 3 lb. used in a mile).
 Freight, and labour of erection, at current rates.

The applicants must, prior to the work being commenced, pay in advance two-thirds of the cost, and on completion of the line, pay the balance due forthwith.

Instruments.

Instruments will be supplied for use on private lines, as may be requested by the applicants, at the following prices:—
 Telephone, two sets=1 pair, £20, including batteries; lightning-guards, if desired, £3 extra.

ABC instruments, two sets=1 pair, £53, including 2 lightning guards.

Morse tape instruments, two complete sets, each consisting of 1 Morse instrument, 1 key, 1 galvanometer, 1 relay, 2 lightning-guards, £64. Battery for same, 4s. per cell; gutta-percha wire, 3d. and 6d. per yard, according to size used; terminals, 2s. each.

Maintenance.

The cost for maintenance will be as under, payable yearly, on the thirtieth day of June in each year; a proportionate amount being paid on the first thirtieth day of June after the completion of the construction of the same for the proportionate portion of such year:—

For the first mile or fraction of a mile, £5 per annum;
 For every mile or fraction of a mile after the first mile up to and including the twenty-first mile, £2 10s. per annum;
 For every subsequent mile, after the twenty-first mile, or fraction thereof, £1 10s. per annum.

If the wire cannot be erected on any existing line, and therefore entails the erection of a new line, then the maintenance will be at the rate of £2 10s. per mile per annum for every mile or fraction thereof, after the first charge of £5 per annum for the first mile.

Use of Line.

The applicants must only use the line for their own *bond fide* business, and on no account, directly or indirectly, allow the wire to be used for any purpose which might be construed into an attempt to defraud the department of its revenue.

ACCUMULATED FUND EXCEEDS £900,000.

The Government Insurance Department is the only New Zealand Life Insurance Office.

No business is transacted out of the colony: the full benefit of the low rate of mortality in New Zealand being thus secured, the extra risks of inferior climates are avoided, and the entire funds of the Department retained in the colony for investment.

Government Security for the Payment of every Policy.

The all-important consideration for insurers is the security for payment of the sum assured. Policy-holders in this Department obtain THE SECURITY OF THE COLONY, in addition to that of a Mutual Insurance Office.

Policy-holders are entitled by Law to the whole of the Profits.

The surplus Profits for the ten years ended 30th June, 1880, amounted to £77,000, of which £56,000 was divided amongst policy-holders, with usual bonus options.

Prospective or Intermediate Bonus

Has the same object in view as an ANNUAL DIVISION OF PROFITS, WITHOUT THE COST of a yearly investigation.

Moderate Premiums.

This Department alone combines the advantages of MUTUAL ASSURANCE with MODERATE PREMIUMS and GOVERNMENT SECURITY. Instead of charging rates considerably higher than are necessary, and afterwards returning the excess, accumulated at a low rate of interest, in the shape of bonuses, this Department gives AT ONCE almost as large an Assurance as the premiums will bear with safety. Thus, a policy for as much as £1,200 to £1,250 may be secured from the first in this office for the same yearly premium as would elsewhere purchase only £1,000. In addition to this advantage, which is equivalent to an IMMEDIATE BONUS of £200 or more, all surplus profits that may arise belong entirely to the Assured. Under the new "Deferred Bonus" scheme the premiums for policies with Deferred Profits are lower than the *non profit* rates of other offices.

Deferred Bonus Scheme at Non-profit Rates.

The whole of the profits accruing under this scheme (Tables D.B. I. and D.B. III.) go to the policy-holders on a system at once safe, equitable, and favourable to good lives, no share being given to those by whose early death there is a loss.

Liberal Regulations.

POLICY-HOLDERS under Table I., after payment of two years' premiums, and under Tables II. and III., after payment of one annual premium, have an absolute right to a surrender value DEFINED BY LAW, and not subject to the discretion of Directors.

POLICIES CANNOT BE FORFEITED FOR NON-PAYMENT OF PREMIUMS when entitled to a Surrender value, and unencumbered by a loan, for a period not less than *one-half their age at the date of non-payment*. For instance, when from inadvertence or want of funds a premium is not paid within the days of grace, the policy will still remain in force for the full amount assured during the period named above (without payment of any further premium during such period), and, should a claim occur within that time, the same will be paid, *deducting only the overdue premiums and interest*. Any Bonus additions to the policy are in no way affected by this arrangement.

POLICY-HOLDERS MAY AUTHORIZE DEDUCTION OF THEIR PREMIUMS WHEN DUE FROM THEIR POST-OFFICE SAVINGS-BANK ACCOUNTS, if they desire such convenience.

POLICY-HOLDERS CAN BORROW ON SECURITY OF THEIR POLICIES, at 6 per cent. interest, to the extent of 90 per cent. of the cash surrender value.

POLICY-HOLDERS MAY TRAVEL or reside in any part of the world without license or extra charge.

POLICY-HOLDERS may engage in any occupation without license or extra charge.

POLICIES AFTER FIVE YEARS' DURATION are, if age has been admitted, INDISPUTABLE AND UNCHALLENGEABLE, on any grounds whatever, except fraud or suicide of the insured within the first twelve months.

POLICIES ARE PROTECTED FROM BANKRUPTCY after two years to the extent of £200; after five years, to £500; after seven years, to £1,000; after ten years, to £2,000.

PROPOSERS NEED NOT PAY AN INCREASED PREMIUM, but may have in lieu of the loading an equivalent debt indorsed on policy, which will be satisfied should the assured attain the *average* duration of life.

PROOF OF AGE MADE EASY on application to the Head Office or any agent of the department. Failing certificate of birth or baptism, a certified copy of entry in family Bible or other register, or statutory declarations by the assured and a friend, will readily be accepted. A mistake in age *will not make the policy void*; and, although death should take place before the age is admitted, the claim will be paid on production of satisfactory evidence such as that before mentioned.

For TOTAL ABSTAINERS there is a SPECIAL SECTION, in which PROFITS are ALLOCATED SEPARATELY.
