Office Deliveries.

Deliveries from office counters, &c., are made from 9 a.m. to 5 p.m. on week days, but certain Post Offices specially authorized by the Postmaster-General may be closed during the periods of sorting and despatching mails.

Private Boxes and Bags.

Private letter-boxes are provided for merchants and others upon payment, in advance, of the following fees:—

- (a.) For a term exceeding six calendar months and not exceeding one year, one pound (£1).
- (b.) For a term not exceeding six calendar months, ten shillings (10s.); and
- (c.) Provided that no private box shall be let for a term less than six months, to date from the day on which the same shall be let; and that, where there are two or more applicants for the same box at the same time, the preference shall be given to the person desiring to have the same for the longest term.

No private box can be held in the joint names of a number of persons unless it be known that the applicants are in business partnership. Private persons are not permitted to join in renting a private box. Subject to the above restrictions, any person can have a private box who is willing to pay the appointed rent. No person can be permitted to engage a private box for Sunday or certain day or days only.

Letters directed to any person renting a private box, and letters directed to members of the family or servants, also letters directed to the care of the box-holder, will be deposited in the box (unless written notice be given to the contrary). The registered and unpaid correspondence will be retained by the delivery-clerk, and the box-holder notified by means of cards supplied for the purpose.

Each box is provided with a door, lock and key, which must be kept in repair at the holder's expense.

Private box-lobbies at chief post offices are open on week days from 8 a.m. to 10 p.m. At all other offices the hours are irregular, and vary from 8 a.m. to 10 p.m., and 9 a.m. to 8 p.m., according to local requirements. The lobbies are also open on Sundays and holidays but at irregular hours.

Persons residing upon mail routes requiring the accommodation of private bags can obtain the same upon payment, in advance, of the under-mentioned fees to the Chief Postmaster of the district, and subject to the following regulations:—

- (a.) The fees payable for private mail bags shall be—For a term exceeding six calendar months and not exceeding one year, two pounds (£2); for a term not exceeding six calendar months, one pound (£1). Provided that no private mail bag shall be let for a term less than six months, to date from the day on which the same shall be let.
- (b.) The bag must be of leather, with a lock and two keys, and provided and kept in repair at the cost of the person requiring it. When empty it must not exceed two pounds in weight. All private bags must be approved by the Postmaster.
- (c.) The Postmaster must securely lock the bag before despatching it, and it must be returned to the Postmaster in the same manner.
- (d.) The bag must only contain correspondence for persons connected with the establishment of the owner of the bag, or who may be in his employment; and it must be distinctly understood that such owner is responsible for the postage of all unpaid letters, and for returning receipts for all those which may be registered.

Mail contractors are bound to convey and deliver, free of charge to the holders, all private bags given to them by Postmasters or under their instructions, but are not required to deviate from the prescribed mail route, and are on no account to be delayed. Should a return bag not be ready at the appointed time and place, the Contractors are not required to wait for it.

Times for Posting Correspondence.

Seaborne mails, as a general rule, are closed for ordinary correspondence one hour previous to the despatch of the mails from the Post Office, but by payment of a late fee letters may be posted until within twenty minutes from the time the mail is to leave the office.

Late letters may also be posted on board steamers, and in the travelling post office and guard's vans of the principal trains. The late fee in all cases is, for places beyond the colony, an extra single rate of postage; and, for delivery within the colony, one penny additional postage.

Unclaimed Letters.

On the first day of each month a list is exhibited at each Post Office in the Colony of the addresses of all letters received from places beyond the Colony that have remained unclaimed for two months at such Post Office, exclusive of the month in which they were received; and such of these letters as remain unclaimed at the end of a further period of one month are then forwarded to the Dead Letter Office, to be returned unopened to the countries where they originated. Unclaimed letters originating in the Colony are not advertised, but at the end of one month are forwarded (excepting special-request letters) to the Dead Letter Office, Wellington, there to be opened and returned to the writers.

Special Request Letters.

Letters posted in the colony, having the names and addresses of the senders written, printed, or embossed on the address side or on the fly of the envelopes, are returned unopened to the writers or senders by Chief Postmasters when not claimed within thirty days; and all such letters which have, in addition, a request on the address side of the cover that the letters be returned if not claimed within a stated period, are also returned unopened by Chief Postmasters. No such letters, however, will be returned unless they have remained in the Post Office to which addressed at least ten days.

Letters of this class originating at hotels, clubs, or places of public resort are not returned unopened by Chief Postmasters unless, in addition to the printed or embossed address on the cover, the name of the actual sender also appears.

The above instructions do not apply to the following classes of letters, which are sent to the Dead Letter Office:—Registered and official letters (excepting those otherwise specially directed), surcharged letters, and letters containing coin.

Rates of Postage, and Conditions of Transmission.

admissible. Indeed, as respects the name and address of the sender, not only is the writing permitted, but it is recommended; so that if the cover comes off, or for any other reason the packet cannot be forwarded, it may be returned. A book may also contain a manuscript dedication, or a complimentary inscription from the author. Passages in the text to which it is desired to call attention may be marked with a simple stroke.

If a packet be posted so made up that it cannot be opened without tearing the cover or breaking the seal, or if it contain any letter or any communication of the nature of a letter written in it, or upon its cover, whether closed or open, or coin or bank notes, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the packet will be surcharged one shilling and forwarded to its address.

Any packet posted wholly unpaid or insufficiently prepaid will be charged double the deficient postage.

Bond fide printed or lithographed matter may be enclosed in envelopes entirely open at one end or side, or *having the fly turned inside*, instead of gummed over in the usual manner, so that the contents may be examined without cutting or tearing the envelope.

Trade and professional accounts passing between creditor and debtor cannot pass at book rates of postage, but must be prepaid as letters.

Foreign Book Post.

For rates of postage to all places outside New Zealand see Table of Rates of Postage.

The conditions under which books and printed and written matter may be sent through the post to all places outside New Zealand are in the main the same as under the Inland Book and Packet Post Regulations. Press manuscript may be transmitted to the United Kingdom and the Australian Colonies. For the regulations as to the pattern and sample post to places outside New Zealand see Foreign Pattern and Sample Post. The extreme limit of weight of a packet for countries in the Postal Union (not including United Kingdom and India) is four pounds; and for New South Wales, Queensland, and Fiji the maximum weight is three pounds. There are other limitations which will be found in the table of rates. For the United Kingdom and India the limit is five pounds in weight, two feet in length, and one foot in breadth or depth.

If a packet be posted not open at the ends or sides, or contain any letter, or any communication of the nature of a letter written in it, or upon its cover, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, it will be detained and sent to the Dead Letter Office.

If a book packet for the Australian Colonies, India, the United Kingdom, Canada, and other British-American places, and the United States of America be not sufficiently prepaid with stamps, but nevertheless bear stamps of the value of one rate, it is forwarded charged with the deficient postage, together with a fine of an additional rate of fourpence in all cases. Books and parcels for France if posted wholly unpaid will be detained; if short paid they will be charged double the deficient postage and forwarded. Book packets for all other countries and places named in the table of rates of postage, to which prepayment is compulsory and which are irregularly posted or not fully prepaid, are detained and the addresses advertised for one month on a list outside the Post Office, and if not released they are then sent to the Dead Letter Office for disposal.

Foreign Pattern and Sample Post.

For Rates of Postage see Table of Rates of Postage.

A foreign packet is a *bond fide* pattern or sample of merchandise. Goods sent for sale or in execution of an order, or any articles sent by one private individual to another, which are not actually patterns or samples, are not admissible, except for India, Victoria, and New South Wales. To New South Wales the limit of weight for such packets is sixteen ounces. No package can be transmitted containing fluids or articles of similar nature unless securely packed in tin cases, nor may anything dangerous or offensive be sent.

No packet shall exceed eight inches in length, four inches in width, and two inches in depth, and eight ounces in weight, for places within the Postal Union, except the United Kingdom and India. Packets, however, for Belgium, France, Greece, Luxembourg, Portugal, Switzerland, the Argentine Republic, and the United States are accepted up to one foot in length, eight inches in width, four inches in depth, and twelve ounces in weight (see Table of Rates of Postage). Packets for the United Kingdom, India, the Australian Colonies, and other non-Union countries (except New South Wales, Queensland, and Fiji), are not to exceed two feet in length, and one foot in width or depth, and five pounds in weight. For New South Wales, Queensland, and Fiji, the limit is three pounds in weight for *bond fide* patterns, &c. Packets exceeding these weights and dimensions will be detained, advertised, and returned to the sender, if possible; otherwise sent to the Dead Letter Office.

There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles, otherwise the packet will be treated as a letter.

There must be no enclosure other than the samples or articles. The particulars which are allowed to be furnished under the preceding rule must in all cases be given, not on loose pieces of paper, but on the covers or on small labels attached to the samples or the bags containing them, or the packet will be treated as a letter.

The articles must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, &c., may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened, or in the case of samples of seeds in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.

Insufficiently prepaid packets are charged with double the deficient postage, and then forwarded; and wholly unpaid, are detained and sent to the Dead Letter Office.

Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United Kingdom, the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland; and samples of intrinsic value must not be sent to foreign countries.

General.

It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the foregoing conditions, and occasionally even where there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a Postmaster may, when necessary, delay forwarding any book packet until the following despatch.

The main business of the Post Office being the transmission of letters, the forwarding of book packets and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books and packets, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the post.

A list of countries comprised within the Postal Union will be found after the Table of Rates of Postage.

Magazine and Trade Catalogue Post.

Magazines and *bond fide* trade catalogues are received and forwarded through the post, for delivery within the colony, at the reduced rate of postage hereinafter mentioned, and subject to the following conditions:—

- (a.) Every such serial or catalogue must be first approved by the Postmaster-General for despatch as a magazine or catalogue.
 - (b.) Every magazine or catalogue must be sent in a cover entirely open at the ends, with the words "Magazine Post," or "Catalogue Post," as the case may be, printed or written on the address side of the cover. In addition to the address, the name of the sender may also appear on the cover.
 - (c.) No magazine or catalogue exceeding sixteen ounces in weight is admissible.
 - (d.) Only one publication and of that a single copy can be enclosed in a cover.
- The rate of postage is one halfpenny for every two ounces or fraction of two ounces; and wholly unpaid and irregularly posted magazines or catalogues are treated as insufficiently paid book packets.

RATES OF POSTAGE AND WEIGHT.—The rates of postage for a parcel are:—

		s.	d.
Not exceeding 1lb. in weight	..	0	7
Exceeding 1lb., but not exceeding 2lbs.	..	0	10
" 2lbs.,	" 3lbs.	1	1
" 3lbs.,	" 4lbs.	1	4
" 4lbs.,	" 5lbs.	1	7
" 5lbs.,	" 6lbs.	1	10
" 6lbs.,	" 7lbs.	2	1
" 7lbs.,	" 8lbs.	2	4
" 8lbs.,	" 9lbs.	2	7
" 9lbs.,	" 10lbs.	2	10
" 10lbs.,	" 11lbs.	3	1

No parcel exceeding 11lbs. in weight, or the dimensions hereafter specified, will be accepted; and unpaid or insufficiently prepaid parcels will be refused.

SIZE.—The dimensions allowed for a parcel are:—

	ft.	in.
Greatest length	3	6
Greatest length and girth combined	6	0

For example: A parcel measuring 3ft. 6in. in length may measure as much as 2ft. 6in. in girth. A shorter parcel may be thicker; thus, if it measure only 3ft. in length, it may be 3ft. in girth round its thickest part. The weights and dimensions given above apply only to parcels for places served by railway, coach, or steamboat.

FOR PLACES NOT SERVED BY RAILWAY, COACH, OR STEAMER.—To all places not served by railway, coach, or steamer (a list of which will be found at page 72), only parcels not exceeding 5lbs. in weight, and not measuring more than 2ft. in length or 1ft. in breadth or depth, may be accepted, and provided they are not of such a fragile nature as to prevent their being sent with safety in the ordinary mail bag.

NOT TO BE POSTED IN POSTING-BOX.—Parcels exceeding 1lb. in weight are not to be posted in the posting-box, but must be handed over the counter or at the delivery-window of the Post Office, to the proper officer, by whom the size, weight, and postage will be checked before a parcel may be accepted. Parcels posted in the posting-box, unless admissible and fully paid at letter rate, will be charged on delivery with a fine of 6d., in addition to any deficient postage. This also applies to parcels posted in pillar- and other posting-boxes.

MUST BE PREPAID.—The full postage must be prepaid by ordinary postage stamps, which must be affixed by the sender or the person handing in the parcel.

PARCELS CONTAINING LETTERS.—Any parcel which may be observed to contain a letter will be surcharged 1s.

PROHIBITED PARCELS.—Parcels bearing or containing writing or marks of an offensive or indecent character, or containing gunpowder, cartridges, lucifer matches, or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, or any substance likely to cause injury to other parcels or to the officers of the Post Office, are prohibited.

WHAT OTHER PARCELS MAY NOT CONTAIN.—Parcels may not contain any letter or communication of the nature of a letter, money, coin (unsigned and cancelled bank-notes may, however, be forwarded in sealed packets), or a packet or parcel intended for delivery at an address other than that borne by the parcel itself.

HOW PARCELS OF FISH, GAME, EGGS, ETC., MUST BE PACKED.—Parcels containing fish, meat, game, eggs, &c., or razors, scissors, needles, knives, forks, or other sharp instruments, will not be accepted unless so packed as to prevent all risk of injury to other parcels or to the officers of the Post Office. Liquids or semi-liquids, such as paint, &c., bottles, or glass in any form, will not be received for transmission unless so packed as to be secure from breakage. Parcels of jewellery and such-like valuables should be securely protected, and, in addition, are recommended to be registered.

DEMURRAGE.—Parcels addressed to a Post Office "To be called for" will, after they have remained in the office seven clear days (excluding Sundays and holidays), be charged demurrage at the rate of 1d. a day. No demurrage, however, will be charged on parcels for places at which there is no house-to-house delivery, or to persons on board ship.

UNCLAIMED.—Parcels will be kept at the office from which they should be delivered for one clear month. Unclaimed parcels will be then sent to the Returned Parcels Office, and returned, if practicable, to the senders on prepayment of a fresh rate of postage on each parcel and any demurrage which may be due. Parcels not claimed within three clear months will be disposed of as the Postmaster-General may direct. Parcels of a perishable nature, if they become offensive, may be destroyed at once.

REDIRECTED.—Parcels may be redirected in the same manner as letters.

REGISTERED.—Parcels may be registered under the same condition as letters, and for an additional fee of 2d. a receipt will be obtained on delivery and posted to the sender.

HOW ADDRESSED.—Parcels should be addressed legibly. The public are also requested to add the name of the sender to the address of parcels, so that in case of non-delivery the sender may be advised without delay, and any error in the address, or otherwise, corrected.

EVERY PARCEL TO BE STRONGLY AND SECURELY PACKED.—The public will greatly facilitate the work of the Post Office and help towards the safe delivery of parcels by taking care that they are, in all cases, compactly, strongly, and securely packed, especially those with fragile or perishable contents. It must be borne in mind that each parcel must be several times handled before it reaches its destination, and although every care will of course be taken by the officers through whose hands they will pass, yet it will be impossible to avoid occasional damage if the packing be defective.

EXAMINATION.—Parcels may be examined by postal officers, but this does not make it obligatory that the ends shall be left open by the senders.

REFUSED.—When parcels are refused by the addressees, the senders, if practicable, will be communicated with, and the parcels returned, if desired, on prepayment of a fresh rate of postage, and any other charges due.

DELIVERY.—At places served by letter-carrier, delivery, as far as practicable, will be made by letter-carrier. At Auckland, Wellington, Christchurch, and Dunedin there will also be special deliveries when required by express or cart. Where letter-carriers are not employed, or where letter-carriers are unable to deliver parcels, delivery must be taken at the Post Office. Senders are advised to inform addressees by post of the despatch of parcels, so as to assure prompt delivery.

DETENTION UNDER SPECIAL CIRCUMSTANCES.—Parcels may be delayed when necessary to do so in order to secure the due despatch of the letter mails.

NOT TO BE HANDED BACK TO THE SENDER.—Postmasters are forbidden to hand a parcel back to the sender.

DAMAGED PARCELS.—Parcels found open, or in a torn or damaged condition, will be re-fastened and otherwise secured.

WITHOUT ADDRESS.—Parcels without address will be returned to the senders if practicable. Failing this, will be sent to the Returned Parcels Office.

NON-LIABILITY OF POSTMASTER-GENERAL.—The Postmaster-General is not responsible for any damage, delay to, or loss of any parcel.

FURTHER LIMITATION TO CERTAIN PLACES.
From and to places in New Zealand not served by railway, steamer, or mail-coach (list published in Postal Guide) only parcels not exceeding 5lb. in weight, and not measuring more than 3ft. in length or 1ft. in breadth or depth, will be accepted.

Parcels will be liable to the Customs laws, duties, and regulations of New Zealand and of the said Australian Colonies respectively. The sender of each parcel will be required to make a Customs declaration (on a form to be obtained at parcel post offices), describing the contents and stating the value thereof, and also giving the name of the place to which the parcel is addressed and the sender's signature and residence. False declaration involves forfeiture of parcel, and renders sender liable to prosecution.

On a parcel containing gold, originating in New Zealand, the export duty received before the parcel will be accepted by the post office. Such parcels can only be received at money-order offices. At places where there are no customhouses the duty is to be paid to the Postmaster, and at other places paid either at the customhouse or at the post office.

GENERAL.

Where not otherwise provided by the foregoing regulations, the general regulations of the New Zealand inland parcel post, as far as applicable, shall apply.

Newspaper Halfpenny Wrappers.

Newspaper wrappers may be purchased at any post office, or from any licensed stamp vendor.

The wrappers are for newspapers intended to be sent through the post for places within New Zealand; but they may also be used for forwarding newspapers to places beyond the colony, on prepayment of the additional postage.

An extra charge of one penny per eighteen wrappers is made, to cover the cost of paper, &c.

The wrappers are made up and sold in the following parcels:—18 wrappers for 10d.; 270 wrappers for 12s. 6d.; 540 wrappers for 25s.; 1,080 wrappers for 50s.

Halfpenny Circular Post within Town Deliveries.

Circulars under these regulations shall not exceed half an ounce in weight. The postage is one halfpenny on each circular, to be prepaid in stamps.

Delivery is restricted to delivery from the same post office at which posted (including delivery through a branch suburban office, or by letter-carrier, if any).

A circular is held to be a communication intended for transmission in identical terms to several persons, and the whole or greater part of which is produced by means of ordinary type, engraving, lithography, or any other mechanical process. When produced otherwise than by ordinary type or engraving, the circular must bear the word "Circular" both inside and on the cover. An exception is made to this rule in favour of notices, &c., issued by friendly societies, which notices, if otherwise in order, will be accepted at the halfpenny rate, notwithstanding that dates, amounts, and numbers filled in may vary, thus making them not in identical terms.

Circulars may be posted with or without a cover. If sent without a cover, the address must be written on the face of the circular, and, if folded, to be folded in such a manner as to admit of its being easily examined (it shall not be fastened with anything adhesive). If enclosed in a cover or envelope instead of gummed over, the cover shall be entirely open at one end or side, or the fly of the envelope turned inside instead of gummed over.

If posted unpaid, or addressed to any place requiring delivery through a second post office (not a branch suburban office), or otherwise not complying with these regulations, shall be detained and sent to the Dead Letter Office for disposal.

Circular letters issued by the authorities of Friendly Societies to the members thereof, and differing from each other only in the particulars of the name of addressee and of the amount due, but being otherwise in identical terms, may pass at circular rate within the town, &c., of posting, and by book post beyond.

Newspapers.

All newspapers published in the colony, whether for sale or for gratuitous distribution, and registered at the General Post Office for transmission by post, may either be forwarded like other printed matter under the regulations of the book post, or may be transmitted within the colony on payment of a postage rate of one halfpenny each in postage stamps, and to places beyond the colony at the rates set forth in the Postal Guide.

Registration for inland circulation includes registration for transmission abroad. The conditions of registration are as follows, viz.:

(a.) The publication shall consist wholly or in great part of political or other news, or of articles relating thereto or to other current topics, with or without advertisement.

(b.) It shall be printed and published in New Zealand, and shall be published in numbers at intervals of not more than thirty days.

(c.) The full title and date of publication shall be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page.

A supplement to a newspaper shall be deemed to be part of such newspaper for the purposes of the regulations, and shall consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets or on a piece or pieces of paper, or consisting wholly or in part of engravings, prints, or lithographs illustrative of the newspaper. The supplement shall in every case be published with the newspaper, and shall have the title and date of publication of the newspaper printed at the top of every page, or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.

A newspaper shall not contain any enclosures other than the supplement or supplements proper to the newspaper, nor any writing or other mark beyond the name and

If a newspaper addressed to any place within the colony be found to contain writing or any enclosure other than an inset, advertising sheet, or handbill, it shall be forwarded to its destination charged, according to its weight, with the full rate of letter postage from the country where it originated; but if such newspaper be addressed to any place beyond the colony, it shall be detained and advertised the same as a book packet: and if postage be not paid, it shall in due course be sent to the Dead Letter Office. This regulation shall apply to any newspaper whether registered in the colony or received from places beyond.

If more than one newspaper be enclosed in a packet addressed to any place within the colony, and for which the full amount of postage has not been paid, a charge of one penny shall be made for each extra newspaper enclosed. Packets or single numbers of newspapers posted for places beyond the colony (except the United Kingdom) not fully prepaid, or for places within the colony wholly unpaid, shall be detained and advertised. Insufficiently-paid packets of newspapers for the United Kingdom prepaid at least one penny are forwarded in the mails by direct steamers charged with double the deficient postage.

Newspapers, if posted in single numbers, addressed to the Manager, Keeper, Clerk, Secretary, Librarian, or other person having the charge of any Athenæum, Mechanics' Institute, Hospital, Public Library, Young Men's Christian Association, Free Reading-rooms, Catholic Reading-rooms, Wellington, Port Chalmers Sailors' Rest, Chambers of Commerce, Auckland and Dunedin, certain Criminal and Charitable Institutions in Canterbury Postal District, or to any Lunatic Asylum in the colony, are permitted to pass through the post, and to be delivered free of postage. If directed to the care of the officer or to a name at the institution they shall be treated as an ordinary newspaper.

"Newspaper exchanges" (i.e., newspapers exchanged between newspaper offices) are permitted to pass through the post free of postage, if posted in single numbers, from any newspaper office within the colony and addressed to the Editor, Proprietor, Publisher, or Manager of any newspaper published in the colony, and provided that the title of the newspaper and the words "Newspaper Exchange only" be written or printed on each cover above the address. Newspaper exchanges not posted in accordance with the foregoing will be charged full letter rates.

Not more than one copy of any issue of a newspaper intended for free transmission under the rules contained in the two preceding paragraphs will be forwarded free of charge. If more than one be posted not prepaid with postage a charge of one penny shall be made for each extra newspaper enclosed.

Newspapers published outside the colony may be sent through the post as if they had been registered in New Zealand. Newspapers, whether originating in the colony or beyond the colony, redirected from one post office to another within the colony may be transmitted accordingly, but are chargeable with a fresh newspaper rate of one halfpenny each, which may be paid either on redirection or on delivery.

Every newspaper shall be posted either without a cover or in a cover entirely open at both ends, so as to admit of easy removal for examination. A newspaper shall not be fastened in its cover by means of gum, sealing-wax, postage-stamp, or otherwise. If this rule be infringed the newspaper shall be treated as a letter.

Every Postmaster is required to keep for sale to the public a sufficient stock of the various postage and revenue labels and post cards in use in the colony, and to sell them at the following prices:—

No person excepting a postal officer may, unless specially authorised, sell postage stamps, post cards, or newspaper wrappers. The sale of such stamps by the employés in large establishments, such as hotels, &c., is permitted, but the initials of the firms, &c., so authorised, must be written on the stamps. The perforation, with the initials of the firm, &c., is not necessary. The permission

To prevent the purloining of postage stamps by the employees of the Post Office, it has been decided that the stamps may be performed with the initials of the person, with as to render the improper sale of such stamps a matter of difficulty. The performance, with initials, of the stamps on post cards and newspaper wrappers is also allowed; but permission in all cases must be obtained from the District Inspector-General. The performance, with initials, of the stamps on letters, should be taken not

The postage stamps should be placed on the front of the letter, care should be taken to place fresh stamps on the upper side. On re-directed letters, however, care should be taken to place fresh stamps on the upper side. On re-directed letters, however, care should be taken to place fresh stamps on the upper side.

Stamps which have been torn, cut, or otherwise rendered imperforate, cannot be used.

The halfpenny postage stamp should not be affixed to the envelope. The regulations relating to post cards will be found under the heading "Post Cards." responsible for the safe delivery of registered packets, though any officer who may neglect his duty in this point will be called to strict account. Valuable articles sent in *unregistered* letters are exposed to risk. All Inland and Colonial letters or packets, therefore, which unquestionably contain coin or bank notes, even though they be posted without registration, are treated as registered, and charged on delivery with a registration fee of one shilling, in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch.

No letter or packet containing coin or articles of value liable to Customs duty, addressed to any Postal Union country, will be received at any Post Office.

Every letter to be registered should be presented at the counter, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the Colony, the United Kingdom, or the British Colonies*, be liable to a double registration fee.

Letters may be registered during the ordinary office hours, and for despatch by any mail, one hour before the closing of such mail. No letter-carrier, messenger, or other servant of the Post Office is allowed to carry a letter for any person to be registered.

A registered letter, which has not been delivered, when re-directed to any place within the Colony, is not liable to any further charge than an ordinary re-directed letter. If, however, a registered letter be re-directed to any place outside the Colony, except the United Kingdom and Australia, the second postage and registration fee must be prepaid.

No letter or other postal packet addressed to initials, or to a fictitious name, can be registered.

Delivery.

Letter-carriers and messengers are prohibited from distributing any letters, newspapers, &c., except such as have passed through a Post Office. They are not allowed to deliver in the street or elsewhere except at houses or places of business, even to addressees; nor are they allowed to deliver under doors. They are not allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, or to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities. For delivery of parcels by parcel post, see regulations under "Inland Parcel Post."

No person living within the town free delivery can claim to have his letters delivered at the office if a delivery by letter-carrier is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by letter-carrier, may be obtained by any person on application at the office, so long as it is open for delivery.

Receipts must be given for all registered articles upon delivery thereof.

Letters addressed to the Post Office, or to be kept till called for, may be obtained at the office, except where it is ascertained that it is the practice of persons living within the town delivery to have their letters so addressed, in which cases they will be sent out by letter-carrier. Letters for persons residing beyond any official delivery will be delivered on application at the office. It is not permitted to return any letter to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon (except under the provisions for special request, see "Special Request Letters"), as every letter must be delivered to the person to whom it is originally directed, and to him alone. No information must be given by a postal officer respecting letters, &c., which pass through a Post Office, except to the persons to whom they are addressed.

Soldiers' and Sailors' Letters.

Letters addressed to or forwarded by any non-commissioned officer, members of the Cape regular service, army schoolmaster (not of the first class), army schoolmistress, soldier, or seaman, while actually employed in Her Majesty's service, may be transmitted within the Colony, and between the Colony and the Australian Colonies, India, British Ports in the Mediterranean, and the United Kingdom, at a charge of one penny each; and to any Post Office within the British Dominions, *via* the United Kingdom, by British Mail Packet, at two pence each, provided that the following regulations are observed:—

- (a.) Each letter must not exceed half an ounce in weight.
 - (b.) If sent by any such privileged person, it must be superscribed with the name of the writer, his description or class in the regiment or vessel, and signed by the officer at the time in command.
 - (c.) If addressed to any such privileged person, his description or class in the regiment or vessel must be specified thereon.
 - (d.) If posted within the Colony, the postage must be prepaid.
- Letters of this description posted or received in the Colony, not in accordance with the foregoing regulations, will be treated as ordinary letters. Soldiers' and sailors' letters addressed to foreign places, are chargeable with the foreign transit rates due to the countries through which such letters may pass.

Articles not allowed to be sent by Post.

Any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, libellous, or card having thereon any words, marks, or designs of an indecent, obscene, or grossly offensive character; also any explosive, dangerous or noxious substance, any living creature, or anything likely to injure the contents of the mails or any officer of the Post Office.

Under the Inland Parcel Post, however, fish, meat, game, eggs, &c., razors, scissors, needles, knives, forks, or other sharp instruments, are permitted to be forwarded if so packed as to prevent all risk of injury to other parcels or to the officers of the Post Office. Liquids, or semi-liquids, such as paint, &c., glass in any form, are also received if so packed as to be secure from breakage.

Miscellaneous Regulations and Suggestions.

The Post Office is not, by law, responsible for any loss or inconvenience which may arise from the non-delivery, mis-sending, or mis-delivery of any letter, book, or other postal packet (even if the packet be registered); nor is it responsible for any injury which a packet may sustain during its transmission.

To guard against such injury, all postal packets which are likely to suffer from stamping or from great pressure should be placed in strong covers; and even with this precaution no fragile article should be sent through the post.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Except in the case of "special request" letters, postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address.

Postmasters are not bound to weigh any letters or other packets for the public, but they may do so if their duty be not thereby impeded.

Postmasters are not bound to give change, or authorized to demand change. No postal officer is permitted to take money in prepayment of postage, or to affix postage stamps on letters, &c., posted at any post office. Postage stamps should in all cases be affixed by the sender or person posting the correspondence.

Every letter should contain the full address of the writer, in order to insure its return if the person to whom it is directed cannot be found. A much larger portion of the undelivered letters could be returned if the names and addresses of the senders were always either fully and plainly written inside or embossed on the envelopes.

The practice of sealing letters passing to and from countries with hot climates with wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended, in all such cases, to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

In order that no failure may occur in the delivery of newspapers through the covers becoming detached, it is recommended that the addresses be written on exposed parts of the newspapers themselves, as well as on the covers.

Neither money nor any other valuable article ought ever to be sent through the post, except by means of a money order or in a registered letter. Any person who sends money or jewellery in an unregistered letter, not only runs a risk of losing his property, but exposes to temptation every one through whose hands his letter passes, and may be the means of ultimately bringing some clerk or letter-carrier to ruin.

Whenever bank notes are sent by post, even in registered letters, they should be cut in halves, and the second halves should not be posted till it has been ascertained that the first halves have been received; and further, in order to afford the means of identification a memorandum should always be made of the number of each bank note.

Any person conveying (otherwise than by the post) a letter not exempted from the exclusive privilege of the Postmaster-General, incurs, by law, a penalty of £20 for every letter so conveyed.

Much difficulty is experienced in the delivery to their right owners of letters imperfectly addressed; and the Post Office has frequently incurred unjust censure either for unintentionally delivering such letters to wrong persons, or for declining the responsibility of delivering them at all. The address of every letter ought to be full and distinct; and, in the case of the larger towns, the name of the street (and occupation when any) should always form part of the address. The practice of addressing letters to a town only, prevails to a large extent, and in such cases the letters are not only liable to suffer delay, but to be lost altogether through being delivered to wrong persons.

The remitter of a Money Order for payment at a Foreign office through the medium of the London Office should be requested to advise the payee of the delay in payment of the Order which may probably occur from the transmission of the advice through the London Office.

The complete postal address of both the payee and remitter must be furnished by the remitter of every Order payable in the United States, in Canada, or in any Foreign country or British colony exchanging Money Orders with New Zealand through the London Office, for entry in the relative advice.

No single Order can be granted for more than £10, except to the United States of America, on which Orders can be issued up to £20.

POSTAL NOTES.

Postal notes for fixed sums from 1s. up to £1 are now issued and paid at all Money Order Offices in New Zealand.

1. The following are the amounts for which postal notes are issued, together with the poundage payable in respect of each note:—

Amount of Note.		Poundage.		Amount of Note.		Poundage.	
s.	d.		d.	s.	d.		d.
1	0	...	...	10	0	...	...
1	6	...	...	12	6	...	...
2	6	...	...	15	0	...	...
5	0	...	...	17	6	...	...
7	6	...	...	20	0	...	...
							3

Broken amounts may be made up by the use of postage stamps, not exceeding 5d. in value, affixed to the back of any one postal note. These stamps must be affixed only by the senders or remitters of such postal notes.

2. The person to whom a postal note is issued may, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid.

The person so named must sign the receipt at the foot of the note, and must also fill in the name of the Money Order Office, if that has not been already done.

3. Every person to whom a postal note is issued should keep a record of the number, date, and name of the office of issue, to facilitate inquiry if the note should be lost.

4. If a postal note be crossed "and Co.," payment will only be made through a banker; and if the name of a banker is added, payment will only be made through that banker.

5. After a postal note has once been paid, to whomsoever it is paid, the Postmaster-General will not be liable for any further claim.

6. If any erasure or alteration be made, or if the note is cut, defaced, or mutilated, payment may be refused.

7. The regulations under which postal notes are issued allow the Postmaster to refuse or delay the payment of a note; but he must at once report his reasons for so doing to the Postmaster-General.

8. After the expiration of four months from the last day of the month of issue, a postal note will be payable only on payment of a commission equal to the amount of the original poundage, with the addition (if more than four months have elapsed since the said expiration) of the amount of the original poundage for every further period of four months which has so elapsed, and for every portion of any such period of four months over and above every complete period.

The commission thus paid must be affixed in postage stamps to the face of the note.

These notes are not payable out of the colony.

Postal notes are issued and paid at Money Order Offices during the hours that those offices are open for the transaction of money-order business.

Post Office Savings Bank.

Every Money Order Office, except Alford Forest, Blackstone Hill, Chatham Islands, Coalgate, Fortrose, Hanmer Plain, Hunterville, Kumeroa, Middlemarch, Miranda, Nenthorn, Norsewood, Tapu, Waipori, and Waiorongomai, is also a Post Office Savings Bank, and open for Bank business during the same hours as for Money Orders.

The Savings Bank Offices at Auckland, Christchurch, Dunedin, and Wellington close, however, at 2 p.m. on Saturdays, but open again from 6.30 to 8.30 p.m. on Saturdays for the receipt of Savings Bank deposits and the opening of new accounts only.

Deposits of one shilling, or of any multiple of one shilling, may be made at any Post Office Savings Bank.

Interest is allowed to each depositor at the rate of $4\frac{1}{2}$ per cent. per annum on the balance at the credit of his account when it does not exceed £200, and at the rate of 4 per cent. when it exceeds £200; but no interest will be allowed on more than £500.

Electric Telegraph.

REGULATIONS AND CONDITIONS UNDER WHICH TELEGRAMS ARE AUTHORIZED TO BE TRANSMITTED ON THE TELEGRAPH LINES BELONGING TO THE GOVERNMENT OF NEW ZEALAND.

1. The Government is not responsible for errors, omissions, or delays in the transmission of telegrams, nor for the non-delivery or non-transmission of any telegram.

2. Printed forms, upon which telegrams should be written, may be obtained at all Stations on application; but all telegrams, whether written upon the prescribed form, upon any other printed form, or upon plain paper, will be considered as presented for transmission under the several conditions contained in these regulations.

3. All telegrams presented for transmission must be written in ink, in a clear and legible manner; they shall contain a proper address, and bear a genuine signature in the usual handwriting of the sender.

4. In order to prevent errors in the transmission of telegrams, all words must be written in full, and no abbreviations will be allowed that are not in general use and in accordance with the usage of the language. All numbers should be written in words in full, and not in figures.

5. Telegrams will be transmitted in the following order of priority:—

- (1.) Telegrams of the Government marked *urgent*.
- (2.) Service telegrams.
- (3.) Urgent private telegrams.
- (4.) Non-urgent private telegrams.

6. In order to prevent a monopoly of the line by any one company or individual, when several telegrams are presented for transmission about the same time, and any one of these telegrams is of considerable length, then no officer shall transmit more than two hundred words of any such telegram at one time.

7. Telegrams may be written in cypher, which will be counted according to the following scale, whether for figures or letters: Separate cyphers count as one word; groups of five cyphers, or fractional part of five cyphers, count as one word; groups exceeding five cyphers are counted at the rate of five cyphers to the word, and any fractional portion remaining is to be counted as one word.

8. Where cyphers are used, the sender is recommended to pay for a repetition, in order to insure accuracy. (See clause 13.)

9. In the event of serious delays occurring through accident to the lines which may prevent the transmission of a telegram within a reasonable time, or may destroy the value of any telegram, notice thereof will be sent to the sender of such telegram, should his address be known. The sender may, on an application to the the General Post Office through the Officer in Charge of the Station at which such telegram was presented and paid for, receive back the amount paid thereon, and the telegram will be cancelled.

10. Telegrams will be delivered free of charge within a radius of one mile of the station to which they may be transmitted by wire.

For any distance not exceeding half a mile beyond the free delivery	s.	d.
For any distance over half a mile but not exceeding one mile beyond the free delivery	0	6
For any distance over one mile but not exceeding two miles beyond the free delivery	1	0
	1	6

The foregoing charges provide for ordinary delivery only. For messages to be delivered by special messenger, the cost of such delivery to be added and paid for. If required to be delivered beyond the distance of three miles all moneys disbursed in payment of cab-fares, omnibus-fares, horse-hire, portage, or any other expenses incurred in delivery, will be charged. All telegrams requiring to be delivered on shipboard on the water, or across the water, must bear any expenses incurred to defray boat-hire. To prevent the non-delivery or detention of telegrams, when the sender of a telegram objects or refuses to pay the above charges, or any of them, the telegram will be posted immediately on its arrival at the station to which it is transmitted by wire. Telegrams, for delivery within the colony, are transmissible by post free of postage.

11. The sender of a telegram is responsible for the payment of all charges incurred in the delivery, and the Officer in Charge of the Telegraph Office at which the telegram was

delivered for despatch may, in his own name, sue for and recover from the sender thereof the charges due on such telegram.

12. When an immediate reply to a telegram is required, the sender is requested to add the word "Reply" to the message, and to insert "Reply-paid" in the space for instructions. If an urgent reply is required the word *Urgent* should be written after the words *Reply-paid*, thus: *Reply-paid urgent*. The messenger intrusted with the delivery of a "Reply-paid" telegram will be directed to wait five minutes for the reply, so as to facilitate its transmission to the first sender.

13. Should the sender of a telegram desire to have the same repeated, to insure accuracy, such repetition will be made at a charge of half the rate of the original telegram.

14. Telegrams may be taken from the sender with the word *Collect* written thereon and in such case the value of the telegram will be collected from the receiver; but, in the event of the department being unable to collect the amount, the sender will be held responsible for the due payment thereof.

15. Telegrams may be accepted with the words *Reply-paid* written thereon, and in every such case the payment for the telegram in reply will be collected from the sender of the first telegram.

16. The sender of a "Reply-paid" or "Collect" telegram must, if requested to do so lodge the cost of the reply or of the collect message. Any difference between the sum required and that lodged will be settled, or any refund will be made, upon delivery of the telegram.

17. A fee of five shillings in each case must accompany applications for search for telegrams, or for search with copies, so as to cover cost of the search and the copy or copies required. Any excess or insufficiency in this amount will be adjusted before copies are handed to applicants. No application is entertained unless at the request of the sender or of the person to whom any message is addressed. Departmental copies of telegrams, as well as the original telegrams themselves, are kept for six months, and are then destroyed.

18. Telegrams which are indecently or obscenely worded, or which appear to contain matter of a libellous or grossly offensive character, will not be transmitted.

19. Books of telegraph forms are sold to the public at the price of 6d. each book.

URGENT TELEGRAMS.

Telegrams marked *Urgent* are received at any Telegraph Office and transmitted in the order of their priority with other messages of the like code.

Urgent telegrams take precedence of all ordinary messages.

The fee for an urgent telegram is double of that for an ordinary telegram.

All ordinary telegrams lodged at any Telegraph Station after 8 p.m. are treated as *Urgent*, and charged for accordingly.

Urgent telegrams lodged on Sunday are charged four rates.

When the sender of an urgent telegram desires to pay for an urgent reply, the words *Urgent, reply-paid urgent* must be inserted in the instructions. When the reply required is not to be urgent the instruction should be *Urgent, reply-paid* only.

DELAYED TELEGRAMS.

Delayed telegrams are received at and forwarded from any telegraph office in the colony, final delivery to the address given being effected by post. When readdressed the usual inland postage to be charged.

Delayed telegrams are not received on Sunday.

These telegrams will continue to be subject to delays whenever the wires are occupied with ordinary and other messages which have a prior right to transmission.

After receipt at the telegraph offices to which they are addressed, every delayed telegram will immediately be posted and then delivered either over the public counter, through private boxes, or by first delivery by letter-carrier.

Senders of delayed telegrams are requested to give as full address as possible.

Delayed telegrams cannot be made "reply-paid," but may be made "repetition-paid."

Tariff.—Delayed telegrams for delivery within the colony, with the word "delayed" inserted under the head of "instructions," will be sent at the following rates, which in all cases must be prepaid:—

	s.	d.
For the first ten words, exclusive of address and signature, up to ten words	0	6
For every additional word	...	0 0½
If any sum payable shall include the fraction of a penny, then one penny shall be payable in lieu of such fraction.		

WEATHER TELEGRAMS FOR SHIPPING.

Masters of vessels are permitted to forward messages at an uniform rate of sixpence for each message (including reply) to the Harbour Masters of the various ports seeking information as to the state of the weather, &c., at the port to which they are bound, or from any port which may lie in their route. These telegrams must be concise, and should be filled in in accordance with the directions to be seen at the various telegraph offices.

In no case will a larger number of words in the body of the telegram than ten be allowed under these Rules.

GENERAL RULES FOR COUNTING TELEGRAMS BETWEEN PLACES WITHIN THE COLONY.

1. No combination of two or more words is counted as one word, with the exception of those words which the usage of the language allows to be written together, or coupled by hyphens, and which are so written by the sender of a telegram. For example, Road Board is counted as two words; five per cent., three words; Park Lane, two words; Under Secretary, two words; New-Year's day, two words; in transit, two words; prize fight, two words; second class, two words; wheat meal, two words; ox tongues, two words; surgeon dentist, two words; all right, two words; while postoffice, flourmill, twelvemonth or twelvemonths, halfyear halfyears or halfyearly, shipmaster, money-order, goldfields, first-class, handsaw, bootmaker, everything, cornsack or flour-sack, halfpenny, onepenny, twopence, onefarthing, Boxing-day, Christmas-day, postpaid, postcard, o'clock, today, tonight, tomorrow, each count as one word.

2. (a.) Words written together, and expressing a single number or numeral adjective under one hundred, as *twenty-four, thirty-first, seventy-eight, and ninety-nine*, count as one word. When the letter *s* is added, as in *twenty fives* or *forty eights*, the combination would count as two words; but single words, that is, words which without plural: thus, the single word *fives* or *eights* or *fifties* would count as one, like *five* or *eight* or *fifty*. After ninety-nine, numbers will of course be counted as written—viz., one hundred and seventy-three, four words.

(b.) When the word *one* is followed by another single word to express the figures forming a fraction, the combination will count as one word: thus, *onehalf* or *one-fourth* or *onethird* will count as one word, while *five sevenths* or *twenty-two fiftieths* will count as two words, and *seven thirty fifths* or *twenty-seven thirty fifths* will count as three words.

3. The abbreviations of auxiliary verbs designated by an apostrophe, such as *can't, don't, won't, I'll, you'll, couldn't, shouldn't, &c.*, are counted as one word; but unauthorised abbreviations, such as *Asia* for *Australasia*, combinations, such as *Queenlikes*, or alterations of words contrary to the usage of the language, such as *alright* for *all right*, are not admitted.

4. All names, with the exception of those mentioned in Rule 5, are counted as compound words if composed of more than one word: thus, Southern Cross is counted as two words; Ladybird, one; E. U. Cameron, three; New South Wales, three; Maid of the Mist, four; Sir Tatton, two; New Caledonia, two. But any mere prefix to a proper name is not to be counted separately: thus, St. George, St. Albans, St. Leonard, De Costa, De Beer, De Bourbel, McDonald, O'Donnell, St. Aubyn, San Francisco, will be counted each as one word.

5. The name New Zealand and the proper names of telegraph offices in New Zealand are the *special exceptions* to Rule 4: thus, Port Chalmers, New Plymouth, Castle Point, White's Bay, Government Buildings, and compound names of stations will be counted as one word each. No word, however, is to be included which does not form part of the actual name of the town or station: thus, Port Lyttelton will be two words, Lyttelton alone being the proper name of the port.

6. Initials and separate characters, separated by fullstops or spaces, count as separate words, with the exception that the letters *N.Z.*, whether separated by a period or not, must, when used to signify *New Zealand*, be counted as one word: thus, E. M. T. Spence would count as four words, and 6.4.7. or 6 4 7 as three. An underline also counts as a word. The initial letters of separate words, when written to represent such words and not forming trade marks, must be regarded as separated by stops or spaces, and counted as separate words accordingly: thus, *PO*, for Post Office, is counted as two words; *MHR*, for Member of the House of Representatives, as three words;

UK, for United Kingdom, as two words. In trade marks, and such commercial terms as fob, cif, B/L, the letters and figures composing them must only be counted as separated by stops when they are so separated.

7. Bars of division used in the formation of numbers are counted as figures. A bar of division is also counted as a figure when used in connection with groups of mixed characters. When used in connection with letters only it is only counted as a letter.

8. Numbers expressed in figures are counted at the rate of five figures to a word, plus one word for any excess. The same rule applies to counting groups of letters and words not forming part of any authorised language, and to unintelligible combinations of letters. Where a group of figures is followed by a letter, the letter is counted as a word: thus, 102a counts as two words. Letters added to figures to form ordinal numbers are counted as figures, as in 25th, which counts as one word.

9. When the sender of a telegram desires words to be underlined, an extra word for each separate underline must be charged; and when to be placed in a parenthesis or inverted commas, two extra words must be charged.

10. The following examples determine the interpretation of the rules to be followed in counting words:—

11. In telegrams containing preconcerted (code) language or cipher (letters or figures having a secret meaning) language the plain words are to be counted in conformity with paragraphs 1 to 5 inclusive. Words in admissible preconcerted language are counted according to the same rules. Words, names, or collections of letters not admissible in plain or preconcerted language, and groups of figures or letters, are counted according to the rules laid down in paragraphs 6 to 9 inclusive.

12. The name, title, and address of the receiver and the signature, title, and address of the sender of every inland message are to be free of charge to the extent of ten words, and any excess must be treated as chargeable. Every combination of words expressing the title of the sender or receiver in the signature or address of a message must be counted as it would be counted in the text of the message (see list under clause 18). The signature in every case must be the usual signature, written by the sender or by his authorised agent, but when written by the agent the latter must add his name or initials, not for transmission, but for the information of the department. When it is not intended or desired that the sender's signature should be telegraphed it must be written on the back of the message. The message may then be transmitted without a signature, or with any signature known to the receiver, such as Kate, Harry, Mamma, &c., which the sender may insert for transmission; but the receiver may have the full signature telegraphed by paying for the necessary service telegrams. When two or more signatures are affixed to a message, only the last is to be counted and coded as that of the sender.

13. When the sender desires that special instructions, such as "Private," "Confidential," "To be opened at once," "Per Te Anau," "By first steamer," or the like, shall be written on the envelope of the message, he must write those instructions immediately after the address of the receiver, and pay for them as part of the message. The words must also be written in the space for instructions.

LIST OF TELEGRAPH OFFICES.

The names of the Telegraph Offices in New Zealand are to be written in the addresses of telegrams as given in this list, and the name of each office as it is thus required to be given must be counted as one word. For instance, *Abbotsford* in the address of a telegram will count as one word, and *Newtown, Wellington*, as two words; and in a delayed telegram, addressed to a suburban office, the words *Ponsonby, Post Auckland*, for example, will count as three words.

When a telegraph message is addressed to a place not a telegraph office, but bearing the same name as a telegraph office, as well as to the office to which the message is to be telegraphed—thus, "*Richmond, Christchurch*"—the names of both places must of course be telegraphed, and the transmitting offices through which any message so addressed may pass must regard the first of the two names as that of a place which is not a telegraph office.

During the session of Parliament Press messages are received until 1 a.m. at the 6d. rate, and between 1 a.m. and 2 a.m. at the 8d. rate, between all offices open during these hours, for Press messages from Wellington.

Newspapers publishing before 5 p.m. are allowed to receive at any period of the day of publication collect telegrams amounting in the aggregate to 1,000 words during the recess, and 1,500 words during the session of Parliament, at evening rates. 500 additional words are also allowed on the day the San Francisco mail reaches Auckland for telegrams containing news received by the steamer conveying that mail. When the San Francisco mail arrives at Auckland on Sunday, the 500 additional words are allowed on the Monday following.

Press messages from Wellington repeating news received by telegram from beyond the colony, and bearing the words "Cable news" in the instructions, are chargeable throughout the day with the evening rates for Press messages; and every such message must be charged separately.

Press messages lodged at and forwarded from telegraph offices, when specially re-opened after the hour of closing for the transmission of ordinary telegrams, are forwarded as under:—

At the rate of 2s. per 100 words for messages of 375 words, but not exceeding 1,000 words.

6. Telegrams in code languages must contain only words of ten characters at most belonging to any one or to all of the following languages, but to no others, viz., English, French, German, Italian, Dutch, Portuguese, Spanish, and Latin. (Code words containing more than ten letters will be treated as groups of letters, and be charged at cipher rates. Vide paragraph 25.)

7. Proper names of persons and places in the text of code messages must be used only in their natural sense. Proper names exceeding ten letters in length and which are not used in their natural sense will be charged at cypher rates. This regulation, however, does not apply to the Australian Colonies.

10. Cypher telegrams composed of secret letters.

11. The Government will, at any of its offices, register free of charge the names and addresses of persons receiving messages, or proper names, or words as cyphers, so that this information may be given in two words, but not less than two words, thus, "ARIEL, WELLINGTON." This registration can only be effected locally. If a firm in Wellington should desire to register a code address in any other place, they must instruct their correspondents in the town where the registration is to be effected to make the necessary application at the telegraph office.

12. The sender of a message need not necessarily be transmitted. Every message sent either by the sender or his representative.

12. The name of the sender of a message must be signed either by the sender or the messenger. The name of the receiver must also be given. The charges must be paid in advance.

COUNTING AND CHARGING OF TELEGRAMS

13. Messages are charged according to a tariff per word, including the names and addresses of the sender and receiver; but, unlike inland telegrams, the charges must be paid for in cash. Such messages must contain at least one word in the text.

39. The sum prepaid for reply will be held for a period of six weeks at the disposition of the receiver of the original message to cover the cost of his reply.

40. Should the reply contain more words than have been prepaid, the receiver of the reply must pay the excess charge when the messages are exchanged with Australia, and the sender of the reply when the messages are exchanged with places beyond Australia.

41. If the original message cannot be delivered, or if the receiver refuse to send a reply, the delivery or terminal station will, on demand, at the end of six weeks, repay the amount deposited to the office of origin, by whom it may be returned to the sender of the original telegram.

MULTIPLE MESSAGES.

42. Messages may be addressed to several receivers in the same place, or to the same receiver at several residences in the same place.

43. Telegrams addressed to several receivers or to the same receiver in different towns are, in all cases, charged as so many separate telegrams.

44. Telegrams addressed to several persons in the same town or the same person at several addresses in the same town, with or without re-expedition by post, will bear only a single charge, with an extra tax of fivepence for every copy not exceeding 100 words, and fivepence additional for every extra 100 words.

Multiple messages are not accepted for North or South America.

MESSAGES BY WIRE AND POST.

45. Telegrams for places beyond the limits of the telegraph system must bear the indication "express" or "post paid" in the following form: "Express, Miller, Steiglitz, Berlin," "Gordon, Mauritius, post Aden," the name of the terminal or delivery station being last stated.

46. The public wishing to supplement or modify the contents of letters already despatched to distant places can address a telegram to their correspondents for transmission by wire to any port on the route, to be posted thence to destination; if addressed in the following manner, "— Calcutta, post —": the Government will not, however, be responsible should any telegram fail to arrive in time to catch the steamer by which it is intended to be forwarded.

SECRET-LETTER MESSAGES.

47. Telegrams composed wholly or in part of secret letters (such as b x k l m) cannot be accepted from the public. (See Rule 10.)

REIMBURSEMENTS.

48. When a telegram has suffered a delay of 144 hours from any other cause than an interruption of the telegraph lines, the charges will be returned after investigation, provided they be applied for on a reclamation form within six months after date.

49. The cost of a repeated or collationné message which has been mutilated in such a way as to alter its sense will also be returned, but no reimbursement will be made for errors in ordinary or unreported messages.

50. Should a telegram fail to reach its destination owing to any neglect on the part of the telegraph service, the charge for its transmission will be refunded.

51. Every claim for refund should be made to the original sending administration, and be supported by documentary evidence, *i.e.*, in case of non-delivery, by a written statement from the terminal office or addressee; and in case of mutilation or delay, by the copy of the telegram actually delivered. The claim may, however, be presented by the addressee to the terminal administration, which decides whether it can deal with it, or whether it should be forwarded to the sending administration.

URGENT MESSAGES.

52. Telegrams may be forwarded marked "urgent," for which three rates are charged throughout. (See Rule 18.)

TABLE OF RATES, INCLUDING ALL TELEGRAPH CHARGES, FOR TELEGRAMS DESPATCHED TO PLACES BEYOND THE COLONY.

N.B.—The New Zealand inland charges, included in these rates, are, for messages to Australia and Tasmania, 6d. for the first ten words, with 1d. for each additional word; and for messages to other countries, 2d. for every word. Words contained in signature and address are to be counted as part of each message. The greatest length of a word is limited to 15 letters in messages to Australia, and to 10 letters in messages to places beyond Australia; any excess in either case counting as an additional word. For urgent messages treble the following rates must be paid:—

CHARGES FOR PRESS MESSAGES TO THE UNITED KINGDOM.

Press Telegrams in plain English may now be accepted in New Zealand for transmission to the United Kingdom over the Eastern Extension Company's cables at the rate of 3s. 2d. a word for all charges, on the following conditions:—

By "Press messages" are meant messages addressed to newspapers duly published in accordance with the respective laws relating to the publication of newspapers in force in the United Kingdom, or the colonies, and intended in good faith for publication in full in such newspapers, and shall include only such as are intelligible and written in English, in plain language, and without the use of cypher, code, groups of figures, or letters or words of concealed meaning.

Conditions on which Press Telegrams between New Zealand and the United Kingdom will be accepted at a Reduced Tariff.

1. The wires by the Eastern Company's route of telegraph from London, via Gibraltar and Malta, to India, and thence by the Eastern Extension Telegraph Company's route to Australia and New Zealand, are available to the press for the transmission, at the reduced rate, of news or intelligence for publication in newspapers allowed by the Imperial and Colonial Governments respectively, to receive intelligence by telegraph at the reduced rate.

2. Such messages shall not interfere with the transmission of the ordinary message traffic, and in order to ensure this the transmission of such news messages may be deferred or suspended, or interrupted, until any Government message or any ordinary or press messages at full rates, that may be on hand shall have been transmitted and completed. But when Press Telegrams have been delayed over twenty-four hours they shall thereafter be forwarded in turn with ordinary telegrams.

3. The working of the wire or wires shall be subject to the rules and regulations of the International Telegraph Convention.

4. No messages at the reduced rate shall be sent except for publication in such newspapers, and they must be written in plain English, so as to be intelligible to the transmitting offices. Messages containing news or information not for publication, or containing code words or words of concealed meaning, or groups of figures or ciphers, shall be paid for at the full tariff rates in force for ordinary messages.

5. The newspapers, their Correspondents or Agents, are required to address their messages to a newspaper office, which shall be prohibited from selling, distributing, or communicating such messages to clubs, exchanges, or newsrooms, or disposing of them for any purpose whatsoever, directly or indirectly, other than for publication in newspapers allowed by the Imperial and Colonial Governments to receive them.

6. Messages can only be accepted from the authorized correspondent of a newspaper, and the news sent in such messages must be duly published in the newspapers, or satisfactory reasons be given for non-publication, in the absence of which full rates will be chargeable.

7. The Administrations reserve to themselves the right to terminate the present arrangements, but will in such case announce their intentions twelve months beforehand.

POSTAGE.

The postage on telegrams for places out of Europe has been fixed as follows: From Portugal and Gibraltar, 10d.; from Madeira, St. Vincent, and South America, 1s.; from Great Britain, 1s. 3d.; and from all other places, including China, 1s. 6d.

REGISTRATION OF ABBREVIATED ADDRESSES.

1. A register is open at the Central Telegraph Station, London, for the registration of the full address, at which telegrams reaching London from the provinces, or from abroad, and marked with an abbreviated or arbitrary address, are to be delivered.

2. The charge for registration is one guinea per annum, payable in advance, and becomes due on the 1st of August in each year.

3. For an address registered in London, the fee of one guinea should be remitted by means of a cheque on a London Bank, crossed "Bank of England," in favour of the Postmaster-General or order, or by Post Office order payable at the Chief Office, London.

4. The Postmaster-General does not undertake the delivery of any telegrams at addresses which are not either full and complete, or which have not been registered at the General Post Office, or which cannot be traced in the Post Office London Directory, whether the record of the actual address has already been notified to the Post Office or not.

5. In the provinces, and in Scotland and Ireland, the addressees of telegrams may have their addresses registered at the Chief Office of the Town in which they reside, upon payment at that office of the registration fee.

Persons in New Zealand desirous of availing themselves of this arrangement should request their correspondents in the United Kingdom to register any abbreviated address that may be agreed upon, at the Chief Office of the Town in which they reside.

A register is kept at every Telegraph Office in New Zealand for the registration of arbitrary or cypher addresses in the shape of two or more words agreed on by correspondents in cablegrams from places beyond the colony only. No charge is made for registering.

NOTICES.

The Telegraph Companies register names and addresses of telegraph correspondents free of charge at all their stations, and in London at 11, Old Broad Street, 8, Leadenhall Street, and 3, Great Tower Street.

NOTE.—Two routes are available for telegraphic communication between the Colonies and the United Kingdom, &c., the one by submarine cable *via* Suez, Gibraltar, and Falmouth; the other *via* Teheran in Persia. The sender of a telegram is at liberty to prescribe (without charge) by which of the above routes he may wish his telegram transmitted.

TELEPHONE EXCHANGE.

1. At any place where telephone exchanges have been established, Edison-Bell or any other improved telephones connected with the exchanges will be placed in offices or private residences within a reasonable distance of the central office, so that a subscriber can converse with other subscribers at their offices or residences.
2. Subscribers at each exchange will be furnished with a list of persons with whom they may communicate by telephone, and, as new subscribers are connected with the system from time to time, notification of the fact will be given by the Department.
3. The Electric Telegraph Commissioner or Superintendent of Electric Lines may exclude from the telephone exchange any subscriber who allows the telephone instruments in his custody or control to be damaged or destroyed, or put to any improper use, and may remove or cause to be removed any instruments allotted to the use of such subscriber, who shall have no claim for damages or otherwise in consequence of the removal or exclusion of the instrument under such circumstances.
4. All charges payable in respect of the hire of any telephone instruments shall be paid quarterly, in advance, on the 1st day of January, April, July, or October following the date when the connection with the telephone exchange is completed.
5. If such payment be not made within one week after demand, the connection with the exchange may, at the discretion of the said Superintendent, be discontinued, without prejudice to any proceedings for the recovery of any moneys then due or otherwise.
6. Every person desiring to hire any telephone instruments or set of telephones connected with a telephone exchange shall make application to the Superintendent of Electric Lines, and shall, when requested so to do by the said Superintendent, execute and deliver to him a bond.

The charge per annum, payable quarterly in advance, in respect of the hire of any telephone instrument connected with a Government telephone exchange shall be as follows:—

	Per annum, payable quarterly, in advance.	
	£	s. d.
To each of the first one hundred subscribers to any new exchange: For a single wire to the end of the first year, commencing on the 1st day of January, April, July, or October after the date of connection	9	0 0
For every year following	8	0 0
To every subscriber after the first hundred to any new exchange, and to every subscriber to the exchanges already established: For a single wire to the end of the first year, commencing on the 1st day of January, April, July, or October after the date of connection	10	0 0
For every year following	8	0 0
For every additional wire required by one subscriber, and from the date of connection	7	0 0
Where a subscriber to an exchange in one provincial district applies for a connection at an exchange in any other provincial district in the colony, the charge for the same will be as for a second connection, viz.	7	0 0
The above rates are for connections with a telephone exchange of warehouses, stores, shops, and business places not more than half a mile from the exchange, and of private residences not more than one mile from the exchange.		
For every additional mile, or fraction thereof: To the end of the first year and thereafter, commencing on the 1st day of January, April, July, or October, after the date of connection	1	0 0
Where any connection with an exchange is over three miles in length, the applicant will be required to hold the same for five years, and to give a special bond, to the satisfaction of the Superintendent of Electric Lines, for the purpose of guaranteeing the payment of all charges and expenses incurred in relation to such connection.		
If a connection with a telephone exchange necessitates the erection of a new line of poles over the three miles, then the additional charge for every mile after the third mile will be at the rate of £2 10s. for every such mile or fraction thereof.		

In the event of such line being used for additional wires a proportionate reduction will be made to the original subscriber for every wire so erected, but in no case will the reduction be more than £1 10s. per mile after the third mile or fraction thereof.

BUREAU STATIONS.

A "bureau station" means any ordinary telegraph station connected by telephone with an exchange, and includes any station so connected.

The following are the charges to be paid by the public for the use of Government telephones wherever established in the colony at a bureau station:—

Where the line used is not more than six miles long, a uniform charge of 6d. for the use of same for any period not exceeding three minutes, and a further charge of 6d. for every additional three minutes or portion of three minutes.

Where the line used is over six miles long, the charges are 1s. for the use of the same for any time not exceeding three minutes, and a further charge of 1s. for every additional three minutes or portion of three minutes.

Messages telephoned by subscribers through an exchange to a bureau station, or from a bureau station to a subscriber by a subscriber, will be charged half the above rates, *except* when the bureau station is an office open for the transmission of telegrams by means of telephone or Morse telegraph instruments, and is outside the limits of a town or city.

When a message to the effect that any person is required at the telephone is delivered by the department from a bureau station, 3d. will be charged for delivery within the ordinary circuits of delivery. These charges must be paid by the sender.

Messages outside the limits described above are subject to special charges for delivery, according to the extra expense thereby incurred.

PRIVATE WIRES.

CONDITIONS UNDER WHICH LINE WILL BE CONSTRUCTED, SUPPLIED WITH INSTRUMENTS, AND MAINTAINED.

Cost of Construction.

The price for the construction of any private line is the actual cost of construction, fixed, as far as possible, according to the following scale:—

Poles, 20 to the mile; if any angles, extra poles will be required. As a rule, the poles will be 4 chains apart.

25-foot poles, £1 7s. 6d. each; 20-foot poles, 18s. each; wire, No. 8, £28 10s. per ton (5 miles of wire in a ton); insulators, 2s. each; arms, 1s. each; pole-caps and bolts, 6d. each; binding-wire, 38s. per cwt. (about 3 lb. used in a mile).

Freight, and labour of erection, at current rates.

The applicants must, prior to the work being commenced, pay in advance two-thirds of the cost, and, on completion of the line, pay the balance due forthwith.

Instruments.

Instruments will be supplied for use on private lines, as may be requested by the applicants, at the following prices:—

Telephone, two sets=1 pair, £18, including batteries; 2 lightning-guards, if desired, £3 extra.

ABC instruments, two sets=1 pair, £50, including 2 lightning guards.

Morse tape instruments, two complete sets, each consisting of 1 Morse instrument, 1 key, 1 galvanometer, 1 relay, 2 lightning-guards, £64. Battery for same, 4s.

per cell; gutta-percha wire, 3d. and 6d. per yard, according to size used; terminals, 2s. each.

Maintenance and Wayleave.

The charge for maintenance of each private line will be as under, payable yearly in advance, viz.:—

For the first mile or fraction of a mile, £1 per annum;

If the wire cannot be erected on any existing line, and therefore entails the erection of a new line, then the maintenance will be at the rate of £2 10s. per mile per annum for every mile or fraction thereof.

Use of Line.

The applicants must only use the line for their own *bond fide* business, and on no indirectly, allow the wire to be used for any purpose which might be to the department of its revenue.

Government Life Insurance Department.

COMMISSIONER: J. H. RICHARDSON, A.I.A., F.I.A.V.

INSPECTOR AND SUPERINTENDENT OF BRANCHES: S. W. D'ARCY IRVINE, F.S.S.

ASSISTANT COMMISSIONER: D. M. LUCKIE, F.S.S. ACTUARY: MORRIS FOX.

SECRETARY: W. B. HUDSON.

CHIEF MEDICAL OFFICER: JOSEPH HENRY, Esq., L.R.C.P., LONDON.

ACCOUNTANT: R. J. S. TODD.

ASSURANCES IN FORCE, OVER £7,600,000.

ANNUAL INCOME EXCEEDS £300,000.

ACCUMULATED FUND, OVER £1,600,000.

The Government Life Insurance Department is the only New Zealand Office devoted exclusively to Life Insurance.

No business is transacted out of the colony: the full benefit of the low rate of mortality in New Zealand being thus secured, the extra risks of inferior climates are avoided, and the entire funds of the Department retained in the colony for investment.

Government Security for the Payment of every Policy.

The all-important consideration for insurers is the security for payment of the sum assured. Policy-holders in this Office obtain THE SECURITY OF THE COLONY, in addition to that of a strong Mutual Insurance Office.

Policy-holders are entitled by Law to the whole of the Profits.

The surplus Profits for the five years ended 31st December, 1885, amounted to £245,315, of which the Actuaries recommended £150,000 to be divided among the policy-holders of the "General" Section.

Prospective or Intermediate Bonus

Has the same object in view as an ANNUAL DIVISION OF PROFITS, WITHOUT THE COST of a yearly investigation.

Moderate Premiums.

This Office alone combines the advantages of MUTUAL ASSURANCE with MODERATE PREMIUMS and GOVERNMENT SECURITY. Instead of charging rates considerably higher than are necessary, and afterwards returning the excess, accumulated at a low rate of interest, in the shape of bonuses, this Office gives AT ONCE almost as large an Assurance as the premiums will bear with safety. In addition to this advantage, which is equivalent to an IMMEDIATE BONUS, all surplus profits that may arise belong entirely to the Assured.

GOVERNMENT LIFE INSURANCE DEPARTMENT—continued.

Liberal Regulations.

POLICY-HOLDERS, after two years, have an absolute right to a surrender value.

LIBERAL SYSTEM OF NON-FORFEITURE.—Owing to the numerous changes which mark colonial life, it is found that not infrequently people commence insurances, the payments on account of which they may, from various causes, be unable regularly to continue. In order that every Government policy-holder may receive a full equivalent for the amount of premiums he has paid, it has been determined to adopt the following system, which will be a condition of every policy, viz.: When the premium on any policy which has acquired a surrender value becomes *overdue* by non-payment within the thirty days of grace, the policy will still remain in force for the full amount assured until the cash surrender value for the time being is no longer sufficient to cover arrears including loans (if any) and accrued interest (without payment of any further premiums during that period), and should a claim occur within that time the same will be paid, *deducting only the arrears and accrued interest thereon*. Any bonus additions attaching to the policy will be taken into account in arriving at the cash surrender value for the purpose above specified.

POLICY-HOLDERS MAY AUTHORIZE DEDUCTION OF THEIR PREMIUMS WHEN DUE FROM THEIR POST-OFFICE SAVINGS-BANK ACCOUNTS, if they desire such convenience.

POLICY-HOLDERS CAN BORROW ON SECURITY OF THEIR POLICIES, at 7 per cent. interest, to the extent of 90 per cent. of the cash surrender value.

POLICY-HOLDERS MAY TRAVEL or reside in any part of the world without license or extra charge.

POLICY-HOLDERS may engage in any occupation without license or extra charge.

POLICIES ARE FROM DATE OF ISSUE, if age has been admitted, INDISPUTABLE AND UNCHALLENGEABLE, on any grounds whatever, except fraud or suicide of the insured within the first twelve months.

POLICIES ARE PROTECTED FROM BANKRUPTCY to extent of £2,000 immediately on issue, in nearly all cases.

PROPOSERS NEED NOT PAY AN INCREASED PREMIUM, but may have in lieu of the loading an equivalent debt indorsed on policy, which will be satisfied should the assured attain the *average* duration of life.

PROOF OF AGE MADE EASY on application to the Head Office or any agent of the Department. Failing certificate of birth or baptism, a certified copy of entry in family Bible or other register, or statutory declarations by the assured and a friend, will readily be accepted. A mistake in age *will not make the policy void*; and, although death should take place before the age is admitted, the claim will be paid on production of satisfactory evidence such as that before mentioned.

For TOTAL ABSTAINERS there is a SPECIAL SECTION, in which PROFITS are ALLOCATED SEPARATELY.

LOANS ON MORTGAGE.—The Office is now lending money on approved Freehold Security to the extent of half the value offered at moderate rates of interest. The maximum amount which can be advanced to any one person is fixed by statute at £5,000. Particulars and forms of application can be obtained at the Head Office, or at the District and Resident Agencies.

LOANS REPAYABLE BY INSTALMENTS.—The department is prepared to make advances on mortgage, not exceeding one half of the value of the property mortgaged, in sums of money from £100 to £3,000, repayable by half-yearly instalments extending over 12, 15, or 20 years, on the following terms:—

Public Trust Office.

INCORPORATED UNDER THE PROVISIONS OF "THE PUBLIC TRUST OFFICE ACT, 1872,"
AND THE AMENDING ACTS OF 1873 AND 1876.

Guaranteed by the State.

Public Trustee	...	...	...	R. C. HAMERTON.
Chief Clerk	...	...	...	Rev. C. D. DE CASTRO.
Accountant	...	...	...	J. C. MOGINIE.

The Office undertakes the following Business:—

1. The Administration of all Intestate Estates of which Letters of Administration have not been granted to the widow or other person entitled, the realization and distribution of the personalty, the payment of the debts, and the care of the realty for the absent heir.

2. The Executorship of the Wills of persons who may appoint the Public Trustee their executor, and thus avoid the necessity which otherwise would exist of committing their friends to the responsibilities involved by such position.
