The loveliest stamps New Zealand ever issued. The used set of 16 in glowing colours. The best investment we have to offer! £18 10s.
- 202 1d Rose Newspaper Stamp.** A picked lot of 18 stamps, one mint and fourteen fine used (including two pairs) of the N.Z. and star issue, one used star wmk., perf 12½, one in the original perf 10 on N.Z. paper, and a copy of the irregular compound perforation 10 x 12½ 50/-
- 203 (a) First Sidefaces. A Simplified set.** One of each value to 1/- used. Six stamps, 1d, 2d, 3d, 4d, 6d and 1/-, all in nice condition, an ideal representative lot — or for the Simplified album user 90/-
- (b) The Two Shilling value.** Nice used copies of this scarce stamp in either shade are available at 110/-
- 204 Second Sidefaces.** A similar "starter" for this issue. The cheapest perf and watermark in each value, making an attractive set of ten values. ½d black, 1d rose, 2d lilac, 2½d blue, 3d yellow, 4d green, 5d black, 6d brown, 8d blue and 1/- red-brown. All good used 40/-
- 206 (a) 1d Universal.** A series with infinite possibilities. Start now! Our reasonably priced offer includes a fine used stamp, clearly and correctly identified, from each of the basic printings: (1) London print; (2) the first local print, on Pirie (Waterlow) paper; (3) on Basted Mills paper; (4) on Cowan No watermark paper; (5) on Cowan Watermarked paper; (6) from the Booklet plate; (7) from the Reserve plate; (8) Dot Plate; (9) Waterlow Trial plate; (10) Royle plate; (11) the Surface-printed issue both mint and used. In addition there is a complete mint Booklet pane, overprinted OFFICIAL and a scarce Plate proof of the Surface-printed stamp. The Lot of 19 30/-
- (b) Plate number blocks.** Add something really good to your collection. Plate blocks are scarce. From the 1906 Waterlow plates, in Blocks of four. Plates W1 or W2, each £8
- From the Royle plates, in Blocks of four. Plates R1 or R2, each £6
- (c) Basted Mills Imperf vertically.** A pair (p. 14) with the vertical perforations omitted. A good variety, but the stamps in this pair are off-centre and have a very slight thin, so are offered at half our normal price. The pair £5

All fine mint. 11 stamps 10/6

ANTARCTICA

Whether you are just beginning, or anxious to add to your collection, we know there will be something here you want.

- 211 (a) **1d Edward VII Land Mint.** This stamp is not a common one by any standards. **Unused, it is really scarce.** The copy we offer has some gum disturbance, but is still good buying at £7 10s.
 (b) **Victoria Land ½d Mint.** A really Rare Stamp! Only 2400 were overprinted. 1,910 went to the Expedition, 400 to the U.P.U. and 90 were retained by the N.Z. Post Office. Such limited issue makes this one a sure winner. The price will go much higher. Now offered at £35
 (c) **Victoria Land 1d mint.** Not such a rarity! Here is your chance to obtain an Antarctic stamp at a very reasonable price. Mint 17/6

SOME "NOT SO FINE" OFFERS

Inevitably in buying collections we find some stamps which, while they are not rubbish, do have minor defects that put them below our normal high standard. (Most of our clients will agree that we do maintain a very high standard of condition, — so much so that many of the following stamps would be sold elsewhere as top grade!) In any case if you do not like the following, at their extremely low prices, you can return them for full refund. What could be fairer?

- 213 (a) **First Pictorials.** A Simplified set, one of each value regardless of perf or watermark. These are beautiful stamps, and justly popular. The sets offered are of excellent appearance, but each stamp has some small fault and so cannot be offered as perfect at its usual price.
 ½d Mount Cook, 1d Taupo, 1d Terraces, 1½d Boer War, 2d Pembroke Peak, 2d reduced size, 2½d Wakitipu, 2½d Wakatipu, 3d Huia, 3d reduced size, 4d Terraces, 4d Taupo, 5d Otira Gorge, 6d Kiwi green, 6d red, 6d reduced size*, 8d War canoe, 9d Terraces, 1/- Kaka, 1/- reduced size. *No small 6d in the mint set.
 Unused Set of Nineteen 37/6
 Used Set of Twenty £1
 (b) **Milford Sound.** 2/- value. Unused 10/-. Used 8/-
 Two Used (two good shades) 15/-
 (c) **Mount Cook.** 5/- value. Fine appearance. Unused or Used 35/-
 214 **1915 King George V.** The recess printed King's Heads make a delightful show of colour. Again, these stamps are not quite perfect so are much lower than normal price. More than one shade is included in some values, 1½d grey, 2d violet, 2d yellow, 2½d blue, 3d brown, 4d yellow, 4d violet, (3 shades). 4½d green, 5d (3 shades), 6d carmine (2), 7½d brown, 8d indigo, 8d red-brown (2), 9d sage green (2), 1/- vermilion (2). Regardless of perf or watermark, 23 stamps. Unused 30/-
 215 **Field Marshal Booklet Pane.** The 1d stamp in complete mint booklet pane with selvage. A good space filler. Scarce, but due to slight stains on the back, offered at the knock-down price of 12/6
 216 **1941 Mitre Peak, Line Perf 14!** The war-time issue of the 4d Pictorial which was printed by Waterlow and perforated by De La Rue due to Waterlow's machines being damaged by bombing. These historic stamps appear with line perf 14 and are best collected in blocks of four to show the line perf intersection. Normally, who can afford blocks of four (see S.G. 583b, C.P. L7c)! We have a sheet with slightly toned gum and offer the following:
 Mint Block of four (S.G. Cat. £8!) 20/-
 Mint Block of four showing Waterlows "job marking" in the top margin (1 only) 30/-
 Mint Plate number block of four 30/-
